The Wisconsin Father's Guide to Divorce and Custody

"This tense wire of a novel thrums with suspense. . . . [this book] just might be the highlight of your summer."-The New York Times
Cheryl Strayed's Wild meets The Revenant in this heart-pounding story of survival and revenge in the unforgiving wilderness. After: Jess is alone. Her cabin has burned to the ground. She knows if she doesn't act fast, the cold will kill her before she has time to worry about food. But she is still alive--for now. Before: Jess hadn't seen her survivalist, off-the-grid dad in over a decade. But after a car crash killed her mother and left her injured, she was forced to move to his cabin in the remote Canadian wilderness. Just as Jess was beginning to get to know him, a secret from his past paid them a visit, leaving her father dead and Jess stranded. After: With only her father's dog for company, Jess must forage and hunt for food, build shelter, and keep herself warm. Some days it feels like the wild is out to destroy her, but she's stronger than she ever imagined. Jess will survive. She has to. She knows who killed her father and she wants revenge.

Arizona Child Custody Essentials

A guide for new fathers focuses on the baby's first year, with information and advice on food and nutrition, clothing, sleep, health and wellness, and socialization.

How to be a Good Divorced Dad

Offers practical solutions to common challenges, including how to alleviate stepfamily stress, apply a united front in discipline styles, and approach co-parenting with grace.

I Am Still Alive

Debunking common myths about fatherhood, the author of *Why Men Are the Way They Are* reveals the subtly corrosive effects of negative media, government, and the legal system on the role that fathers once enjoyed in society and with their children. 15,000 first printing.

Fathers' Rights

Is your ex-spouse trying to gain custody of your kids? Has he or she launched a campaign to make you look like a bad parent, both in the eyes of your children and the law? You aren't alone. Unfortunately, high-conflict custody battles are all-too-common in today's world. So how can you arm yourself with the mental and legal resources needed to survive this difficult time and keep your kids safe? In *The High-Conflict Custody Battle*, a team of legal and psychology experts present a practical guidebook for people like you who are engaged in a high-conflict custody battle. If you are dealing with an overtly hostile, inflammatory, deceitful, or manipulative ex-spouse, you will learn how to find and work with an attorney and prepare for a custody evaluation. The book also provides helpful tips you can use to defend yourself against false accusations, and gives a realistic portrayal of what to expect during a legal fight. Going through a divorce is hard, but going through a custody battle can feel like war. Don't go in unprepared. With this book as your guide, you will be able to navigate this difficult process and learn powerful skills that will help you maintain a healthy relationship with your kids, fight unfair accusations, and uphold your rights as a parent.

The Single Father

If you or someone you love grew up with an emotionally unavailable, narcissistic, or selfish parent, you probably struggle with residual feelings of anger, abandonment, loneliness, or shame. For anyone who endured a nightmare or a wasteland instead of a nurturing childhood, *The Toxic Parents Survival Guide* will offer you the clinical insights and the day-to-day tools so you can break the chains of toxicity that bind you in a mess you didn't create. Psychologist Bryn Collins pulls back the layers to explore the very complicated relationship with an emotionally unavailable parent. Whether they were unavailable because of addiction, mental illness, or being overly controlling or an iceberg, this imminently practical book will help validate your frustration and emotional struggles, help you set clear boundaries, and learn how to un-mesh yourself and move forward to a place of strength and peace without any guilt. Using case studies, quizzes, and jargon-free concepts,

Collins profiles the most common types of toxic parents and offers the tactics and tools you need to change and break free of these painful associations. Your wounds can be healed and you can move forward. The Toxic Parents Survival Guide will help you find different ways of dealing with your parents' painful legacy so that you don't suffer and don't pass along emotional unavailability to the next generation or your current relationships.

New Father's Survival Guide

Covers diapering, family outings, parent conferences, doctors, dentists, diet, after-school activities, discipline, homework, and support groups

Do I Look Like a Daddy to You?

FINALLY - AN HONEST APPROACH TO DIVORCING A NARCISSIST Living with a narcissist can be awful. Divorcing one is a nightmare. They're always right, they want everything their way and they leave little room for compromise. How to Survive and Thrive When Divorcing a Narcissist offers solid advice on creating and sticking to a strategy so that you can get what you need and want from the divorce. Inside you'll discover: How to prepare yourself for the battle. How to be ready for the inevitable court fight. Insider child custody tips and tricks. What to expect during and after the divorce. And much more! This book lays out the divorce process in New Jersey and explains the five things to know when divorcing a narcissist. It's a must-read for anyone who is leaving a narcissistic spouse who shows even some of the symptoms of being a narcissist.

