The Hobbit, Or, There and Back Again

I bambini altamente sensibili sono quelli che vivono in modo più profondo, empatico ed emotivo ciò che gli accade e che li circonda. Sono introspettivi, abili osservatori e tendono a essere più facilmente sovraccaricati dagli stimoli intensi; hanno spesso forti reazioni emotive e momenti di chiusura. Se accolti, ascoltati e valorizzati mostreranno aspetti notevolmente efficaci della loro sensibilità, come l'abilità di percepire le emozioni altrui e di farvi fronte, la capacità di trovare soluzioni creative ai problemi, e di entrare in sintonia con ambienti, animali e persone in modo molto profondo. Nella mia esperienza professionale - tra clinica, progetti nelle scuole e seminari sull'ipersensibilità - ad oggi ho incontrato molti adulti, molti genitori, e molti bambini che si sono riconosciuti in questa caratteristica e che grazie a questa consapevolezza sono riusciti a comprendere e gestire aspetti propri o del proprio figlio in modo completamente nuovo. Questo libro si rivolge primariamente a genitori e operatori, ha un taglio teorico ma soprattutto pratico, per riconoscere l'ipersensibilità nei bambini e valorizzarla nel modo migliore. Nel contempo potrà essere utile a ogni Persona Altamente Sensibile, per riconoscersi e rivedere la propria storia secondo una nuova prospettiva.

La valutazione scolastica

There's a new baby in Simon's house. 'When's the stupid baby going back to the hospital?' Simon asks his parents. But the

baby is there to stay. What about all the scary wolves outside the house? The wolves that want to eat Simon up? Will his parents still protect him now they have a stupid baby?

The Pied Piper of Hamelin

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Say It!

Antisemitism never disappeared in Europe. In fact, there is substantial evidence that it is again on the rise, manifest in violent acts against Jews in some quarters, but more commonly noticeable in everyday discourse in mainstream European society. This innovative empirical study examines written examples of antisemitism in contemporary Germany. It demonstrates that hostility against Jews is not just a right-wing phenomenon or a phenomenon among the uneducated, but is manifest among all social classes, including intellectuals. Drawing on 14,000 letters and e-mails sent between 2002 and 2012 to the Central Council of Jews in Germany and to the Israeli embassy in Berlin, as well as communications sent between 2010 and 2011 to Israeli embassies in Austria, Switzerland, Belgium, England, Ireland, the Netherlands, Sweden, and Spain, this volume shows how language plays a crucial role in activating and re-activating antisemitism. In addition, the authors investigate the role of emotions in antisemitic argumentation patterns and analyze "anti-Israelism" as the dominant form of contemporary hatred of Jews.

When an Elephant Falls in Love

In a galactic culture that extends from quasi-utopian worlds like New Alexandria to the vermin-infested slums of Old Earth, the Star-Pilots are the great heroes of the day, and Grainger has become a legend in his own time. Pharos is paradise--or so it appears. But the champions of commerce want to package and sell the planet, and the conservationists want to stop them. Grainger's employer, Titus Charlot, is enlisted to negotiate a settlement, but the game is rigged. Charlot needs the Star-Pilot's help, but there seems to be nothing he can do--until the planet's ecosystem takes a hand, and "paradise" suddenly turns deadly! Hooded Swan, Book 4.

Il tesoro dei bambini sensibili

To save their threatened utopian community of Iroquois, Irish, and Scots during the start of the American Revolution, Mohawk chief Joseph Brant and a group of warriors go on a restless journey that takes them from New York to Canada, to

the salons of Georgian London and the heart of the British Empire, in the latest work by a critically acclaimed collective of Italian writers known as Wu Ming.

The Mouse That Wanted to Read

I hope that this wonderful book will impart a deep desire to read in the minds and hearts of our children. While reading, they will encounter a cute little mouse that wanted nothing more than to read. Logan the little mouse was not ashamed to admit that he couldn't read. He was not afraid to ask for help to learn to read. Logan had so much fun reading, book after book. He worked very hard and became a great reader.

Family Whispering

Filled with bright and lively illustrations, this charming story explores the cyclical nature of borrowing library books and emphasizes the many joys of reading as Kevin, a young boy, describes his experiences at the library.

How Did I Begin?

