Understand, confront, and walk in freedom from fear with renowned Bible teacher and New York Times bestselling author, Joyce Meyer. Fear will never entirely disappear from your life, but you can confront and overcome it! Courage isn't the absence of fear; it is moving forward in the presence of fear. Courageous people do what they believe in their hearts they should do, no matter how they feel or what doubts fill their minds. In *DO IT AFRAID*, Joyce Meyer explains that fear is everywhere and affects everyone. It rules many people, but it doesn't have to be that way. The first portion of this book will help you understand fear and recognize how it works in your life, and the second will help you confront fear. In the third section, you will learn about mindsets that will position you for freedom from some of the most common fears people face. Fear is the devil's favorite tool in the toolbox of schemes he uses to destroy God's good plan for you. He uses it to hold you back and prevent progress in every area of your life. That is why you must take ownership of your problems and open your heart to God. He will help bring light into darkness. If you can understand fear and how it operates, you can be free from it!

CEN Review Book and Study Guide 2019-2020

You believe Jesus is God. But do you also think of him as a real person? For thirty-three years Jesus felt everything that we have ever felt: weakness, weariness, rejections. His feelings got hurt. His feet grew tired. His head ached. To think of Jesus in such terms almost seems irreverent. It is much easier to keep the humanity out of the incarnation. Clean up the manure from around the manger. Pretend he never snored or hit his thumb with a hammer. There is something about keeping Jesus divine that keeps him distant, packaged, and predictable. But we have to remember that the people who saw Jesus first . . . saw him first as a person. As Max Lucado reveals in this video Bible study, because Jesus became human, it is now possible for us to see God and hear his voice. If we want to know what matters to God, all we need to do is look in the Bible to see what matters to Jesus. If we want to know what God is doing in our world, we need only ponder the words of Jesus. By learning more about the person Jesus was and is, we come to understand more clearly the people we were created to be. Jesus inspires us to spend time at the foot of the cross and search the heart of the one who would rather die for us than live without us. The Jesus Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions include: God with Us Friend of Sinners Compassionate Physician Great Teacher Miracle Worker Victorious Sacrifice Designed for use with the Jesus Video Study (9780310105855); sold separately.