When The Walls Come Tumbling Down

For too long, we've thought of fathers as little more than sources of authority and economic stability in the lives of their children. Yet cutting-edge studies drawing unexpected links between fathers and children are forcing us to reconsider our assumptions and ask new questions: What changes occur in men when they are "expecting"? Do fathers affect their children's language development? What are the risks and rewards of being an older-than-average father at the time the child is born? What happens to a father's hormone levels at every stage of his child's development, and can a child influence the father's health? Just how much do fathers matter? In *Do Fathers Matter?* the award-winning journalist and father of five Paul Raeburn overturns the many myths and stereotypes of fatherhood as he examines the latest scientific findings on the parent we've often overlooked. Drawing on research from neuroscientists, animal behaviorists, geneticists, and developmental psychologists, among others, Raeburn takes us through the various stages of fatherhood, revealing the profound physiological connections between children and fathers, from conception through adolescence and into adulthood—and the importance of the relationship between mothers and fathers. In the process, he challenges the legacy

of Freud and mainstream views of parental attachment, and also explains how we can become better parents ourselves. Ultimately, Raeburn shows how the role of the father is distinctly different from that of the mother, and that embracing fathers' significance in the lives of young people is something we can all benefit from. An engrossing, eye-opening, and deeply personal book that makes a case for a new perspective on the importance of fathers in our lives no matter what our family structure, *Do Fathers Matter?* will change the way we view fatherhood today.

It's Her Wedding But I'll Cry If I Want To

You May Be Single, But You're Not Alone. Being a great dad is challenging enough when you're part of a two-person team. But now you're raising your kids single-handedly. How can you provide the emotional, physical, and spiritual support your children need, cover all the details of running a household, and still earn a living to support your family? Being a solo dad could easily be the toughest job of your life. The good news is you're not alone. Inside this book you'll find the support, advice, and encouragement you need to succeed. Here are practical solutions for everything you're facing—from conflicting emotions to day-to-day time management. You'll find useful pointers on a daughter's unique needs, a son's inner struggles, and even how to recruit trusted friends to pitch in. With plenty of humor and real-world insight, *The Single Dad's Survival Guide* will show you how to expand on your natural, built-in abilities so you can come out on top as a parenting team of one.

- Find logistical help on everyday challenges, including finances, family schedules, household management, and staying on top of your work.
- Take advantage of practical guidance on everything from supporting and nurturing your kids to protecting your own emotional health.
- Learn how to get past anger, hurt, and fatigue to stand strong as the man your children need most—a man who provides security, stability, and spiritual guidance during one of the toughest times in their life. It's all here to help you succeed as a solo dad. Single parenting takes everything you've got—so learn how to give it your all.

Survival Guide for New Dads

Fatherhood demystified! Finally: a manual for new dads that deciphers the immensely confusing world of fatherhood and gives crucial tips and advice from a man's point of view. No psychobabble, no warm fuzzies -- just a hilarious (and surprisingly practical) military-style guide to surviving and thriving through even the queasiest moments of pregnancy, birth, and babyhood. Seasoned father and master infant-tamer Scott Mactavish breaks the Baby Code down and lays it out in straight-up gyspeak. *The New Dad's Survival Guide* includes declassified information on such topics as: Cutting the Cord: The Moment of Truth Feeding and Cleaning the NFU (New Family Unit) Surviving Sleep Deprivation Relieving Stress Without Booze The Great Boob Irony Pee, Poo, Hurl, and Snot: Getting Used to the Bodily Functions Critical Survival Tips Never Before Revealed Sex: Let the Games Begin Again Finally Dozens of Essential Terms Defined, Including Binky, Onesie,

Diaper Genie, Passy, and Sippy Cup Grab your boots and strap on your helmet! The babies are coming!

The Toxic Parents Survival Guide

A guide for divorced, widowed, gay, and never-before-married fathers navigates new dads through the complex, sometimes rocky waters of parenting a child alone.

The Stepfamily Survival Guide

There is life after a failed relationship, as long as you Don't Call That Man!. In this inspirational, revolutionary guide to letting go and moving on after the trauma of a breakup, psychotherapist Rhonda Findling teaches women how to triumph over the almost obsessive urge to pick up the phone. With its prescriptive, easy-to-follow approach, Don't Call That Man! is an indispensable tool for weathering the pain of heartbreak. It features simple exercises that provide an emotional outlet for a difficult process; charts that schedule free time away from the telephone; and much more, including: Moving on from a ruined relationship What is an ambivalent man, and how do you get over him? Mothers, fathers and men Building and using a support system The 10-Step program to not call that man Step-by-step, from heartache to healing, Don't Call That Man! is a map on how to heal the pain of a lost love; how to overcome feelings of neediness and desperation; and above all, how to regain focus on what's important and it's not calling that man. It's the perfect book to embrace on the way to a new and more gratifying relationship.