C'è un bimbo in arrivo, che gioia! Ogni volta che la famiglia si allarga, genitori e figli sono chiamati a trovare un nuovo equilibrio. Ma come aiutare il primogenito ad accogliere il fratellino e ad affrontare i cambiamenti con gioia e serenità? E come gestire nello stesso tempo le esigenze di due o più bimbi di età diverse? Quali piccoli accorgimenti possono favorire l'intesa tra fratelli e sorelle? Benvenuto fratellino Benvenuta sorellina risponde a questi interrogativi, offrendo informazioni utili e suggerimenti pratici per coinvolgere i fratelli e le sorelle maggiori nell'attesa e nell'accoglienza del neonato. Grazie alla collaborazione di esperti in pedagogia e psicologia infantile imparerete a gestire la situazione soprattutto se il bambino è in difficoltà (casi di regressione infantile, gelosia intensa, invidia etc.), e grazie ai consigli di ginecologi e consulenti in allattamento anche le mamme che stanno allattando e che scoprono di essere nuovamente in attesa sapranno come affrontare il cambiamento nel modo migliore. Le testimonianze di mamme e papà che hanno raccontato la loro esperienza rendono Benvenuto fratellino Benvenuta sorellina un libro ricco di emozioni, aneddoti, momenti di quotidianità condivisa ma soprattutto ricco di amore, confermando così l'antico detto "Quando arriva un nuovo bimbo, l'amore non si divide, si moltiplica!" Un libro che si concentra sulla bellezza e la profondità del legame fraterno. Un legame che inizia con la nascita, a volte ancora prima, quando la creatura che cresce nel grembo materno impara a conoscere e a riconoscere la voce del fratellino maggiore e risponde con calcetti e capriole al suo saluto. Un legame che accompagna i fratelli in tutte le stagioni della vita e che non si estingue mai, perché possono esserci incomprensioni, liti, anche rancori, ma un fratello è per sempre.

Manituana

Fans of the Divergent series by No. 1 New York Times bestselling author Veronica Roth will be thrilled by Four: A Divergent Collection, a companion volume that includes four pre-Divergent stories told from Tobias Eaton's point of view. DIVERGENT - a major motion picture in 2014.

Tip the Mouse Doesn't Want to Eat

“The most helpful book on childhood anxiety I have ever read.”—Michael Thompson, Ph.D. Whether it's the monster in the closet or the fear that arises from new social situations, school, or sports, anxiety can be especially challenging and maddening for children. And since anxiety has a mind of its own, logic and reassurance often fail, leaving parents increasingly frustrated about how to help. Now Lawrence J. Cohen, Ph.D., the author of Playful Parenting, provides a special set of tools to handle childhood anxiety. Offering simple, effective strategies that build connection through fun, play, and empathy, Dr. Cohen helps parents • start from a place of warmth, compassion, and understanding • teach children the basics of the body's “security system”: alert, alarm, assessment, and all clear. • promote tolerance of uncertainty and discomfort by finding the balance between outright avoidance and “white-knuckling” through a fear • find lighthearted ways to release tension in the moment, labeling stressful emotions on a child-friendly scale • tackle their own anxieties so they can stay calm when a child is distressed • bring children out of their anxious thoughts and into their bodies by using relaxation, breathing, writing, drawing, and playful roughhousing With this insightful resource of easy-to-implement solutions and strategies, you and your child can experience the opposite of worry, anxiety, and fear and embrace connection, trust, and joy. Praise for The Opposite of Worry “The Opposite of Worry is an informative resource for parents and other family members. The book is easy to read, comprehensive and notable for its many practical suggestions.”—New England Psychologist “Good advice for parents making daily calls to the pediatrician . . . Anxiety is a full-body sport, and Cohen's main advice is not to treat it with words but with actions. . . . Physicality is about living in the present, and for anxious people, the present is a powerful place of healing. Intended for parents of children ages 3 to 15, this book offers anecdotes and fun anti-anxiety games.”—Publishers Weekly “Here's the help parents of anxious children have been looking for! Dr. Cohen's genius is in the warm and generous spirit of the strategies he outlines for parents. He grounds his playful approach in a sound explanation of how anxiety affects children, and how they heal. Parents will come away with plenty of ideas to help them develop their children's confidence. While reading, I found myself thinking, ‘I'd like to try that for myself!’”—Patty Wipfler, founder and program director, Hand in Hand Parenting “If you want to understand your child's anxiety—and your own parental worries—you must read Larry Cohen's brilliant book, The Opposite of Worry. Dr. Cohen is one of the most imaginative and thoughtful psychologists you will ever encounter. He explains how and why children become anxious and then shows how we can use empathy and play to help them escape from the terrifying dark corners of

