Designed as a refresher device in reviewing factual data presented in Milady's Standard Textbook for Professional Estheticians. It employs multiple-choice type questions, which have been widely adopted and approved by the majority of state licensing boards. The review book reflects advances in professional skin care techniques, artistic use of cosmetics, and opportunities in the field of esthetics. It attempts to keep pace with, and ensure a basic understanding of cosmetics and personal care products that have been developed by manufacturers for professional use. The book serves as an excellent guide for the student as well as for the experienced esthetician. It provides a reliable standard against which professionals can measure their knowledge, understanding and abilities. These reviews will help students and professionals alike to gain a thorough understanding of the full scope of their work as they review practical performance skills and related theory. They will increase their ability to evaluate new products and procedures and to be better qualified professionals for dealing with the needs of their clients.
