### **Single, Gay, Christian**

Jacob and Solomon were polygamists. Tamar and Rahab were prostitutes. What are polygamists and prostitutes doing on the pages of Holy Scripture? And God told the prophet Hosea to marry a prostitute. What about Cain—did he really marry his sister? Abraham did, and he was also a polygamist. Lot offered his daughters up for rape, David committed adultery (or rape?) and the Bible calls both men righteous. Love, Old Testament style, was bizarre. As readers of the Old Testament encounter these weird, confusing, and horrific “love” stories they ask, “What’s up with sex in the Old Testament?” The church often ignores the R-rated bits of the Bible, so it’s hard for people to find answers to their disturbing questions about sex in Scripture, which can lead people to give up on God and God’s word. However, these stories were included in the Bible for a reason, to reveal an even more shocking “love” story. When humans behave badly, God behaves graciously. God not only forgives people with sexual baggage, but also redeems their lives and includes them in his mission. God’s word records their story to benefit us. Just as sex was not often ideal in the Old Testament, it’s often not ideal today. Instead of ignoring these stories, Prostitutes and Polygamists engages, discusses, and learns from them.

### **The Bible and Homosexual Practice**

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

### **Prostitutes and Polygamists**

Justin Lee, a gay man and devout Christian, bridges the gaps between his faith and sexuality in this insightful and touching memoir. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed "God Boy" by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the "ex-gay" movement, and his in-depth study of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, *TORN* provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that "in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace," Lee demonstrates that people of faith on both sides of the debate can respect, learn from, and love one another.

## **Pray the Gay Away**

"God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled*

As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as:

- Do biblical teachings on the marriage covenant preclude same-sex marriage or not?
- How should we apply the teachings of Jesus to the gay debate?
- What does the story of Sodom and Gomorrah really say about human relationships?
- Can celibacy be a calling when it is mandated, not chosen?
- What did Paul have in mind when he warned against same-sex relations?

Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian. From the Hardcover edition.

## **Slaves, Women & Homosexuals**

A placard carried in the San Diego Gay Parade said it all: "He's your God. They're your rules. You go to Hell." Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other "sexual sinners" to prove they are immoral is equally unsuccessful, if not destructive. For the sake of

our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear (and beautiful) design for sex as a spiritual expression. Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool.

## **Can You Be Gay and Christian?**

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

## **The Gay Bible**

In this updated edition of *A Strong Delusion*, author and counselor Joe Dallas helps readers understand what pro-gay theology is and how to confront it. In a biblical manner, Dallas examines believers' personal responses and the need for bold love and commitment as they become familiar with the movement's background and beliefs study a clear, scriptural response to each belief extend Christ's love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community. It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro-gay Christian movement.

## **Two Views on Homosexuality, the Bible, and the Church**

The Dick Book is the ultimate gay guidebook that provides the answers to all those questions about the 'little willy'. Competent advice, facts and trivia worth knowing will help readers get their cocks in top shape. The Dick Book is open-minded, and of course it's richly illustrated. And don't forget: For those who really want to have fun, they need to know what makes their dicks trick.

## **What the Bible Really Says about Homosexuality**

It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view. So is God homophobic? And what do we say, and how do we relate to both Christians and non Christians who experience same-sex attraction. In this short, simple book, Sam Allberry wants to

help confused Christians understand what God has said about these questions in the scriptures, and offers a positive and liberating way forward through the debate.

## **Is God Anti-Gay?**

"A pastor with an unforgettable inside story shows evangelicals how to nurture healthy, respectful, and biblically informed relationships with people in the LGBT community"--

## **The Bible of Gay Sex**

No issue is more divisive or more pressing for the church today than homosexuality. *Two Views on Homosexuality, the Bible, and the Church* brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars—well accomplished in their fields and conversant in issues of sexuality and gender—articulate and defend each of the two views: Affirming view William Loader Megan K. DeFranza Traditional view Wesley Hill Stephen R. Holmes Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters, and yet maintain a respectful and humanizing posture toward one another. Even as these scholars articulate pointed arguments for their position with academic rigor and depth, they do so cordially, clearly, and compassionately, without demeaning the other. The main essays are followed by exceptionally insightful responses and rejoinders that interact with their fellow essayists with convicted civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people—especially those most affected by this topic—the contributors wrestle deeply with the Bible and theology, especially the prohibition texts, the role of procreation, gender complementarity, and pastoral accommodation. The book concludes with general editor Preston Sprinkle's reflections on the future of discussions on faith and sexuality.