Benvenuto fratellino Benvenuta sorellina

The Evolution of Human Language

Unconditional Parenting

A second volume in a historical trilogy based on the life of Alexander the Great follows the legendary Macedonian leader in his passionate pursuit of world conquest, defeating the Persians, under the leadership of Memnon, with whom he competes not only for military supremacy, but also for the love of Memnon's beautiful wife, Barsine. Original. 35,000 first printing.

The Farmer and the Obstetrician

Narrated by a group of friendly mice, an amusing book provides preschoolers with an introduction to manners through helpful demonstrations of when certain words and phrases such as excuse me and please, are used in social situations. This companion book to the popular Time to Pee! by the Caldecott Honoree is a book on manners, narrated by groups of bubbly mice. Includes a free board game and spinner, full color, consumable.

The Autobiography of a Seventeenth-Century Venetian Rabbi

Polyglot Cinema brings together a diverse group of scholars from Europe, Canada and the US, resulting in a dynamic account of plurilingual migrant narratives in contemporary films from France, Italy, Portugal and Spain. In addition to the close analysis of key films, the essays cover theories of translation and language use as well as central paradigms of cultural studies, especially those of locality, globality and post-colonialism. The volume marks a transdisciplinary contribution to the question of cultural representation within film studies.

The Lamplighter

Essere un genitore consapevole è la chiave per vivere relazioni autentiche e appaganti con i propri figli. In questo libro, l'autrice vuole fornire un aiuto concreto a tutti i genitori che desiderano rafforzare questa consapevolezza, senza dedicare necessariamente tanto tempo alla meditazione: ogni occasione, infatti, è buona per praticare la mindfulness e sviluppare quell'atteggiamento che ci fa vivere il quotidiano con serenità, lucidità ed equilibrio. Uno strumento utile per affrontare tutte quelle situazioni che sembrano sfuggire al nostro controllo, come i capricci dei bambini piccoli, gli attriti con i figli più grandi, le difficili relazioni in famiglia, e ritrovare la pace e quello stato di grazia nel quale sentiamo di non avere bisogno di un motivo per essere felici. Un libro scorrevole e di facile lettura, che suggerisce esercizi da fare da soli o con i bambini, per godere appieno degli innumerevoli benefici che questa pratica riesce a dare.

The Paradise Game

The love of a mother for her little girl permeates a walk they take together on an autumn day.

Alexander: Child of a Dream

III EDIZIONE AGGIORNATA Qualcuno sa quanto costa diventare genitori oggi? Passeggini, omogeneizzati, pannolini, carrozzine... Le ultime statistiche parlano di un investimento di diverse migliaia di euro solo nel primo anno di vita del bebè. Ovviamente c'è poco da stupirsi, chi infatti vorrebbe far mancare qualcosa al proprio bambino? Per i nostri figli, si sa, solo il meglio del meglio! Ma qual è il meglio per un bebè? Che cosa servirà davvero al bimbo che sta per nascere? Bebè a costo zero si addentra nell'affollato mondo dei prodotti per l'infanzia aiutandoti a capire cos'è realmente necessario durante la gravidanza e nei primi anni di vita di tuo figlio, permettendoti di distinguere tra le reali esigenze di mamma e bebè e bisogni inutili indotti dal bombardamento pubblicitario. Il risultato di questo "viaggio" è una vastissima selezione di proposte e mille consigli pratici per evitare spese inutili e inessenziali e garantire al proprio piccino solo quello che può