The Modern Family Survival Guide

An indispensable survival manual for guys entering the trenches of fatherhood, Be Prepared is loaded with one-of-a-kind insights, MacGyver-esque tips and tricks, and no-nonsense advice for mastering the first year as a dad. Finally, a book that teaches men all the things they really need to know about fatherhood including how to: -Change a baby at a packed sports stadium -Create a decoy drawer full of old wallets, remote controls, and cell phones to throw baby off the scent of your real gear -Stay awake (or at least upright) at work -Babyproof a hotel room in four minutes flat -Construct an emergency diaper out of a towel, a sock, and duct tape Packed with helpful diagrams and detailed instructions, and delivered with a wry sense of humor, Be Prepared is the ultimate guide for sleep-deprived, applesauce-covered fathers everywhere.

The Birth Guy's Go-To Guide for New Dads

First-time fathers are often intimidated by their new role, but they need not fear any longer. This helpful guide provides 90

inspirational two-page devotions, each based on Scripture and rich with practical advice. Lists of other helpful books and Web sites give readers even more resources from which to draw. This book is the perfect gift for baby showers, Father's Day, or as an encouragement to any new dad.

The New Dad's Survival Guide

From the day her grandchildren were born, Karen P. Ronald spent countless hours rocking, soothing, and loving them. But when her son faced an ugly divorce, she and her husband suddenly became involved in a vicious custody battle with their son's ex-wife. Deeply honest and sincere, *We Need Our Daddy Too* chronicles the Ronalds' agonizing journey. Karen shares her intimate thoughts and feelings about her son's struggle to keep his children, and how it affected the Ronalds' as grandparents. They witnessed the devastating pull their son's ex-wife had on the court system and watched in agony as their son lost custody due to a clause in the divorce contract. Today, the Ronalds must cope with seeing their grandchildren a precious few hours a month. Karen reveals how this wrenching development has impacted their lives, and cautions those involved in divorce proceedings to put aside their differences and think of how their decision will ultimately affect the children. Full of raw emotion, *We Need Our Daddy Too* is one grandmother's heartbreaking tale of love and loss.

Father and Child Reunion

Positive advice for divorced dads and their families The country's leading authority on fathers' rights Jeffery M. Leving presents a definitive how-to resource for divorced dads of any age, background, and marriage history. Leving offers targeted guidance and suggests techniques for staying connected with children and dealing with ex-wives—and in some cases a new girlfriend or the wife's new boyfriend—during the divorce and afterwards. This upbeat book offers good news for divorced dads and counters many of the myths that paint divorcing fathers as alienated, irresponsible, or absent. Includes advice for overcoming limited access to children with cooperative responses and legal remedies if necessary Reveals how to avoid depression and feelings of guilt that can cause a divorced dad to give up and lose connection with his kids Offers ideas for responding to an ex-wife's remarriage, moving, unfounded accusations, and other common issues Contains guidance for engaging in new relationships and possibly remarriage *How to Be a Good Divorced Dad* is practical and down-to-earth and offers dozens of real life examples of dads who have discovered the importance of staying involved in their children's lives.

Divorced Dads

Don't Let Your Kids Slip Away after a Divorce! Divorce doesn't have to mean losing the relationship with your children. You can create even deeper emotional ties with them now than you had before. This easy-to-use guide gives you the tools that

you'll need to stay bonded and connected with your kids now and in the years to come.

Stand By Your Manhood

Rules for Raising Little Girls "As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu." - Dave Barry "Required reading for any parent who doesn't know pants from leggings." - Dan Zevin, author of Dan Gets a Minivan: Life at the Intersection of Dude and Dad It's easy to imagine how you'd raise a boy--all the golf outings, lawnmower lessons, and Little League championships you'd attend--but playing dad to a little princess may take some education. In Oh Boy, You're Having a Girl, Brian, a father of three girls, shares his tactics for surviving this new and glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations, like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, Oh Boy, You're Having a Girl will brace you for all those hours playing house--and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped around her little finger. "Somehow, Brian Klems has taken one of the most traumatic situations known to a father--having a daughter--and made it into something so completely hilarious you'll laugh until you've got oxygen deprivation!" - W. Bruce Cameron, author of 8 Simple Rules for Dating My Teenage Daughter

Child Support Survival Guide

TV presenter, bestselling author and psychologist Nigel Latta gives common-sense and amusing answers to the complex issues surrounding today's family in its many and varied forms. Utilising both the best current research about stepfamilies and over two decades of clinical experience, Nigel traverses the dilemmas and questions that modern family life presents. The shape of the modern family has changed hugely in the last twenty years. Once upon a time mum, dad, and a three or four kids used to be the norm, but that type of family is almost an anomaly now. Stepfamilies, separated families, single parents, grandparents raising their children's children, bitter family court battles, and complicated access arrangements . . . it's a new world full of complicated family arrangements and conundrums. The Modern Family Survival Guide covers many key topics such as separation and divorce; surviving family court; sharing custody; co-parenting when your ex is difficult; step parenting; adoption issues; parenting the 'only child'; gay and lesbian parents; grandparents raising grandchildren, and much more.

