"We will give you the information which you can put into this book for others to read, information which will carry an energetic print, a blueprint of our energies, so that not only the reading of the book will be beneficial but holding the book will be beneficial because of the energies contained within the book from us that will emanate through the words on the pages. We will make sure that when the pages are printed that our energies are flowing into the paper,

into the ink, into the words themselves, so that they will be able to be felt by all who hold the book in their hands and who read the material, information from us, information from the entire Angelic Realm, information from The Goddess, and information from The Creator of All There Is.” -The Archangels “As the husband and partner of Marilyn Zschau Baars, I had the privilege of being the only witness to the birth of this material from The Archangels. The energy we received during the sessions was enormous, and now, fortunately, the energies of The Archangels are available for all human beings on our beautiful planet Earth through this magnificent book. Marilyn and I are now fulfilling our agreement with The Archangels, which is to bring the Archangelic healing energies to as many individuals as possible, in accessible form for all beings incarnate on this planet at this time. My wish for you is that you enjoy the experiences of Archangelic Wisdom contained within this book.”

-Frans Baars, CHT, Co-Founder, Partner in Archangel Healing THE GOLDEN ESSENCE IS YOU invites you into the hearts and minds of The Archangels as they lead you through meditations and visualizations aimed at raising your level of vibration toward the Fifth Dimension and beyond, all the while giving you major new perspectives on “What Is” and “NOW” TIME, among many other fascinating subjects. It is an exciting new look into the necessity of vibrating faster during the current turbulent state of the Earth, and in the coming years leading up to The Ascension. All of the information contained within THE GOLDEN ESSENCE IS YOU helps in guiding the reader toward a higher vibrational level of existence, with the purpose of reaching the Higher Dimensions of advanced

spiritual realms.

A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, The Celtic Golden Dawn presents a series of knowledge lectures, meditations, and rituals leading to mastery

of the most important magical techniques.

In *The Golden Sherpa: Ascending into Magical Spirituality*, Matthew Krajewski invites spiritual seekers to follow him through a rainbow of heart-based spiritual practices. While one may explore diverse mystical practices, we can all sometimes doubt our authenticity, and need some user feedback to assure us we are cultivating our own special, divine light. Building on ideas from his first book, *Modern Magic: Reclaiming Your Magical Heritage*, his follow-up book, *The Golden Sherpa*, details how it truly feels to experience spiritual energy. By teaching ourselves new ways to think by way of the heart, *The Golden Sherpa* articulates biological, spiritual energy as our true nature, details the light and shadow of energy, as well as ways to passively and actively experience energy. Matthew Krajewski left a successful career in Silicon Valley to embrace being a spiritual writer and teacher, and he uses this journey to explore the struggles and joy we all experience when following our hearts. By following *The Golden Sherpa* everyone can better understand energetic reality, explore their own magic, and ascend to new heights of integrated living.