realmente favorire uno sviluppo psico-fisico sereno e una crescita equilibrata e armoniosa, il tutto nutrito ad un continuo richiamo alla salvaguardia dell'ambiente in cui i nostri (e i vostri) figli devono crescere. I pareri di numerosi esperti del settore - pedagogisti, ostetriche, psicologi e pediatri -, insieme alle testimonianze di decine di mamme e papà su gravidanza, alimentazione, igiene del neonato, abbigliamento, giochi, nanna, ecc.) fanno di questo piccolo manuale uno strumento prezioso per tutti i futuri genitori. Giorgia Cozza, giornalista comasca e madre di quattro figli, collabora a varie riviste specializzate occupandosi di gravidanza, allattamento al seno, psicologia e salute della mamma e del bambino. Per Il leone verde ha pubblicato "Bebè a costo zero" (anche in Mondadori 2012, in uscita in Spagna e in Polonia), "Quando l'attesa si interrompe", "Me lo leggi?", "Benvenuto Fratellino, Benvenuta sorellina", "Latte di mammattutte tranne me!", "Pannolini lavabili" e "Le Storie di Alice" (libri illustrati per bimbi da 0 a 6 anni), nonché "Allattare è facile!", "La pappa è facile!", "La nanna è facile!" e "Neomamma è facile!". È autrice di "Goccia di vita" (Ave, 2010) e "La cuginetta che viene da lontano" (Ave, 2012), di "Allattare e lavorare si può!" (La Leche League) e co-autrice di "Allattamento al seno" (De Agostini, 2011).

Presbyteria

Leon (Judah Aryeh) Modena was a major intellectual figure of the early modern Italian Jewish community--a complex and intriguing personality who was famous among contemporary European Christians as well as Jews. Modena (1571-1648) produced an autobiography that documents in poignant detail the turbulent life of his family in the Jewish ghetto of Venice. The text of this work is well known to Jewish scholars but has never before been translated from the original Hebrew, except in brief excerpts. This complete translation, based on Modena's autograph manuscript, makes available in English a wealth of historical material about Jewish family life of the period, religion in daily life, the plague of 1630-1631, crime and punishment, the influence of kabbalistic mysticism, and a host of other subjects. The translator, Mark R. Cohen, and four other distinguished scholars add commentary that places the work in historical and literary context. Modena describes his fascination with the astrology and alchemy that were important parts of the Jewish and general culture of the seventeenth century. He also portrays his struggle against poverty and against compulsive gambling, which, cleverly punning on a biblical verse, he called the "sin of Judah." In addition, the book contains accounts of Modena's sorrow over his three sons: the death of the eldest from the poisonous fumes of his own alchemical laboratory, the brutal murder of the youngest, and the exile of the remaining son. The introductory essay by Mark R. Cohen and Theodore K. Rabb highlights the significance of the work for early modern Jewish and general European history. Howard E. Adelman presents an up-to-date biographical sketch of the author and points the way toward a new assessment of his place in Jewish history. Natalie Z. Davis places Modena's work in the context of European autobiography, both Christian and Jewish, and especially explores the implications of the Jewish status as outsider for the privileged exploration of the self. A set of historical notes, compiled by Howard Adelman and Benjamin C. I. Ravid, elucidates the text.

You're All My Favorites

Apprendere, divertirsi e crescere insieme Giocare è una cosa seria! Giocare. Ecco l'attività principale, la più importante negli anni dell'infanzia. Attraverso il gioco il bambino scopre la realtà, conosce se stesso e il mondo che lo circonda, sviluppa le sue abilità psicomotorie, allena le competenze cognitive, impara e si diverte. Insomma, giocare è una cosa seria. Ecco perché è fondamentale che i genitori accompagnino il bambino in questo percorso di scoperta, apprendimento e maturazione. In questo libro sono proposte attività adeguate alle diverse tappe dello sviluppo, alcune tratte dal patrimonio dei giochi tradizionali, alcune inedite, da svolgere in casa e all'aria aperta, per favorire una crescita serena ed equilibrata. Per offrire ai più piccini gli strumenti per divertirsi e giocare in modo creativo, stimolando l'immaginazione ed esercitando mente e corpo. Ma non va dimenticato che giocare insieme è un'opportunità preziosa anche per il genitore, che ha l'occasione di riscoprire un mondo-bambino, nel quale il tempo rallenta, si alleggerisce, si colora di magia. Tanti giochi e attività che non prevedono l'uso di giocattoli o accessori particolari, ma di semplici oggetti di uso domestico, trasformati dalla fantasia del bambino per vivere avventure sempre nuove. Giorgia Cozzaggiornalista comasca, collabora da anni con riviste e siti specializzati su temi come gravidanza, allattamento, psicologia, salute della mamma e del bambino. È autrice di numerose fiabe per bambini e testi dedicati ai genitori, tra cui: *Bebè a costo zero* (uscito in Spagna, Polonia e Ungheria), *Quando l'attesa si interrompe* (uscito in Polonia e Lituania), *Benvenuto fratellino Benvenuta sorellina* (uscito in Grecia e in Cina). È spesso ospite di convegni e trasmissioni televisive per rispondere a quesiti legati all'accudimento dei bimbi e a uno stile genitoriale ecocompatibile.

