“The Jedi are keepers of the peace. We are not soldiers.”—MACE WINDU, *Star Wars: Episode II: Attack of the Clones* Mace Windu is a living legend: Jedi Master, senior member of the Jedi Council, skilled diplomat, devastating fighter. Some say he is the deadliest man alive. But he is a man of peace—and for the first time in a thousand years, the galaxy is at war. Now, following the momentous events climaxing in the Battle of Geonosis, Master Mace Windu must undertake a perilous homecoming to his native world—to defuse a potentially catastrophic crisis for the Republic . . . and to confront a terrifying mystery with dire personal consequences. The jungle planet of Haruun Kal, the homeworld Mace barely remembers, has become a battleground in the increasing hostilities between the Republic and the renegade Separatist movement. The Jedi Council has sent Depa Billaba—Mace’s former Padawan and fellow Council member—to Haruun Kal to train the local tribesmen as a guerilla resistance force, to fight against the Separatists who control the planet and its strategic star system with their droid armies. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle . . . a recording in Depa’s own voice. Mace Windu trained her. Only he can find her. Only he can learn what has changed her. Only he can stop her. Jedi were never intended to be soldiers. But now they have no

choice. Mace must journey alone into the most treacherous jungle in the galaxy—and into his own heritage. Thrawn: the Ascendancy Trilogy #1

In the New York Times bestseller *Darth Bane: Path of Destruction*, Drew Karpysyn painted a gripping portrait of a young man's journey from innocence to evil. That man was Darth Bane, a twisted genius whose iron will, fierce ambition, and strength in the dark side of the Force made him a natural leader among the Sith—until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order . . . and create it anew from the ashes. As the last surviving Sith, Darth Bane promulgated a harsh new directive: the Rule of Two. Two there should be; no more, no less. One to embody the power, the other to crave it. Now Darth Bane is ready to put his policy into action, and he thinks he has found the key element that will make his triumph complete: a student to train in the ways of the dark side. Though she is young, Zannah possesses an instinctive link to the dark side that rivals his own. With his guidance, she will become essential in his quest to destroy the Jedi and dominate the galaxy. But there is one who is determined to stop Darth Bane: Johun Othone, Padawan to Jedi Master Lord Hoth, who died at Bane's hands in the last great Sith War. Though the rest of the Jedi scoff at him, Joshua's belief that there are surviving Sith on the loose is unshakeable. As Johun continues his dogged pursuit of the man who killed his master, Zannah, faced unexpectedly with a figure from her past, begins to question her embrace of the dark side. And Darth Bane is led by Force-induced visions to a moon where he will acquire astonishing new knowledge and power—power that will alter him in ways he could never have imagined. . . . Trapping Zero (An Agent Zero Spy Thriller—Book #4)

Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book. Green Arrow Vol. 9: Old Tricks

Thousands of years before the rise of Darth Sidious and Darth Vader, the Old Republic was rife with the evil Sith, who were a constant thorn in the side of the Jedi. But greed and hunger for power were eating away at the Sith Order, destroying it from within. In the midst of this rose a new Sith, Darth Bane, who recognized that the Sith Order would fall if nothing was done. Thus it was he who, learning to cultivate patience and cunning, hid from the strife until it was over, and then rose to become the most powerful Sith Lord ever. This is the story of the transformation of Des, a young miner, into the legendary Sith Lord Darth Bane. Des - like many of the disenfranchised who live on the Outer Rim - is disillusioned with the stagnancy of the Old Republic. When the Sith unite to bring the Republic down, Des is one of many to join their cause. His heroism and skill in battle - along with his remarkable connection to the Force - draw the notice of the Sith Masters, and Des eventually finds himself studying at the Sith Academy on Korriban. He takes the name of Bane and, amidst the deception and backstabbing of the other students, he learns to unlock his latent dark-side talents. As his power grows, Bane realizes the Sith have lost their way. Under the leadership of Lord Kaan and his Brotherhood of Darkness, the Sith have turned their back on the true nature of the dark side. Through manipulation, cunning and strength, Bane destroys Kaan's Brotherhood and wipes out all the other Sith so he can found a new Order based on the rule of two: one Master, one apprentice.

