We Hunt the Flame

Spending the kids' inheritance. Growing old disgracefully. Life begins at 50. You see these catchy phrases on bumper stickers, tea towels and even t-shirts, but all jokes aside, there is one thing we all know - no matter how old our driver's license says we are, we all feel much younger at heart. And travel goes a long way in keeping you young. Inside this book you'll find hundreds of holiday ideas across Australia and New Zealand, from luxury escapes to walking holidays, bike rides, train journeys, golfing trips, garden tours and unforgettable wildlife encounters. Now that you've got the mortgage monkey off your back and a bit of a nest egg to spend, time on your hands if you have retired - or cut back on the working hours - and the kids are old enough to look after themselves (even if they haven't yet left home), it's the perfect time to travel, particularly while you're still fit and active enough to really enjoy it. After all, you've earned it.

The Pilgrim's Guide to Santiago de Compostela

The #1 New York Times bestseller about one woman's doomed quest for self-improvement by a writer "blessed with the comic equivalent of perfect pitch" (The Boston Globe). As far as Erma can tell, her life is going well. Her children speak to her, her husband smiles at her, and she's capable of looking in a mirror without screaming. But her friends know better. No matter how happy Erma thinks she is, she's in need of help, and the only way to fulfillment is a ten-foot stack of self-improvement books. From Sensual Needlepoint to Fear of Buying, Erma will try them all. One book recommends bringing roleplay into the bedroom, so she dresses up in her son's football pads. She tries to meditate but gets stuck in the lotus position. She spends more time in the kitchen but only succeeds in melting her son's retainer. No matter how hard she tries to improve her family life, her schemes keep backfiring. As she soon learns, you may not always be able to fix what's not broken—but with enough self-help books, you can break anything you want. This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author's estate.

Route 66 Then and Now®

Take a tour of Route 66 unlike any other, discovering the secrets, memorable characters, and little known stories behind many of the route's enduring icons. Find the answer to the question, "Who was Ella Jones?" and pay a visit to a secluded cemetery that few road warriors even know exists. Learn why Hooker, Missouri, disappeared, and who murdered Billie Grayson in Chandler, Oklahoma. Did you know that a strongbox full of gold still lies buried near the Colorado River, or that tragedy hounds a tiny place in Arizona named after a cartoon? Is it true that ghosts and monsters lurk along the highway's reaches? Do you know what a Walldog is, or whether nuclear weapons were once used to blast a path for the route? Get the answers in Secret Route 66: A Guide to the Weird, Wonderful, and Obscure. Two of the historic highway's most recognized authorities, Jim Ross and Shellee Graham, chronicle these and dozens of other tales as they peel away the layers of history to expose the weird, wonderful, and obscure of America's Mother Road.

Route 66 is the "Main Street of America," heralded in song and popular culture. It took a maze of different routes through St. Louis before slashing diagonally across the "Show-Me State" through the beauty of the Ozarks. In between, there are classic motels, diners, tourist traps, and gas stations bathed in flashing and whirling neon lights. Natural wonders include crystal-clear streams, majestic bluffs, and wondrous caverns. Roadside marketers concocted legends about Jesse James, painted advertisements on barns, lived with deadly snakes, or offered curios such as pottery and handwoven baskets. That

spirit is alive today at the Wagon Wheel and the Munger-Moss, the Mule, Meramec Caverns, and Ted Drewes Frozen Custard, just to name a few. Their stories are included here.

People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine.

Most travel diaries fizzle. By day six of a big trip, people are struggling to recall what happened on days three, four, and five. They return home with mostly empty journals, or bland writing that fails to capture the full spirit of their journeys. Award-winning travel humorist Dave Fox comes to the rescue in this book that's both informative and irreverently funny. You'll learn to: -- Bring destinations to life with bold details. -- Splash those details quickly onto your pages so journaling doesn't gobble up your precious vacation time. -- Elude your "Inner Censor" and write with confidence. -- Weave together your "outer" and "inner" journeys, using unfamiliar places as a backdrop for self-discovery. Dave shares his favorite journaling techniques, shows how to find time to write in the middle of an exciting trip, and infuses it all with a generous dose of his off-the-wall humor. Whether your journeys are weekend road trips or excursions around the world, this book will help transform you into a travel journaling superhero!