Dimmi Di Smettere

The cheerful celebration of art, music, and cheese from beloved four-time Caldecott Honor-winner Leo Lionni. While nibbling at a huge hunk of parmesan cheese, Geraldine uncovers a cheese statue of a mouse playing what seems to be a flute but on closer inspection is really its tail. That night Geraldine is woken by silver and gold sounds. "This must be music!" she says. And every night the cheese mouse fills Geraldine's hideaway with beautiful music. Then one day her hungry mice friends ask her to share her cheese with them. Geraldine's new love of music infuses her with a magic of her own and provides a satisfying conclusion to this delightful tale.

Bebè a costo zero

From the bestselling author of *I Didn't Do My Homework Because* comes an irresistible meditation on the quest for connection. When an elephant falls in love, he does many foolish things. He hides when the elephant-object of his affection is around. He writes dozens of letters that he will never send. And he tries to be healthy, but ends up finishing the

cheesecake. This soulful book is at once relatable and revealing, a reminder that love is worth striving for, and that the very best things in life will come to those who wait. Plus, this is the fixed format version, which looks almost identical to the print edition.

The Opposite of Worry

A pied piper rids the city of Hamelin of rats in this charming retelling of the classic tale.

Our Lady of the Pillar

Mommy and Daddy Bear convince three worried cubs that there's plenty of love to go around in this comforting new tale from the incomparable team of Sam McBratney and Anita Jeram. Features an audio read-along performed by the author! Every night, while tucking in their three cubs, Mommy and Daddy Bear tell them they're the most wonderful baby bears in the whole wide world. But one day the three little bears start to wonder: How do Mommy and Daddy know this is true? And even more worrisome to each sibling: What if my parents like my brother or sister better than me? From the team who brought us the beloved Big and Little Nutbrown Hare comes a tale that answers a timeless question with the ultimate reassurance — and offers the perfect way for parents to remind their own little cubs how very much each one is loved.

Geraldine, The Music Mouse

This book provides a wide range of information, both theoretical and practical, about the Orthodox Christian priests wife as she shares her husbands ministry. It will be valuable to the wives of priests and seminarians a diverse group of women from different Orthodox jurisdictions as well as clergy, parishioners, and others interested in learning more about them.

Montessori: perché no?

I Love You When is an ode to motherly love that approaches a timeless topic with elegant simplicity and refreshing honesty. With a simple question, "Mom, will you love me my whole life?" Archibald sparks the most honest and relatable of answers from his mother, who goes on to tell her son about all the moments in life through which she loves him. "I love you when you behave and when your good behavior doesn't last" and "I love you when you look your best and when you're feeling your worst" are some of the scenes author Astrid Desbordes and illustrator Pauline Martin succeed in depicting with heartwarming candidness. A refreshing take on a timeless subject, I Love You When beautifully recounts a mother's unconditional love for her child."

Time to Say "Please"! (with game board)

Offers a revolutionary perspective on adversity that will empower you to cooperate with your own destiny, live a far more effective life, and heal even the deepest wounds of the heart.

I giochi più stimolanti e creativi da fare con il tuo bambino da 0 a 6 anni

In his new book Michel Odent shows how farming and childbirth have been industrialized side by side during the 20th century - with dramatic and disturbing consequences. The similarities are striking. In both cases innovations have been presented as the long awaited solution to an old problem: the advent of powerful synthetic insecticides has, overnight, dramatically reduced the costs and increased agricultural productivity; the advent of the modern safe technique of caesarean section has offered serious new reasons to create gigantic obstetrical departments. In both spheres a small number of skeptics voiced doubts and fears concerning the negative long-term consequences of the widespread use of novel, little tested practices; although these repeated warnings initially went unheeded, they have motivated the development of "alternative" approaches and movements. At the turn of the new century the history of industrialized farming has suddenly speeded up. A collective global awareness has been sparked by a series of disasters, particularly "mad cow" and foot and mouth diseases. Industrialized childbirth has not yet reached the same phase of its history, but the parallels between these two industries suggest that there is more to link the farmer and the obstetrician than we had all realized..