## **Messy Grace**

In an age where neither society nor the church knows what to do with gay Christians, Greg Coles shares his story—a story about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. This honest, hopeful account shows life through one man's eyes and assures all people: "You are not a mistake."

## **The Complete Christian Guide to Understanding Homosexuality**

2013 Finalist for the Lambda Literary Awards, LGBT Studies category In the Bible Belt, it's common to see bumper stickers that claim One Man + One Woman = Marriage, church billboards that command one to "Get right with Jesus," letters to the editor comparing gay marriage to marrying one's dog, and nightly news about homophobic attacks from the Family Foundation. While some areas of the Unites

States have made tremendous progress in securing rights for gay people, Bible Belt states lag behind. Not only do most Bible Belt gays lack domestic partner benefits, lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual. In *Pray the Gay Away*, Bernadette Barton argues that conventions of small town life, rules which govern Southern manners, and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt. She explores how conservative Christian ideology reproduces homophobic attitudes and shares how Bible Belt gays negotiate these attitudes in their daily lives. Drawing on the remarkable stories of Bible Belt gays, Barton brings to the fore their thoughts, experiences and hard-won insights to explore the front lines of our national culture war over marriage, family, hate crimes, and equal rights. *Pray the Gay Away* illuminates their lives as both foot soldiers and casualties in the battle for gay rights.

## **God and the Gay Christian**

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

## **Desiring God**

There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating analysis that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05).

## **Scripture, Ethics, and the Possibility of Same-Sex Relationships**

In this brief book, two New Testament scholars discuss the relevant biblical texts on the subject of homosexual behavior and orientation.

## **The Bible's Yes to Same-Sex Marriage**

In the early 2000s, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church. In *The Bible's Yes to Same-Sex Marriage*, Achtemeier shares what led to his change of heart: the

problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for the lesbian, gay, bisexual, and transgender (LGBT) community. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message about LGBT persons. Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike.

## **Sex and the Sacred**

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

## **Torn**

WHEN IT COMES TO SAME-SEX RELATIONSHIPS, this book by Karen Keen contains the most thoughtful, balanced, biblically grounded discussion you're likely to encounter anywhere. With pastoral sensitivity and respect for biblical authority, Keen breaks through current stalemates in the debate surrounding faith and sexual identity. The fresh, evenhanded reevaluation of Scripture, Christian tradition, theology, and science in Keen's *Scripture, Ethics, and the Possibility of Same-Sex Relationships* will appeal to both traditionalist and progressive church leaders and parishioners, students of ethics and biblical studies, and gay and lesbian people who often feel painfully torn between faith and sexuality.

## **Homosexuality and the Bible**

In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic and the seeker, the certain and the confused—to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

## **The God of Sex**

Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue. In *People to Be Loved*, Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it. In a manner that appeals to a scholarly and lay-audience alike, Preston takes on difficult questions such as how should the church treat people struggling with same-sex attraction? Is same-sex attraction a product of biological or societal factors or both? How should the church think about larger cultural issues, such as gay marriage, gay pride, and whether intolerance over LGBT amounts to racism? How (or if) Christians should do business with LGBT persons and supportive companies? Simply saying that the Bible condemns

homosexuality is not accurate, nor is it enough to end the debate. Those holding a traditional view still struggle to reconcile the Bible's prohibition of same-sex attraction with the message of radical, unconditional grace. This book meets that need.

## **Blow Me!**

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

## **All But Invisible**

This volume by William J. Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them.

## **People to Be Loved**

Finally there is a book that tells you what you need to know about gay sex. This book informs you about everything you need to know, whether it's dating, health, the best ways to relax or the responsible use of stimulants.

## **Shocked by the Bible**

What does it mean to be gay and a Christian? Beginning with how the Bible describes the Church, author Nate Collins outlines a vision for community life that challenges Christians to examine obstacles that inhibit spiritual unity. This new vision calls straight and non-straight believers alike to patterns of Christian obedience that respect and honor their similarities and differences. In addition, Collins provides a theological framework for understanding how Genesis 1-2 describes both gender and sexuality. He then unpacks biblical concepts like desire, lust, and temptation, and applies them to modern constructs like sexual attraction and orientation. Collins explores the theme of identity, focusing on facets of personal identity that are central to the experience of Christian gender minorities. He looks at what Scripture says about the formation and function of Christian identity, highlighting several theological and sociological tensions. Collins writes for believers who have a traditional sexual ethic and provides a compelling vision of gospel flourishing for gay, lesbian, and other same-sex attracted individuals.

