Smart Money Smart Kids

Why is it so hard to make lasting changes in our companies, in our communities, and in our own lives? The primary obstacle is a conflict that's built into our brains, say Chip and Dan Heath, authors of the critically acclaimed bestseller *Made to Stick*. Psychologists have discovered that our minds are ruled by two different systems - the rational mind and the emotional mind—that compete for control. The rational mind wants a great beach body; the emotional mind wants that Oreo cookie. The rational mind wants to change something at work; the emotional mind loves the comfort of the existing routine. This tension can doom a change effort - but if it is overcome, change can come quickly. In *Switch*, the Heaths show how everyday people - employees and managers, parents and nurses - have united both minds and, as a result, achieved dramatic results:

- The lowly medical interns who managed to defeat an entrenched, decades-old medical practice that was endangering patients
- The home-organizing guru who developed a simple technique for overcoming the dread of housekeeping
- The manager who transformed a lackadaisical customer-support team into service zealots by removing a standard tool of customer service

In a compelling, story-driven narrative, the Heaths bring together decades of counterintuitive research in psychology, sociology, and other fields to shed new light on how we can effect transformative change. *Switch* shows that successful changes follow a pattern, a pattern you can use to make the changes that matter to you, whether your interest is in changing the world or changing your waistline.

Intensity-Modulated Radiation Therapy

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-

control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

The Financial Peace Planner

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

I Will Teach You to Be Rich, Second Edition

Why is paying for things painful? Why are we comfortable overpaying for something in the present just because we've overpaid for it in the past? Why is it easy to pay \$4 for a soda on vacation, when we wouldn't spend more than \$1 on that same soda at our local grocery store? We think of money as numbers, values, and amounts, but when it comes down to it, when we actually use our money, we engage our hearts more than our heads. Emotions play a powerful role in shaping our financial behavior, often making us our own worst enemies as we try to save,

access value, and spend responsibly. In *Dollars and Sense*, bestselling author and behavioral economist Dan Ariely teams up with financial comedian and writer Jeff Kreisler to challenge many of our most basic assumptions about the precarious relationship between our brains and our money. In doing so, they undermine many of personal finance's most sacred beliefs and explain how we can override some of our own instincts to make better financial choices. Exploring a wide range of everyday topics—from the lure of pain-free spending with credit cards to the pitfalls of household budgeting to the seductive power of holiday sales—Ariely and Kreisler demonstrate how our misplaced confidence in our spending habits frequently leads us astray, costing us more than we realize, whether it's the real value of the time we spend driving forty-five minutes to save \$10 or our inability to properly assess what the things we buy are actually worth. Together Ariely and Kreisler reveal the emotional forces working against us and how we can counteract them. Mixing case studies and anecdotes with concrete advice and lessons, they cut through the unconscious fears and desires driving our worst financial instincts and teach us how to improve our money habits. The result not only reveals the rationale behind our most head-scratching financial choices but also offers clear guidance for navigating the treacherous financial landscape of the brain. Fascinating, engaging, funny, and essential, *Dollars and Sense* provides the practical tools we need to understand and improve our financial choices, save and spend smarter, and ultimately live better.

Financial Peace Junior

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

The Barefoot Investor

Pound Foolish

You are the same today as you'll be in five years except for two things, the people you meet and the books you read.

Everyday Millionaires

The author of *I Ain't Doin' It* and popular comedian Heather Land returns with a collection of laugh-out-loud, hilarious and unfiltered essays that explore the funny and inspirational moments in everyday life—perfect for fans of Jeff Foxworthy, Jen Hatmaker, and Jeannie Gaffigan. A popular social media comedian, Heather Land's reach includes more than 107 million engaged fans and followers who fill theaters at her stand-up events around the country, and who also fell in love with her first book *I Ain't Doin' It*. With her trademark Southern charm and sassy yet totally relatable tone, Heather shines a light on those ridiculous moments in our lives that also have the ability to teach us about ourselves. Whether she's joking about her crafting habit, revealing the hard truths of divorce, ranting about the challenges of being a single parent of teenagers, or getting real at the class reunion, Heather's message is that the more authentic we are, the more we connect with others. Heather hilariously encourages you to lighten up and focus on what's really important in life. Like a laughter-filled conversation with an old friend, *A Perfect 10* is a great gift to give to others or yourself.

Switch

Describes how a financial column assignment revealed to the author the unethical machinations of the multi-billion-dollar personal finance industry and its false promises of quick and easy wealth, explaining how everyday investors are routinely misled by self-proclaimed money experts who exploit clients to increase their own wealth.

The Total Money Makeover Workbook

The best of *The Minimalists*. This book by Joshua Fields Millburn & Ryan Nicodemus collects the most relevant essays—some short, some long—from their popular website, TheMinimalists.com. This collection has been edited and organized to create an experience that's considerably different from reading individual selections online. From simple living, decluttering, and finances, to passion, health, and relationships, *Essential* is for anyone who desires a more intentional life.