Il libro tocca lo scottante tema della valutazione e quanto la mala comprensione di essa influenzi la crescita dello studente, non solo a scuola, ma durante tutta la vita. Partendo da esperienze personali, il testo percorre l'analisi dei sistemi e criteri di giudizio scolastici, il rapporto tra famiglie e insegnanti e il bisogno di una scuola che ponga l'alunno e le sue esigenze d'apprendimento e sviluppo personale al primo posto. Un libro rivolto agli adulti - genitori o insegnanti che siano - per approcciarsi al mondo degli studenti da un altro punto di vista.

I Love You Always

Wolfgang Wildgen presents three perspectives on the evolution of language as a key element in the evolution of mankind in terms of the development of human symbol use. (1) He approaches this question by constructing possible scenarios in which mechanisms necessary for symbolic behavior could have developed, on the basis of the state of the art in evolutionary anthropology and genetics. (2) Non-linguistic symbolic behavior such as cave art is investigated as an important clue to the developmental background to the origin of language. Creativity and innovation and a population's ability to integrate individual experiments are considered with regard to historical examples of symbolic creativity in the visual arts and natural sciences. (3) Probable linguistic 'fossils' of such linguistic innovations are examined. The results of this study allow for new proposals for a 'protolanguage' and for a theory of language within a broader philosophical and semiotic framework, and raises interesting questions as to human consciousness, universal grammar, and linguistic methodology. (Series B)

Inside the Antisemitic Mind

I, Geronimo Stilton, was called to the Kingdom of Fantasy for the ninth time! Blossom, Queen of the Fairies, had disappeared, along with three powerful magical objects: The Book of a Thousand Spells, the Crystal Sphere, and the Whispering Wand. If those objects ended up in the wrong hands, they could destroy the whole realm! Accompanied by new, magical friends, I had to cross horrifying kingdoms full of spiders and snakes before facing a terrible evil wizard. Squeak! Could I make it in time to save Blossom -- and the entire Kingdom of Fantasy?

Benvenuto fratellino, benvenuta sorellina. Favorire l'accoglienza del nuovo nato e la relazione

tra fratelli. Ediz. ampliata

Pietra miliare tra gli studi montessoriani finalmente è di nuovo disponibile il testo fondamentale per chiunque si interessi alla vita e al pensiero della pedagoga italiana. Il pensiero e le esperienze della pedagoga italiana Maria Montessori hanno continuato a vivere, costituendo modello e spunto per imprese scolastiche e pedagogiche che vanno ben oltre le Case dei Bambini. Questo saggio, fondamentale per approfondire il pensiero di Maria Montessori, è una raccolta di scritti della stessa Montessori, accompagnata da testimonianze di discepoli, amici, studiosi di fenomeni formativi e personaggi di cultura; è una selezione di resoconti di iniziative e realizzazioni e di documentazioni di "scuole" montessoriane sparse nel mondo e frequentate da allievi di varia età. Filo conduttore del volume sono le idee della pedagoga, scandite secondo un ordine evolutivo, colte e lette nella loro vitalità, presentate nelle variazioni progettuali e istituzionali che hanno suscitato. Il volume è curato da Grazia Honegger Fresco che da anni, in nome di un approccio montessoriano arricchito da apporti diversi, forma educatori della prima e primissima infanzia. La curatrice si interroga, partendo da un corpus ben identificabile di idee e di pratiche, sui rapporti tra proposta teorica e iniziativa pedagogica di una dottrina sempre più condivisa dagli insegnanti.

Mindfulness per genitori

If you choose to share 'the facts of life' with children at a young age, this is the perfect book to do so. It gently guides the reader through each stage of a child's development within the womb with charming illustrations and simple explanations, inviting lots of discussion and providing answers to all those questions. Shortlisted for the Junior Science Book Award (now the Royal Society's Science Prize).