## **The Gay Gospel?**

Many Christians are grasping for an appropriate response to this hot-button issue. The balance between demonstrating the grace and kindness of God and yet acknowledging biblical truth regarding homosexual behavior is a delicate one. But there are answers to this dilemma. It is possible to extend God's love toward those with same-sex attractions. And a first step toward offering hope and support is learning more about homosexuality. These questions and many more are answered in this authoritative and comprehensive guide to homosexuality from a Christian perspective, written by authors who are not only experts on homosexuality but also have the necessary personal experience to bring the compassionate touch of Christ to their research

## **The Bible and Sexual Violence Against Men**

\*Is there a place for celibate, gay Christians in the church? \*How do the gospel, holiness, and indwelling sin play out in the life of a Christian experiencing same-sex attraction? And how do brothers and sisters in Christ show love to them? Wesley Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy. What does it mean for gay Christians to be faithful to God while struggling with the challenge of their homosexuality? What is God's will for believers who experience same-sex desires? Those who choose celibacy are often left to deal with loneliness and the hunger for relationships. How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt? Weaving together reflections from his own life and the lives of other Christians, such as Henri Nouwen and Gerard Manley Hopkins, Hill offers a fresh perspective on these questions. He advocates neither unqualified "healing" for those who struggle nor accommodation to temptation, but rather faithfulness in the midst of brokenness.

## **The Bible, Christianity, & Homosexuality**

Show me your cock and I'll tell you who you are!

## **Holy Sexuality and the Gospel**

Stephan Niderwieser takes it back to the basics, back to the art of masturbation. He puts the focus on the individual's own fantasies and instincts. Even though masturbation is the type of sex practised most often, it is the least discussed. Niderwieser offers clear and humorous instructions on the best way to enjoy oneself.

## **The Bible and Homosexual Practice**

Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

## **Costly Obedience**

This book is RAW and UNEDITED so the message doesn't get changed. This version of the bible is one author's perspective of the LOVE God has for all, especially directed toward the Lesbian, Gay, Bi, and Transgender people. It is so telling that this author has had people attempt to kill her. You MUST read for yourself!!!

## **Do it Yourself**

Greg Gutfeld, the acclaimed host of the popular, nightly Fox News show Red Eye, has packed this book full of his most aggressive (and funny) diatribes -- each chapter exploring Unspeakable Truths that cut right to the core and go well beyond just politics. Greg deconstructs pop culture, media, kids, disease, race, food, sex, celebrity, current events, and nearly every other aspect of life, with Truths including but not limited to: "if you're over 25 and still use party as a verb, then you're beyond redemption," "the media wanted bird flu to kill thousands," "attractive people don't write for a living," "death row inmates make the best husbands," and "the urge to punch Zach Braff in the face is completely natural." With an irreverent voice, incredible wit, and a firm take on just about everything, this is a manual for how to think about stuff, by a guy who has thought about precisely that same stuff. And, even if you disagree with Greg, this book will make you laugh--guaranteed.\* \*Not guaranteed

## **Bible, Gender, Sexuality**

At least 1 in 6 men have experienced some form of sexual violence. The Bible and Sexual Violence Against Men argues that the shame and stigma around male sexual abuse are interwoven with contemporary social and cultural concepts of masculinity, and are also found in the ancient world and biblical texts themselves. This book is interdisciplinary and has three main areas of exploration: #MenToo? Exploring the myths around sexual violence against men Sexual violence against men in the Hebrew Bible Reading Jesus' enforced nudity at the crucifixion as sexual violence. Given the enduring importance of the Bible in contemporary society, this book explores the biblical texts that depict sexual violence against men. It examines critical approaches from theology, biblical, and religious studies perspectives, while also exploring insights from the fields of sociology, psychology, and criminology as well as referring to legal cases and legislation, charity work, and media-focussed articles. In seeking to serve a number of interested readers, including those who are not familiar with the Bible, short summaries of the biblical texts under discussion are given in each case.

