Edge of Eternity Deluxe Edition

Mark picked the weapon off the rack and the shape and feel of it brought memories crowding back. He thrust them aside. He would need a rifle where he was going. A father builds. A son destroys. General Sean Courtney returns from the horrors of the Great War in France, his mind on his heirs and his legacy. He is watching three potential successors: his beautiful but spoiled daughter, Storm. His corrupt, disgraced son Dirk. And his new young assistant, Mark Anders, a fellow survivor of the trenches. Mark finds himself trapped between Sean's two children, shaped by an impossible love for Storm, and a victim of Dirk's ongoing hatred, greed and jealousy. With all Sean's experience of war and family, can he protect Mark -- and everything Sean has ever stood for? A Courtney series adventure - Book 3 in the When the Lion Feeds trilogy

Voices from the Edge of Eternity

"This book is truly epic. . . . The reader will probably wish there was a thousand more pages." —The Huffington Post
Picking up where *Fall of Giants*, the first novel in the extraordinary Century Trilogy, left off, *Winter of the World* follows its five interrelated families—American, German, Russian, English, and Welsh—through a time of enormous social, political, and economic turmoil, beginning with the rise of the Third Reich, through the great dramas of World War II, and into the beginning of the long Cold War. Carla von Ulrich, born of German and English parents, finds her life engulfed by the Nazi tide until daring to commit a deed of great courage and heartbreak American brothers Woody and Chuck Dewar, each with a secret, take separate paths to momentous events, one in Washington, the other in the bloody jungles of the Pacific English student Lloyd Williams discovers in the crucible of the Spanish Civil War that he must fight Communism just as hard as Fascism Daisy Peshkov, a driven social climber, cares only for popularity and the fast set until war transforms her life, while her cousin Volodya carves out a position in Soviet intelligence that will affect not only this war but also the war to come.

Close Combat

Ken Follett's extraordinary historical epic, the Century Trilogy, reaches its

sweeping, passionate conclusion. In *Fall of Giants* and *Winter of the World*, Ken Follett followed the fortunes of five international families—American, German, Russian, English, and Welsh—as they made their way through the twentieth century. Now they come to one of the most tumultuous eras of all: the 1960s through the 1980s, from civil rights, assassinations, mass political movements, and Vietnam to the Berlin Wall, the Cuban Missile Crisis, presidential impeachment, revolution—and rock and roll. East German teacher Rebecca Hoffmann discovers she's been spied on by the Stasi for years and commits an impulsive act that will affect her family for the rest of their lives. . . . George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert F. Kennedy's Justice Department and finds himself in the middle of not only the seminal events of the civil rights battle but a much more personal battle of his own. . . . Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage for a cause he believes in, only to discover that the world is a much more dangerous place than he'd imagined. . . . Dimka Dvorkin, a young aide to Nikita Khrushchev, becomes an agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsaw—and into history. Look out for Ken's newest book, *A Column of Fire*, available now.

At the Foot of the Story Tree

Featuring 15 explosive new chapters, this new edition of the New York Times bestseller brings the story of *Economic Hit Men* up-to-date and, chillingly, home to the U.S.—but it also gives us hope and the tools to fight back. Former economic hit man John Perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars. Then he reveals how the deadly EHM cancer he helped create has spread far more widely and deeply than ever in the US and everywhere else—to become the dominant system of business, government, and society today. Finally, he gives an insider view of what we each can do to change it. Economic hit men are the shock troops of what Perkins calls the corporatocracy, a vast network of corporations, banks, colluding governments, and the rich and powerful people tied to them. If the EHMs can't maintain the corrupt status quo through nonviolent coercion, the jackal assassins swoop in. The heart of this book is a completely new section, over 100 pages long, that exposes the fact that all the EHM and jackal tools—false economics, false promises, threats, bribes, extortion, debt, deception, coups, assassinations, unbridled military power—are used around the world today exponentially more than during the era Perkins exposed over a decade ago. As dark as the story gets, this reformed EHM also provides hope. Perkins offers specific actions each of us can take to transform what he calls a failing Death Economy into a Life Economy that provides sustainable abundance for all.