Before the Storm

Once the Sith order teemed with followers. But their rivalries divided them in endless battles for supremacy. Until one dark lord at last united the Sith in the quest to enslave the galaxy—and exterminate the Jedi. Yet it would fall to another, far more powerful than the entire Brotherhood of Darkness, to ultimately realize the full potential of the Sith, and wield the awesome power of the dark side as never before. Since childhood, Dessel has known only the abuse of his hateful father and the

dangerous, soul-crushing labor of a cortosis miner. Deep in the tunnels of the desolate planet Apatros, endlessly excavating the rare mineral valued throughout the galaxy, Dessel dreams of the day he can escape—a day he fears may never come. But when a high-stakes card game ends in deadly violence, Dessel suddenly finds himself a wanted man. On the run from vengeful Republic forces, Dessel vanishes into the ranks of the Sith army, and ships out to join the bloody war against the Republic and its Jedi champions. There, Dessel's brutality, cunning, and exceptional command of the Force swiftly win him renown as a warrior. But in the eyes of his watchful masters, he is destined for a far greater role in the ultimate Sith plan for the galaxy—if he can prove himself truly worthy. As an acolyte in the Sith academy, studying the secrets and skills of the dark side at the feet of its greatest masters, Dessel embraces his new Sith identity: Bane. However the true test is yet to come. In order to gain acceptance into the Brotherhood of Darkness one must fully surrender to the dark side through a trial by fire that Bane, for all his unquenchable fury and lust for power, may not be strong enough to endure . . . especially since deception, treachery, and murder run rampant among the Sith disciples, and utter ruthlessness alone is the key to survival. Only by defying the most sacred traditions, rejecting all he has been taught, and drawing upon the long-forgotten wisdom of the very first Sith can Bane hope to triumph—and forge from the ashes of that which he must destroy a new era of absolute dark power. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Shield of Lies

Received with enormous buzz and anticipation, Joe Schreiber's Star Wars: Death Troopers was the first time the Star Wars galaxy entered the realm of horror. Seth Grahame-Smith, New York Times bestselling author of *Pride and Prejudice* and *Zombies*, called it "the Star Wars of every horror fan's dreams--gory, funny, and brimming with a blood-spattered cast of swashbucklers and space-zombies." Now the horror continues in a whole new adventure bringing Sith and Jedi both face to face with the undead in the dark times of the Old Republic

Darth Bane Path of Destruction

Twenty years have passed since Darth Bane, reigning Dark Lord of the Sith, demolished the ancient order devoted to the dark side and reinvented it as a circle of two: one Master to wield the power and pass on the wisdom, and one apprentice to learn, challenge, and ultimately usurp the Dark Lord in a duel to the death. But Bane's acolyte, Zannah, has yet to engage her Master in mortal combat and prove herself a worthy successor. Determined that the Sith dream of galactic domination will not die with him, Bane vows to learn the secret of a forgotten Dark Lord that will assure the Sith's immortality--and his own. A perfect opportunity arises when a Jedi emissary is assassinated on the troubled mining planet Doan, giving Bane an excuse to dispatch his apprentice on a fact-finding mission--while he himself sets out in secret to capture the ancient holocron of Darth Andeddu and its precious knowledge. But Zannah is no fool. She knows that her ruthless Master has begun to doubt her, and she senses that he is hiding something crucial to her future. If she is going to claim the power she craves, she must take action now. While Bane storms the remote stronghold of a fanatical Sith cult, Zannah prepares for her Master's downfall by choosing an apprentice of her own: a rogue Jedi cunning and cold-blooded enough to embrace the Sith way and to stand beside her when she at last wrests from Bane the mantle of Dark Lord of the Sith. But Zannah is not the only one with the desire and power to destroy Darth Bane. Princess Serra of the Doan royal family is haunted by memories of the monstrous Sith soldier who murdered her father and tortured her when she was a child. Bent on