## **Washed and Waiting**

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling What the Bible Really Says about Homosexuality, looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In

particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. *Sex and the Sacred* combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. *Sex and the Sacred* presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay/lesbian/bisexual/transgender community, non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. *Sex and the Sacred* examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community

## **What Does the Bible Really Teach about Homosexuality?**

Though we often hear about the "gay problem" today, there is an even deeper problem in the church today--one that we often overlook. The call to follow Christ is a call to costly obedience for all, not just for gay Christians. Far too often, the church has elevated homosexuality above other sins and required a costly obedience from gays that it is unwilling to demand of others. And yet, the answer is not to weaken the demands of obedience. Instead, gay Christians who make the difficult choice to align their lives with the biblical view of sexuality are a gift to the church, reminding all of us that spiritual growth and maturity is costly. There is a price to pay in following Christ and devoting our lives to the call of the gospel, and it is one that we all must pay--gay and straight Christians alike. Through the stories and struggles of gay Christians who are reorienting their lives around the costly obedience required to follow Christ, Mark Yarhouse and Olya Zaporozhets call the church to reorient as well, leaving behind the casual morality that is widespread today to pursue the path of radical discipleship. Unlike any other book on homosexuality and the church, this is a call to examine your life and consider what God is asking you to lay down to take up your cross and follow him.

## **The Bible of Unspeakable Truths**

"I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age

nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

## **Gay Girl, Good God**

From the author of *Out of a Far Country*, which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone, comes a gospel-centered discussion of sex, desire, and relationships. Dr. Christopher Yuan explores the concept of holy sexuality--chastity in singleness or faithfulness in marriage--in a practical and relevant manner, equipping readers with an accessible yet robust theology of sexuality. Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself, this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all.

## **The Holy Bible**

## **The Dick Book**

*Bend Over* is a comprehensive, user-friendly guide to the unique pleasures of anal sex.

## **Bend Over!**

How well do you really know the Bible? For instance, guess how many doves were aboard Noah's Ark. The answer is not two. And guess on which day the Bible says Jesus died. Believe it or not, the Good Book doesn't mention Friday, and even more surprisingly, while the Bible says Jesus rose from the grave, it does not say it occurred Sunday morning. Remember, Jesus' followers found an empty tomb then. But don't feel bad if you've always assumed otherwise. Like countless millions of people, you've just been misinformed, misled or even (dare we say) lied to about what the Bible actually says. In a stunning investigation, news veteran Joe Kovacs goes on a mission to help both Christians and non-Christians alike find out what the Bible really contains, and what it doesn't. "Shocked by the Bible: The Most Astonishing Facts You've Never Been Told" is an educational juggernaut that relies solely on the Holy Bible to reveal hundreds of Scriptural facts that many people of all persuasions simply don't know. The book instantly skyrocketed to the No. 1 position in three Bible-related categories on Amazon.com. "I'm among the biggest fans of the Bible of all time," says Kovacs. "My goal is to educate people about the solid truth of Scripture and to stop the spread of erroneous information. I want people to crack open their Bibles and see with their own eyes what's actually printed on the pages, and what's not. It's shocking!" According to Scripture, you won't find "Three Wise Men" mentioned anywhere in the story of Jesus' birth. For that matter, none are said to have shown up at the manger in Bethlehem. The truth straight from your own Bible is that an unspecified number of wise men first

met Jesus as a "young child" in a "house," not a babe in a manger, and it might have been more than a year after He was born. Go ahead, look it up for yourself. Also according to Scripture, you won't find a single mention of Easter eggs, but you will find God warning His people not to have anything to do with a pagan fertility goddess, whose name is synonymous with "Easter." "Yes, I'm a Bible-believing Christian," says Kovacs. "But I'm not here to convert anyone. People are free to believe whatever they wish and can come to their own conclusions. I just want to show them the biblical record is often very different from what many assume. Not only will Christians love this book, but I think Jews, Muslims and even agnostics and atheists will get a kick out of it as well." When the veil of presumption is removed and people see the words that are actually on the Bible's pages, readers will discover: Jesus said no one has gone to heaven except Himself "Christmas" is not mentioned in the Bible The practice of decorating a tree with silver and gold is actually condemned by God "Easter" has vanished from the Bible Jesus made appearances on Earth on the Old Testament God sought to kill Moses The destiny of human beings is not what you think (it's not to float around on clouds in heaven) God ran lotteries Jesus did not come to make everyone understand His message Noah's Ark is not said to have rested on "Mount Ararat" Noah, Abraham, Isaac and Jacob were not Jews Nagging wives are mentioned in Scripture Women's breasts are celebrated in the Bible There's a character in the Bible called a "dumb ass" Underwear didn't disintegrate despite 40 years of heavy use The worst case of hemorrhoids in history is recorded Endorsement: "If you think you really know the Bible, better think again. Joe Kovacs takes a close look at the greatest story ever told and separates myth from reality. My favorite parts of the book deal with Christmas and Easter. Check out 'Shocked by the Bible.' You may well be shocked."

- Bill O'Reilly, anchor, Fox News Channel