The Wright Guide to Free and Low-Cost Campgrounds

The 'Mother Road' or the 'Will Rogers Highway' has been open since 1926. Its heyday was the WWII and post-war era and many roadside structures sprang up to cater for the "tin-can tourists" making the journey from East to West. Gas stations, motels, and diners all had to compete for business and what better way to attract attention than with a wacky feature such as a wigwam motel, an iceberg cafe, or a whale-themed diner. Route 66 Then and Now revisits some of these bizarre (and not-so-bizarre) structures to see what's left before time takes its toll. Some, such as the Magnolia Service Station in Kansas, have been preserved on the National Historic Register; others, such as the Aztec Motel in Albuquerque, are still doing a thriving business; while others have simply vanished from the landscape. Starting in Chicago, Route 66 Then and Now takes in the motels, cafes, gas stations, roadside attractions and key towns and sites along the route. From the Blue Whale in Catoosa, past Angel Delgadillo's store in Seligman, Arizona, to the end point in Santa Monica, Route 66 historian Joe

Sonderman takes readers on the 2,500-mile trip, illustrated by his fabulous postcard collection. Includes: Illinois: Chicago, Joliet, Dwight, Pontiac, Logan County. Missouri: St. Louis, Lebanon, Springfield, Joplin. Kansas: Galena, Baxter Springs. Oklahoma: Catoosa, Tulsa, Sayre. Texas: Shamrock, Amarillo, Glenrio. New Mexico: Santo Domingo, Gravel Hill, Albuquerque. Arizona: Holbrook, Winslow, Two Guns, Flagstaff, Seligman, Kingman. California: Needles, Amboy, Barstow, Cajon Pass, San Bernadino, Pasadena, Santa Monica.

Route 66 Backroads

From Jennifer Weiner, the #1 New York Times bestselling author of *Who Do You Love* and *In Her Shoes* comes a smart, thoughtful, and timely exploration of two sisters' lives from the 1950s to the present as they struggle to find their places—and be true to themselves—in a rapidly evolving world. *Mrs. Everything* is an ambitious, richly textured journey through history—and herstory—as these two sisters navigate a changing America over the course of their lives. Do we change or does the world change us? Jo and Bethie Kaufman were born into a world full of promise. Growing up in 1950s Detroit, they live in a perfect “Dick and Jane” house, where their roles in the family are clearly defined. Jo is the tomboy, the bookish rebel with a passion to make the world more fair; Bethie is the pretty, feminine good girl, a would-be star who enjoys the power her beauty confers and dreams of a traditional life. But the truth ends up looking different from what the girls imagined. Jo and Bethie survive traumas and tragedies. As their lives unfold against the background of free love and Vietnam, Woodstock and women’s lib, Bethie becomes an adventure-loving wild child who dives headlong into the counterculture and is up for anything (except settling down). Meanwhile, Jo becomes a proper young mother in Connecticut, a witness to the changing world instead of a participant. Neither woman inhabits the world she dreams of, nor has a life that feels authentic or brings her joy. Is it too late for the women to finally stake a claim on happily ever after? In her most ambitious novel yet, Jennifer Weiner tells a story of two sisters who, with their different dreams and different paths, offer answers to the question: How should a woman be in the world?

Rand McNally 2020 Road Atlas

In the second volume of the acclaimed "Gas, Food, Lodging" trilogy, authors John Jakle, Keith Sculle, and Jefferson Rogers take an informative, entertaining, and comprehensive look at the history of the motel. From the introduction of roadside tent camps and motor cabins in the 1910s to the wonderfully kitschy motels of the 1950s that line older roads and today's comfortable but anonymous chains that lure drivers off the interstate, Americans and their cars have found places to stay on their travels. Motels were more than just places to sleep, however. They were the places where many Americans saw

their first color television, used their first coffee maker, and walked on their first shag carpet. Illustrated with more than 230 photographs, postcards, maps, and drawings, *The Motel in America* details the development of the motel as a commercial enterprise, its imaginative architectural expressions, and its evolution within the place-product-packaging concept along America's highways. As an integral part of America's landscape and culture, the motel finally receives the in-depth attention it deserves.

Route 66, 75th Anniversary Edition

Much more than a ribbon of crumbling asphalt, Route 66 is a cultural icon revered the world over for its nostalgia value—an east-west artery pointing America toward all the promise that the great West represented. But as stretches of Steinbeck's “Mother Road” were bypassed and fell into disuse, so too did most of the bustling establishments that had sprouted up from Illinois to California to cater to weary travelers and hopeful vacationers alike. Motor courts, cafes, main streets, filling stations, and greasy spoons—all are represented in this second volume of *Lost & Found* images from photographer Russell Olsen. As with its predecessor, *Route 66 Lost & Found* (2004), this new installment presents dozens of locations along Route 66's entire 2,297 miles, showing them both as in their heydays in period photographs and postcards and as they appear today. Each site is accompanied by a capsule history tracing the locale's rise and fall (and sometimes rebirth), as well as an exclusive map pointing out its location along Route 66.
