### The Healing

A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.

### The Untethered Soul (EasyRead Super Large 24pt Edition)

A young man embarks on a desperate search for the truth in this chilling, razor-sharp thriller Five years ago, Rosa walked to the pier in the dead of night, looked into the swirling water and jumped. She was a brilliant young Cambridge student who had just lost her father. Her death was tragic, but not unexpected. But is that what really happened? Her death was ruled a suicide. But Rosa's boyfriend, Jar, still can't let go. He sees Rosa everywhere--a face on the train, a figure on the cliff. He is obsessed with proving that she is still alive. And then he gets an email. "Find me, Jar. Find me, before they do" As Jar digs

into the past, he enters a dark underworld where nothing is as it seems and no one can be trusted. He is soon thrust into the heart of a larger intrigue that may finally shed some light on Rosa's death even as it dangerously threatens his own life.

### **The Mojito Diet**

"Gabriel García Márquez meets Umberto Eco meets Jorge Luis Borges for a sprawling magic show." --The New York Times Book Review A New York Times Bestseller Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War, and Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love. " Anyone who enjoys novels that are scary, erotic, touching, tragic and thrilling should rush right out to the nearest bookstore and pick up *The Shadow of the Wind*. Really, you should." --Michael Dirda, *The Washington Post* "Wonderous masterful *The Shadow of the Wind* is ultimately a love letter to literature, intended for readers as passionate about storytelling as its young hero." --*Entertainment Weekly* (Editor's Choice) "One gorgeous read." --Stephen King From the Trade Paperback edition.

### **LSD, My Problem Child**

An innovative self-help program draws on a multitude of sources--including folktales, the Bible, Eastern philosophy, and the Torah--to explain how to overcome unhealthy behavior patterns by emphasizing the concept of "self-dependence" to promote self-awareness, personal happiness, independence, and successful relationships with others. Reprint. 20,000 first printing.

### **The Shining**

EL CASO DE UN CIENTÍFICO A FAVOR DE LA VIDA DESPUÉS DE LA MUERTE Miles de personas han tenido experiencias cercanas a la muerte, pero los científicos han sostenido de que son imposibles. El doctor Eben Alexander era uno de esos científicos. Un neurocirujano altamente entrenado, Alexander sabía que las experiencias cercanas a la muerte se sienten reales, pero que simplemente son fantasías producidas por el cerebro bajo un estrés extremo. Luego, el cerebro del propio

doctor Alexander fue atacado por una extraña enfermedad. La parte del cerebro que controla los pensamientos y las emociones —y en esencia nos hace humanos— se le apagó por completo. Estuvo en coma durante siete días. Entonces, mientras sus médicos consideraban parar su tratamiento, los ojos de Alexander se abrieron. Volvió. La recuperación de Alexander es un milagro médico. Pero el verdadero milagro de su historia yace en otro lugar. Mientras su cuerpo estaba en coma, Alexander viajó más allá de este mundo y se encontró con un ser angelical que lo guió a los terrenos más profundos de la existencia suprafísica. Allí conoció a, y habló con, la fuente Divina del universo. La historia de Alexander no es una fantasía. Antes de comenzar su viaje, no podía reconciliar su conocimiento de la neurociencia con ninguna creencia del cielo, Dios ni el alma. Hoy en día, Alexander es un médico que cree que la verdadera salud se puede adquirir solo cuando nos damos cuenta de que Dios y el alma son reales y la muerte no es el final de la existencia personal, sino solo una transición. Esta historia sería extraordinaria sin importar a quién le haya ocurrido. Que le haya ocurrido al doctor Alexander la hace revolucionaria. Ningún científico ni persona de fe la podrá ignorar. Leerla te cambiará la vida.

## **Book of Souls**

## **The Seven Habits of Highly Effective People**

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

## **The Power of Self-Dependence**

In this thoroughly revised and updated 25th-anniversary edition of his now-classic work, John C. Maxwell reveals how to develop the vision, value, influence, and motivation required of successful leaders. Twenty-five years ago, John Maxwell published the book that forever transformed how we think about leadership. *Developing the Leader Within You* revolutionized the way leaders are made and in the process sold more than one million copies. Now John Maxwell returns to his classic text to include the leadership insights and practices he's learned in the decades since the book first appeared. Thoroughly revised and with two completely new chapters, this new edition updates the foundational principles for transformative leadership that Maxwell has used as a leader for more than 40 years. No matter what arena you are called to--family, church, business, nonprofit--the principles Maxwell shares will positively impact your own life and the lives of those around you. New readers as well as longtime fans of Maxwell and the original book won't want to miss out on this one.

## **How to Write a Thesis**

Umberto Eco's wise and witty guide to researching and writing a thesis, published in English for the first time. By the time Umberto Eco published his best-selling novel *The Name of the Rose*, he was one of Italy's most celebrated intellectuals, a distinguished academic and the author of influential works on semiotics. Some years before that, in 1977, Eco published a little book for his students, *How to Write a Thesis*, in which he offered useful advice on all the steps involved in researching and writing a thesis—from choosing a topic to organizing a work schedule to writing the final draft. Now in its twenty-third edition in Italy and translated into seventeen languages, *How to Write a Thesis* has become a classic. Remarkably, this is its

first, long overdue publication in English. Eco's approach is anything but dry and academic. He not only offers practical advice but also considers larger questions about the value of the thesis-writing exercise. *How to Write a Thesis* is unlike any other writing manual. It reads like a novel. It is opinionated. It is frequently irreverent, sometimes polemical, and often hilarious. Eco advises students how to avoid "thesis neurosis" and he answers the important question "Must You Read Books?" He reminds students "You are not Proust" and "Write everything that comes into your head, but only in the first draft." Of course, there was no Internet in 1977, but Eco's index card research system offers important lessons about critical thinking and information curating for students of today who may be burdened by Big Data. *How to Write a Thesis* belongs on the bookshelves of students, teachers, writers, and Eco fans everywhere. Already a classic, it would fit nicely between two other classics: *Strunk and White* and *The Name of the Rose*. Contents The Definition and Purpose of a Thesis • Choosing the Topic • Conducting Research • The Work Plan and the Index Cards • Writing the Thesis • The Final Draft