The Braver Thing

October 1962. The Soviet Union has smuggled missiles into Cuba. Kennedy and Khrushchev are in the midst of a military face-off that could lead to nuclear conflagration. Warships and submarines are on the move. Planes are in the air. Troops are at the ready. Both leaders are surrounded by advisers clamoring for

war. The only way for the two leaders to negotiate safely is to open a “back channel”—a surreptitious path of communication hidden from their own people. They need a clandestine emissary nobody would ever suspect. If the secret gets out, her life will be at risk . . . but they're careful not to tell her that. Stephen L. Carter's gripping new novel, *Back Channel*, is a brilliant amalgam of fact and fiction—a suspenseful retelling of the Cuban Missile Crisis, in which the fate of the world rests unexpectedly on the shoulders of a young college student. On the island of Curaçao, a visiting Soviet chess champion whispers state secrets to an American acquaintance. In the Atlantic Ocean, a freighter struggles through a squall while trying to avoid surveillance. And in Ithaca, New York, Margo Jensen, one of the few black women at Cornell, is asked to go to Eastern Europe to babysit a madman. As the clock ticks toward World War III, Margo undertakes her harrowing journey. Pursued by the hawks on both sides, protected by nothing but her own ingenuity and courage, Margo is drawn ever more deeply into the crossfire—and into her own family's hidden past.

Winter of the World

From the acclaimed author of *The Winter Family*, a swash-buckling adventure from piracy's Golden Age and a deft political allegory for our troubled times. *Treasure Island* meets *Lord of the Flies*. In 1721, when the most notorious pirates are either dead or on the run, Jimmy Kavanagh, who sailed with Blackbeard, decides to pull together a "Company of Gentleman of Fortune" for one last "Adventuring Cruise" that will set them all up for life. All begins well: the pirates sail across the Atlantic and sack Cape Coast Castle, looting it of chests of gold ill-gotten from the slave trade. But before Kavanagh can lead them on, he sickens, unleashing a drastic series of power struggles among the company. As further victories transform them from the hunters to the hunted, the pirates descend into mutiny, show trials, assassination and tyranny as they flee from their pursuers and struggle against the seas. Full of epic sea battles and storms, peopled with characters worthy of *Mutiny on the Bounty*, Jackman's pirate voyage is also an object lesson in how political systems degrade as the pirates, who set out as a band of brothers, are powerless to prevent the erosion of the norms and values that hold their Company together. Where they end will shock you. But given our own times, it might not surprise you.

Back Channel

The worldwide phenomenon from the bestselling author of *The Pillars of the Earth*, *World Without End*, and *A Column of Fire* His code name was “The Needle.” He was a German aristocrat of extraordinary intelligence—a master spy with a legacy of violence in his blood, and the object of the most desperate manhunt in history. . . . But his fate lay in the hands of a young and vulnerable English woman, whose loyalty, if swayed, would assure his freedom—and win the war for the Nazis. . . .

Eternal Ephemera

NEW YORK TIMES BESTSELLER From Edward Rutherfurd, the grand master of the historical novel, comes a dazzling epic about the magnificent city of Paris. Moving back and forth in time, the story unfolds through intimate and thrilling tales of self-discovery, divided loyalty, and long-kept secrets. As various characters come of age, seek their fortunes, and fall in and out of love, the novel follows nobles who claim descent from the hero of the celebrated poem *The Song of Roland*; a humble family that embodies the ideals of the French Revolution; a pair of brothers from the slums behind Montmartre, one of whom works on the Eiffel Tower as the other joins the underworld near the Moulin Rouge; and merchants who lose everything during the reign of Louis XV, rise again in the age of Napoleon, and help establish Paris as the great center of art and culture that it is today. With Rutherfurd's unrivaled blend of impeccable research and narrative verve, this bold novel brings the sights, scents, and tastes of the City of Light to brilliant life. Praise for Paris "A tour de force . . . [Edward Rutherfurd's] most romantic and richly detailed work of fiction yet."—Bookreporter "Fantastic . . . as grand and engrossing as Paris itself."—Historical Novels Review "This saga is filled with historical detail and a huge cast of characters, fictional and real, spanning generations and centuries. But Paris, with its art, architecture, culture and couture, is the undisputed main character."—Fort Worth Star-Telegram "Both Paris, the venerable City of Light, and Rutherfurd, the undisputed master of the multigenerational historical saga, shine in this sumptuous urban epic."—Booklist "There is suspense, intrigue and romance around every corner."—Asbury Park Press