The Total Money Makeover

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-*

Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

The Money Book for the Young, Fabulous & Broke

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth—and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

The Money Answer Book

Right now, 70% of Americans aren’t passionate about their work and are desperately longing for meaning and purpose. They’re sick of “average” and know there’s something better out there, but they just don’t know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you’ve heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You’ll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you’ll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you’ll be prepared to take them.

Relating With Money

Clinical conformal radiotherapy is the holy grail of radiation treatment and is now becoming a reality through the combined efforts of physical scientists and engineers, who have improved the physical basis of radiotherapy, and the interest and concern of imaginative radiotherapists and radiographers. Intensity-Modulated Radiation Therapy describes in detail the physics germane to the development of a particular form of clinical conformal radiotherapy called intensity modulated radiation therapy (IMRT). IMRT has become a topic of tremendous importance in recent years and is now being seriously investigated for its potential to improve the outcome of radiation therapy. The book collates the state-of-the-art literature together with the author's personal research experience and that of colleagues in the field to produce a text suitable for new research workers, Ph.D. students, and practicing radiation physicists that require a thorough introduction to IMRT. Fully illustrated, indexed, and referenced, the book has been prepared in a form suitable for supporting a teaching course.

Clearing the Air One Nose at a Time

**** Fully reviewed and updated for the 2019-2020 financial year**** This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. So what makes this one different? Well, you won't be overwhelmed with a bunch of 'tips' or a strict budget (that you won't follow). You'll get a step-by-step formula: open this account, then do this; call this person, and say this; invest money here, and not there. All with a glass of wine in your hand. This book will show you how to create an entire financial plan that is so simple you can sketch it on the back of a serviette and you'll be able to manage your money in 10 minutes a week. You'll also get the skinny on: Saving up a six-figure house deposit in 20 months Doubling your income using the 'Trapeze Strategy' Saving \$78,173 on your mortgage and wiping out 7 years of payments Finding a financial advisor who won't rip you off Handing your kids (or grandkids) a \$140,000 cheque on their 21st birthday Why you don't need \$1 million to retire with the 'Donald Bradman Retirement Strategy' Sound too good to be true? It's not. This book is full of stories from everyday Aussies — single people, young families, empty nesters, retirees — who have applied the simple steps in this book and achieved amazing, life-changing results. And you're next.

Retire Inspired

A funny and heartfelt realistic middle-grade novel about friendship, family, and the

meaning of luck, from author Janice Erlbaum. Eighth-grader Emma Macintyre could use some good luck. The popular kids at her school ignore her, the boy she likes is out of her league, and her best friend has been ditching her for the mean girls. Worst of all, her beloved Aunt Jenny died recently, leaving Emma and her single mom reeling with grief. Then Emma receives a mysterious letter with no return address. The letter promises that ten lucky little things will happen to her over the next thirty days—she just has to make a list of what she wants. When the things on her list start coming true, she races to understand what’s happening. How does this lucky letter work? Who sent it? And what’s going to happen when the thirty days are done?

The Compound Effect

What’s the secret to becoming a millionaire? For years people have asked David Bach, the national bestselling author of *Smart Women Finish Rich*, *Smart Couples Finish Rich*, and *Start Late, Finish Rich* what’s the real secret to getting rich? What’s the one thing I need to do? Now, in the newly revised *The Automatic Millionaire*, expanded and updated, David Bach is sharing that secret. *The Automatic Millionaire* starts with the powerful story of an average American couple--he’s a low-level manager, she’s a beautician--whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at 55 with more than \$1 million in savings. Through their story you’ll learn the surprising fact that you cannot get rich with a budget! You have to have a plan to pay yourself first that is totally automatic, a plan that will automatically secure your future and pay for your present. What makes *The Automatic Millionaire* unique:

- You don’t need a budget
- You don’t need willpower
- You don’t need to make a lot of money
- You don’t need to be that interested in money
- You can set up the plan in an hour

David gives you a totally realistic system, based on timeless principles, with everything you need to know, including phone numbers, websites and apps, so you can put the secret to becoming an Automatic Millionaire in place from the comfort of your own home. This powerful little book has the potential to secure your financial future. Do it once--the rest is automatic! #1 New York Times bestseller with over 1.5 Million Copies Sold *The Automatic Millionaire* is one of the most popular financial books of our time. It was a runaway hit when it was first published in 2004, spending thirty-one weeks on the New York Times bestseller list and appearing at number one simultaneously on the New York Times, USA Today, BusinessWeek, and Wall Street Journal business bestseller lists. It has sold over 1.5 million copies and been translated around the world in over a dozen languages. This is the first update since 2005 and includes updated information on taxes, investments, technologies and apps to automate your financial life as well as David’s latest systems for making the entire process even easier.

The Proximity Principle

If you’re looking for practical information to answer all your “How?” “What?” and “Why?” questions about money, this book is for you. Dave Ramsey’s *Complete Guide to Money* covers the A to Z of Dave’s money teaching, including how to budget, save, dump debt, and invest. You’ll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of

all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!