retribution, she hires a merciless assassin to find her tormentor— and bring him back alive to taste her wrath. Only a Sith who has taken down her own Master can become Dark Lord of the Sith. So when Bane suddenly vanishes, Zannah must find him—possibly even rescue him—before she can kill him. And so she pursues her quarry from the grim depths of a ravaged world on the brink of catastrophe to the barren reaches of a desert outpost, where the future of the dark side’s most powerful disciples will be decided, once and for all, by the final, fatal stroke of a lightsaber. The once self-contained world has long since been co-opted by unscrupulous offworlders, whose plunder of a vital natural resource has enabled the rise of a powerful corporation that controls the economy. Ord Cestus’s native population, the X’Ting, are now mere second-class citizens in their own society. Enter the Jedi Knight, with news that a legal technicality has turned the tables—and the corrupt forces with a stranglehold on Ord Cestus are now at the mercy of the X’Ting. Circumstances, however, are more dire than the Republic suspected. In the wake of a devastating plague, the X’Ting’s benevolent rulers are dead, and the once tightly knit race has splintered into battling factions. Reunification can only come with the rise of new royals, whom all X’Ting are bound by blood to serve. But the eggs that will spawn those sovereigns lie out of reach, secured in a secret chamber and booby-trapped by those whose knowledge died with them in the plague. Now, to salvage a people’s destiny, Obi-Wan will risk a veritable descent into hell: braving the unknown horrors in the forgotten depths of an alien world, on a perilous quest from which none who went before have ever returned.

The bravest soldiers. The toughest warriors. The ultimate survivors. Among the stars and across the vast expanses of space, the Galactic Civil War rages. On the battlefields of multiple worlds in the Mid Rim, legions of ruthless stormtroopers—bent on crushing resistance to the Empire wherever it arises—are waging close and brutal combat against an armada of freedom fighters. In the streets and alleys of ravaged cities, the front-line forces of the Rebel Alliance are taking the fight to the enemy, pushing deeper into Imperial territory and grappling with the savage flesh-and-blood realities of war on the ground. Leading the charge are the soldiers—men and women, human and nonhuman—of the Sixty-First Mobile Infantry, better known as Twilight Company. Hard-bitten, war-weary, and ferociously loyal to one another, the

members of this renegade outfit doggedly survive where others perish, and defiance is their most powerful weapon against the deadliest odds. When orders come down for the rebels to fall back in the face of superior opposition numbers and firepower, Twilight reluctantly complies. Then an unlikely ally radically changes the strategic equation—and gives the Alliance’s hardest-fighting warriors a crucial chance to turn retreat into resurgence. Orders or not, alone and outgunned but unbowed, Twilight Company locks, loads, and prepares to make its boldest maneuver—trading down-and-dirty battle in the trenches for a game-changing strike at the ultimate target: the very heart of the Empire’s military machine. Praise for *Battlefront: Twilight Company* “A novel that ties in to a video game based on a sprawling sci-fi franchise shouldn’t be this good. . . . *Battlefront: Twilight Company* effortlessly thrusts readers onto the frontlines of the Galactic Civil War in a gripping tale.”—*New York Daily News* “Compelling . . . an entertaining journey through a galaxy in turmoil . . . *Battlefront: Twilight Company* explores what happens to the cannon fodder fighting and dying in the background of space opera’s cinematic action sequences. Focusing on the life of a few low-ranking Rebel grunts caught up in a vast interstellar conflict, the novel is an enjoyable tale of interstellar adventure and drama.”—*IGN* “Satisfyingly complex, immersive and moving . . . a war story unlike any Star Wars book that’s come before it.”—*Roqoo Depot* “A military thriller [with] some pretty impressive actions scenes [and] the lived-in, gritty feel of the original trilogy . . . [Alexander] Freed shows us the military side of the Star Wars universe in a way that we haven’t seen much before, while also giving readers new perspectives on classic characters and moments.”—*Tech Times* “*Twilight Company* is one of the greatest Star Wars stories ever about someone doggedly, cynically coming to understand why acting according to the light side is important.”—*Den of Geek* “The strongest canon piece of Star Wars literature thus far . . . sure to be a fan-pleasing favorite . . . Explosive action scenes and dark humor only punctuate this character-driven tale [with] heavy world-building and cameos from other characters throughout the Star Wars pantheon.”—*Alternative Nation*