A Sparrow Falls

Dramatic Testimonies of Near-death Experiences and VisionsVoices from the Edge of Eternity is a compilation of the words and experiences of people both famous and obscure just before their deaths. Young and old, great and small, saint and sinner—these testimonies confirm the biblical doctrines of life after death, judgment for the nonbeliever, and eternal life for those who have accepted Christ as Savior. Included are the experiences of a formidable array of witnesses, such as Martin Luther, Voltaire, John Wesley, Joan of Arc, Thomas Paine, Charles Darwin, Queen Elizabeth I, John Calvin, Napoleon Bonaparte, Peter the Great, and many more. The agreement among the accounts is remarkable in this fascinating collection of thoughts and experiences that shed light on the life that awaits us after death.

Eye of the Needle

An NPR Book of the Year A Crime Reads Best Crime Book of 2018 A vicious murder puts Bernie Gunther on the trail of World War 2 criminals in Greece in this riveting

historical thriller in Philip Kerr's New York Times bestselling series. Munich, 1956. Bernie Gunther has a new name, a chip on his shoulder, and a dead-end career when an old friend arrives to repay a debt and encourages "Christoph Ganz" to take a job as a claims adjuster in a major German insurance company with a client in Athens, Greece. Under the cover of his new identity, Bernie begins to investigate a claim by Siegfried Witzel, a brutish former Wehrmacht soldier who served in Greece during the war. Witzel's claimed losses are large, and, even worse, they may be the stolen spoils of Greek Jews deported to Auschwitz. But when Bernie tries to confront Witzel, he finds that someone else has gotten to him first, leaving a corpse in his place. Enter Lieutenant Leventis, who recognizes in this case the highly grotesque style of a killer he investigated during the height of the war. Back then, a young Leventis suspected an S.S. officer whose connection to the German government made him untouchable. He's kept that man's name in his memory all these years, waiting for his second chance at justice Working together, Leventis and Bernie hope to put their cases--new and old--to bed. But there's a much more sinister truth to acknowledge: A killer has returned to Athens one who may have never left.

Once Upon a Secret

Edge of Eternity

#1 NEW YORK TIMES BESTSELLER • “With the benefit of hindsight and good old-fashioned maturity, [Mimi Alford] writes not just about the secret, but the corrosive effect of keeping that secret. . . . You can’t help liking her, or her elegant and thoroughly good-natured book.”—The Spectator In the summer of 1962, nineteen-year-old Mimi Beardsley arrived in Washington, D.C., to begin an internship in the White House press office. After just three days on the job, the privileged but sheltered young woman was presented to the President himself. Almost immediately, the two began an affair that would continue for the next eighteen months. Emotionally unprepared to counter the President’s charisma and power, Mimi was also ill-equipped to handle the feelings of isolation that would follow as she fell into the double life of a college student who was also the secret lover of the most powerful man in the world. After the President’s assassination in Dallas, she grieved alone, locked her secret away, and tried to start a new life, only to be blindsided by her past. Now, no longer defined by silence or shame, Mimi Alford finally unburdens herself with this unflinchingly honest account of her life and her extremely private moments with a very public man. This paperback edition includes a special Q&A, in which the author reflects on the intense media attention surrounding the book’s initial release. Once Upon a Secret is a moving story of a woman emerging from the shadows to reclaim the truth. “What [Alford] sacrificed in lucre she has more than recovered in credibility and dignity.”—The Washington Times “Compelling . . . a polished voice telling a credible story you can take to the bank.”—Seattle Post-Intelligencer “Explosive . . . searingly candid.”—New York Post

The Modigliani Scandal

When lobbyist Faith Lockhart stumbles upon a corruption scheme at the highest

levels of government, she becomes a dangerous witness who the most powerful men in the world will go to any lengths to silence in this #1 New York Times bestselling thriller. In a secluded house not far from Washington, D.C., the FBI is interviewing one of the most important witnesses it has ever had: a young woman named Faith Lockhart. For Faith has done too much, knows too much, and will tell too much. Feared by some of the most powerful men in the world, Faith has been targeted to die. But when a private investigator walks into the middle of the assassination attempt, the shooting suddenly goes wrong, and an FBI agent is killed. Now Faith Lockhart must flee for her life--with her story, her deadly secret, and an unknown man she's forced to trust

