## **The Fact Book**

Muscle car fans are embracing a revival as carmakers in the U.S. are flexing their muscles in a race for increased horsepower. This new volume combines the user-friendly "standardized database" format of Standard Catalog books, with a unique focus on the hottest models - Z/28, Grand National, and Trans Am - the model-options manufactured during the classic muscle car era. & break; & break; Collectors and car hobbyists will discover the true nuts and bolts detail of each car, the kind of information readers need to pinpoint exactly what a certain muscle car should have, and how many of that kind were built. With more than 400 stellar photos and factory art and in-depth production data presented in charts and tables, this is the best resource for authenticating muscle cars - the perfect for shows and auctions.