THE RECORD-BREAKING, #1 NEW YORK TIMES BESTSELLER – OVER 35 MILLION COPIES SOLD The first book by Wayne Dyer, author of the multimillion-copy bestseller *Pulling Your Own Strings* and national bestsellers *There's a Spiritual Solution to Every Problem* and *Wisdom of the Ages*, a positive and practical guide to breaking free from the trap of negative thinking and enjoying life to the fullest. If you're plagued by guilt or worry and find yourself unwittingly falling into the same old self-destructive patterns, then you have "erroneous zones" – whole facets of your approach to life that act as barriers to your success and happiness. Perhaps you believe that you have no control over your feelings and reactions – Dyer shows how you can take charge of yourself and manage how much you will let difficult times and people affect you. Or maybe you spend more time worrying what others think than working on what you want and need – Dyer points the way to true self-reliance. From self-image problems to over-dependence on others, Dyer gives you the tools you need to break free from negative thinking and enjoy life to the fullest.

Book of Souls picks up the action a year after the conclusion of the international sensation Library of the Dead. Will Piper's life has been forever changed by the astonishing secret he discovered hidden at the government's clandestine installation deep under the Nevada desert. His uneasy retirement from the FBI is interrupted when a long-missing book surfaces at an auction house in London. A group of ex-Area 51 employees recruits Will to assist them in obtaining the book and in helping them solve a mystery that will affect the fate of all mankind. As government operatives try to stop him, Will discovers the ancient missing volume has had a profound effect on history. Remarkably, a newly found puzzle sonnet by a young William Shakespeare seems to have been inspired by the book. As Will peels back the onion to solve a series of clues hidden in the poem, he finds the book has influenced not only Shakespeare but also the religious philosophy of John Calvin, the father of predestination, and the prophecies of the seer Nostradamus. When the final clue yields the ultimate secret, Will is forced to confront a truth which humanity may not be prepared to accept.

## **The Shadow of the Wind**

Les Misérables is a French historical novel by Victor Hugo that is considered one of the greatest novels of the 19th century. Beginning in 1815 and culminating in the 1832 June Rebellion in Paris, the novel follows the lives and interactions of several characters, focusing on the struggles of ex-convict Jean Valjean and his experience of redemption. Examining the nature of law and grace, the novel elaborates upon the history of France, the architecture and urban design of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. More than a quarter of the novel is devoted to essays that argue a moral point or display Hugo's encyclopedic knowledge. The topics Hugo addresses include cloistered religious orders, the construction of the Paris sewers, argot, and the street urchins of Paris. Even when not turning to other subjects outside his narrative, Hugo sometimes interrupts the straightforward recitation of events, his voice and control of the story line unconstrained by time and sequence. The story begins in 1815 in Digne, as the peasant Jean Valjean, just released from 19 years' imprisonment in the galleys—five for stealing bread for his starving sister and her family and fourteen more for numerous escape attempts—is turned away by innkeepers because his yellow passport marks him as a former convict. He sleeps on the street, angry and bitter. Digne's benevolent Bishop Myriel gives him shelter. At night, Valjean runs off with Myriel's silverware. When the police capture Valjean, Myriel pretends that he has given the silverware to Valjean and presses him to take two silver candlesticks as well, as if he had forgotten to take them. The police accept his explanation and leave. Myriel tells Valjean that his life has been spared for God, and that he should use money from the silver candlesticks to make an honest man of himself. Six years pass and Valjean, using the alias Monsieur Madeleine, has become a wealthy factory owner and is appointed mayor.

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

"Salvar tu vida. Palabras escritas en el agua." Han asesinado a un empresario y Cipriano Zuzunaga está a cargo del caso,

sin apoyo policiaco, como una suerte de investigador privado. Pronto descubrirá que nada es lo que parece, sobre todo porque en el expediente consta que el presunto asesino murió en una redada pero su sepulcro está vacío. ¿Por qué sus jefes lo pusieron a investigar un caso resuelto? ¿Quién aseguró a los deudos que el asesino había muerto y por qué sabían que en la tumba no había un cadáver? La investigación enfrentará a Zuzunaga con una rencilla familiar y lo pondrá en contacto con personajes en quienes deberá aprender a confiar. La Amarilla Nelson, su amigo y cómplice de otra época, le ha pedido ayuda para cobrar venganza de los responsables de la muerte de su familia. Además, Zuzunaga debe resolver su relación con Nat y su bebida. Completa el cuadro Lola, atractiva encargada de un café-internet. A partir de una voz narrativa innovadora, Gudiño Hernández amplía el rango de acción del género policiaco; esta segunda entrega de la saga muestra a Zuzunaga como un personaje complejo, hundido en un mundo malvado, pero con guiños de humanidad que quizá lo rediman.