Edge of Eternity

The third and final book in the Galactic Empire series, the spectacular precursor to the classic Foundation series, by one of history's most influential writers of science fiction, Isaac Asimov After years of bitter struggle, Trantor had at last completed its work—its Galactic Empire ruled all 200 million planets of the Galaxy . . . all but one. On a backward planet called Earth were those who nurtured bitter dreams of a mythical, half-remembered past when the planet was humanity's only home. The other worlds despised it or merely patronized it—until a man from the past miraculously stepped through a time fault that spanned a millennium, living proof of Earth's most preposterous claims. Joseph Schwartz was a happily retired Chicago tailor circa 1949. Trapped in an incredible future he could barely comprehend, the unlikely time traveler would soon become a pawn in a desperate conspiracy to bring down the Empire in a twist of agony and death—a mad plan to restore Earth's tarnished glory by ending human life on every other world.

This Side Jordan

Edge of Eternity

In our post-Christian, pluralistic society, responding to the perception that Christians are prejudiced, anti-intellectual, and bigoted has become a greater challenge than ever before. The result is often intimidation, withdrawal, and even doubts among God's people about what we really believe. Bestselling author and teaching pastor at Living on the Edge, Chip Ingram, wants to change that. In *Why I Believe*, he gives compelling answers to questions about - the resurrection of Christ - the evidence of an afterlife -the accuracy and intellectual feasibility of the Bible - the debate between creation and evolution - the historicity of Jesus - and more The solid, biblical, logical answers he shares will satisfy the honest doubts that every believer experiences now and then, and will provide practical, thoughtful answers that can be shared with family and friends. This is the perfect resource for churches, small groups, and individuals who long not only to really know what and why they believe, but also to be equipped to explain the intellectual justification for their faith in everyday language.

Saving Faith

Eco-terrorists are on the loose in California, and they intend to set off the biggest earthquake in the state's history to prove a point, unless FBI agent Judy Maddox can stop them. Reprint.

Hornet Flight

This great bestseller was compared with *GONE WITH THE WIND* when first published in 1975. *CSARDAS* – taken from the name of the Hungarian national dance – follows the fortunes of the enchanting Ferenc sisters from their glittering beginnings in aristocratic Hungary, through the traumas of two World Wars. From the dazzling elegance of coming-out balls, feudal estates and a culture steeped in romance, to terror and starvation in the concentration camps – no story could be more dramatic than that of Eva and Amalia Ferenc, whose fate it is to be debutantes when the shot which killed Archduke Franz Ferdinand in Sarajevo plunged Europe into the First World War. Their story is enthralling, tragic, romantic – and absolutely unputdownable.

The New Confessions of an Economic Hit Man

A novel of Africans and British, community and exile, set against the backdrop of the Ghanaian fight for independence: “A talented writer.”—The New York Times It is a time of change in West Africa, as the land known as the British Gold Coast is transformed into a new, independent nation known as Ghana. This lyrical, vivid novel follows multiple characters—a schoolteacher torn between his loyalty to his tribe and his hopes for his country’s future; a British business executive who distrusts Africans; a passionate nationalist—as they experience all the tensions of the time, the excitement, anticipation, and dread. A novel that confronts issues of race, gender, and the effects of colonialism, *This Side Jordan* is by Margaret Laurence, the author of *The Stone Angel* and a winner of two Governor General’s Awards, one of Canada’s most prestigious literary prizes. “Artistically and expertly written and constructed...unusual and noteworthy.”—Kirkus Reviews “A first novel of rare excellence.”—Mary Renault, *Saturday Review* “Highly recommended.”—Library Journal

On the Edge of the World

"[A] fascinating account of the twisted threads of murder, ethnic violence and mob justice in 19th century Southern California." —Jill Leovy, author of *Ghettoside: A History of Murder in America*, in the *Los Angeles Times* Los Angeles is a city founded on blood. Once a small Mexican pueblo teeming with Californios, Indians, and Americans, all armed with Bowie knives and Colt revolvers, it was among the most murderous locales in the Californian frontier. In *Eternity Street: Violence and Justice in Frontier Los Angeles*, "a vivid, disturbing portrait of early Los Angeles" (*Publishers Weekly*), John Mack Faragher weaves a riveting narrative of murder and mayhem, featuring a cast of colorful characters vying for their piece of the city. These include a newspaper editor advocating for lynch laws to enact a crude manner of racial justice and a mob of Latinos preparing to ransack a county jail and murder a Texan outlaw. In this "groundbreaking" (*True West*) look at American history, Faragher shows us how the City of Angels went from a lawless outpost to the sprawling metropolis it is today.

Fall of Giants

Imagine Being Pulled Into the Hereafter. While You're Still Alive. A disillusioned business executive whose life has hit a dead-end, Nick Seagrave has lost loved ones to tragedy and his family to neglect. Now, at a point of great crisis, he unbelievably and inexplicably finds himself transported to what appears to be another world. Suddenly he's confronted with profoundly clear views of his own past and personality. At the same time, he's enabled to see, hear, taste, and smell the realities of both heaven and hell—realities that force him to face dangers and trials far greater than any he's known before. Pitted against flying beasts, a monstrous web that threatens to hold him captive, an evil, brooding intelligence, and undeniable evidence of a spiritual world, Nick must finally consider the God he claims not to believe in. Walking between two worlds, Nick Seagrave prepares to make decisions that will change his life forever, as he stands on the Edge of Eternity.

Eternity Street: Violence and Justice in Frontier Los Angeles

Secrets abound in this gripping tale of a young woman cloistered since birth who discovers that knowledge is no substitute for experience when she chooses to follow her heart over science. Raised by her father in near isolation in the English countryside, Emilie Selden is trained as a brilliant natural philosopher and alchemist. In the spring of 1725, during the English Age of Reason, father and daughter embark upon their most daring alchemical experiment to

date—attempting to breathe life into dead matter. But when Emilie—against her father’s wishes—experiences the passion of first love, she decides to listen to her heart over her head. Banished to London and plunged headlong into a society that is both glamorous and ruthless, Emilie discovers that for all her extraordinary education she has no insight into the workings of the human heart. When she tries to return to the world of books and study, she instead unravels a shocking secret that sets her on her true journey to enlightenment.

Why I Believe

"The wonderful cathedral of Notre-Dame de Paris, one of the greatest achievements of European civilization, was on fire. The sight dazed and disturbed us profoundly. I was on the edge of tears. Something priceless was dying in front of our eyes. The feeling was bewildering, as if the earth was shaking." --Ken Follett In this short, spellbinding book, international bestselling author Ken Follett describes the emotions that gripped him when he learned about the fire that threatened to destroy one of the greatest cathedrals in the world--the Notre-Dame de Paris. Follett then tells the story of the cathedral, from its construction to the role it has played across time and history, and he reveals the influence that the Notre-Dame had upon cathedrals around the world and on the writing of one of Follett's most famous and beloved novels, *The Pillars of the Earth*. Ken Follett will donate his proceeds from this book to the charity La Fondation du Patrimoine.

Jackdaws

In his own bestselling tradition of *Eye of the Needle* and *The Key to Rebecca*, Ken Follett delivers a breathtaking novel of suspense set in the most dangerous days of World War II. D-Day is approaching. They don't know where or when, but the Germans know it'll be soon, and for Felicity "Flick" Clariet, the stakes have never been higher. A senior agent in the ranks of the Special Operations Executive (SOE) responsible for sabotage, Flick has survived to become one of Britain's most effective operatives in Northern France. She knows that the Germans' ability to thwart the Allied attack depends upon their lines of communications, and in the days before the invasion no target is of greater strategic importance than the largest telephone exchange in Europe. But when Flick and her Resistance-leader husband try a direct, head-on assault that goes horribly wrong, her world turns upside down. Her group destroyed, her husband missing, her superiors unsure of her, her own confidence badly shaken, she has one last chance at the target, but the challenge, once daunting, is now near impossible. The new plan requires an all-woman team, none of them professionals, to be assembled and trained within days. Code-named the Jackdaws, they will attempt to infiltrate the exchange under the noses of the Germans—but the Germans are waiting for them now and have plans of their own. There are secrets Flick does not know—secrets within the German ranks, secrets among her hastily recruited team, secrets among those she trusts the most. And as the hours tick down to the point of no return, most daunting of all, there are secrets within herself. . . . Filled with the powerful storytelling, unforgettable characters, and authentic detail that have become his hallmarks, *Jackdaws* is Ken Follett writing at the height of his powers.

Paris

From internationally bestselling author Julian Stockwell comes a dramatic story closely based on real events following one man's journey as he becomes a true sailor and defender of Britain. Europe is ablaze with war. The British prime minister is under pressure to intimidate the French and dispatches a Navy squadron to appear off the French coast. To man the ships, ordinary citizens must be press-ganged. Thomas Paine Kydd, a young wig-maker from Guildford, is seized and taken across the country to be part of the crew of the ninety-eight-gun line-of-battle ship Duke William. The ship sails immediately and Kydd has to learn the harsh realities of shipboard life fast. Despite all he goes through, amid dangers of tempest and battle, he comes to admire the skills and courage of his fellow seamen, taking up the challenge himself to become a true sailor and defender of Britain at war. Kydd launches a masterly writing talent and is the first installment of a thrilling new series. Based on dramatic real events, it is classic storytelling at its best, rich with action, exceptional characters, and a page-turning narrative.

Place Called Freedom

What makes a wife a lover? For Kate, the spark went out of her marriage long ago but her husband doesn't seem to notice. Their role as parents consumes their lives so they need to rekindle the romance they once shared. What makes a woman a mother? For Jo, a high-powered career has led her to believe that she doesn't have a single maternal instinct. When an orphan unexpectedly enters her life, she is forced to confront her own unhappy childhood and the walls it has built around her heart. What makes a man the love of your life? For Sarah, home is the steamy

jungles of Africa while the man of her dreams waits in the air-conditioned confines of Los Angeles. Her longing for this man from the past is blinding her to a new love standing right in front of her. What these women all have in common is a friend with a generous soul, an irrepressible spirit- and a serious illness. In her final letters, Rachel raises one last question: What makes a friend live in our hearts forever?

Greeks Bearing Gifts

Based on a true story of an early Russian missionary bishop's trip to Eastern Siberia. During his journey he learns through example and suffering that in indigenous peoples of all cultures there is dignity that must be recognized and built upon as a foundation for Christian conversion. Includes appendix, 7 line drawings.

The Alchemist's Daughter

Ken Follett and the intrigue of World War II—"a winning formula" (Entertainment Weekly) if ever there was one. With his riveting prose and unerring instinct for suspense, the #1 New York Times bestselling author takes to the skies over Europe during the early days of the war in a most extraordinary novel. . . . It is June 1941, and the war is not going well for England. Somehow, the Germans are anticipating the RAF's flight paths and shooting down British bombers with impunity. Meanwhile, across the North Sea, eighteen-year-old Harald Olufsen takes a shortcut on the German-occupied Danish island of Sande and discovers an astonishing sight. He doesn't know what it is, but he knows he must tell someone. And when he learns the truth, it will fall upon him to deliver word to England—except that he has no way to get there. He has only an old derelict Hornet Moth biplane rusting away in a ruined church—a plane so decrepit that it is unlikely to ever get off the ground . . . even if Harald knew how to fly it. Look out for Ken's newest book, *A Column of Fire*, available now.

Triple

All organisms and species are transitory, yet life endures. The origin, extinction, and evolution of species—interconnected in the web of life as "eternal ephemera"—are the concern of evolutionary biology. In this riveting work, renowned paleontologist Niles Eldredge follows leading thinkers as they have wrestled for more than two hundred years with the eternal skein of life composed of ephemeral beings, revitalizing evolutionary science with their own, more resilient findings. Eldredge begins in France with the naturalist Jean-Baptiste Lamarck, who in 1801 first framed the overarching question about the emergence of new species. The Italian geologist Giambattista Brocchi followed, bringing in geology and paleontology to expand the question. In 1825, at the University of Edinburgh, Robert Grant and Robert Jameson introduced the astounding ideas formulated by Lamarck and Brocchi to a young medical student named Charles Darwin. Who can doubt that Darwin left for his voyage on the *Beagle* in 1831 filled with thoughts about these daring new explanations for the "transmutation" of species. Eldredge revisits Darwin's early insights into evolution in South America and his later synthesis of knowledge into a theory of the origin of species. He then considers the ideas of more recent evolutionary thinkers, such as George Gaylord Simpson, Ernst Mayr, and Theodosius Dobzhansky, as well as the young and brash Niles Eldredge and Steven Jay Gould, who set science afire with their concept of punctuated equilibria. Filled with insights into evolutionary biology and told with a rich affection for the scientific arena, this book celebrates the organic, vital relationship between scientific thinking and its subjects.