Child Custody, Visitation and Support in Texas

Learn how to choose a good lawyer, get a fair shake from the courts, do right by your kids, and stay out of the poorhouse. A thoroughly revised new edition, this book takes into account recent changes in Wisconsin family law, bringing it completely up to date.

The Working Dad's Survival Guide

A must-have baby shower gift for expectant dads! In this one-of-a-kind guide, dad, doula, and certified lactation counselor Brian Salmon and perinatal mental health and relationship expert Kirsten Brunner offer practical, modern-day survival tips for expectant dads and birth partners. Gone are the days when fathers would nervously pace the waiting room while their partners gave birth. Dads are participating in childbirth now more than ever before. However, if you're like many men, you may feel unprepared, uncomfortable, or even unwelcome in the birth room. For you, this book offers battle-tested tips to help you get in the game and prepare for one of the most incredible adventures of your life. Based on the author's Rocking Dadschildbirth course, this book will teach you everything you need to know about supporting your partner through birth, breastfeeding, and beyond. In this guide, you'll discover pointers and advice you won't find in any other childbirth or breastfeeding guide, including: A list of items to pack for the hospital that will help mom's labor go more smoothly Stealth communication skills that you can utilize during early labor to support mom and keep her in a positive state of mind How to write a birth plan that the labor and delivery nurses will actually pay attention to What to say and do—and what not to say and do—when mom is in active labor and feeling all the feelings A detailed account of what to expect in the delivery room as a birth partner, and how to navigate the unknown terrains when things don't go as planned How to help mom achieve proper nipple latch when she attempts breastfeeding for the first time Finally, and perhaps most importantly, you'll find tips for maintaining a strong relationship with your partner before, during, and after the birth so that you feel closer than ever when you launch into the wild yet wonderful world of parenthood.

We Need Our Daddy Too

From buying buggies and cutting the cord to dealing with your wife's breastfeeding in public - the life of a first-time father will throw up new experiences every day. The Expectant Dad's Survival Guide tells you everything you need to know during your partner's pregnancy and the first few weeks of your new life as a dad. Combining expert advice from midwives, psychologists and obstetricians with first-hand accounts, it explains what's happening with her, what's going on with your baby, and what the hell you should be doing every step of the way. With tips from those who know, what-to-do explanations and fascinating facts, this survival guide will ensure you're armed and ready for your role as a new father - from discovery to delivery and beyond. A must-read for all fathers-to-be.

The Expectant Dad's Survival Guide

Hey Dad! Ever felt torn between advancing in your career and spending quality time with family? The Working Dad's Survival Guide is for you. The first book of its kind- the advice and encouragement you need to achieve success at work while ALSO being the involved, loving dad you always wanted to be. Written from the unique perspective of Scott Behson, a busy working dad who also happens to be a national expert in work-family issues, The Working Dad's Survival Guide is chock full of concrete time and life management strategies you can use right now.

The Survival Guide for Kids With Add Or ADHD

Just what every mother of the bride needs to help her deal with the emotional, logistical, and financial challenges of her daughter's big day! What premarital advice should a mother give the daughter who knows more about sex and stock portfolios than she does? Can the groom's step-grandparents march down the aisle as part of the wedding procession? How can a cousin get ordained on the Internet to perform the ceremony? This witty, brass-tacks survival manual for the 21st-century mother of the bride provides sharp, sensible answers to these and myriad other questions. Hilarious anecdotes and practical advice abound as the lifestyle editor for The Washingtonian shares wise counsel and helpful hints from a mom who's been there as well as chronicles some ill-fated nuptials (as a primer for what not to do). From deciphering the mysteries of wedding food to learning to understand florist-speak, from picking a suitable mother-of-the-bride outfit-without looking like a Red Hot Mama or, worse, your grandmother in lavender and lace-to keeping a sense of humor when some of what can go wrong does, this down-to-earth guide makes a perfect gift for every mother determined to give her daughter the wedding of her dreams.

Caveman's Guide to Baby's First Year

"Child Support Survival Guide" is a vital companion and reference for anyone, rich or poor, concerned with child support. It will teach custodial and noncustodial parents, as well as legal guardians, their options. It will provide solutions to parents seeking owed child support and choices to parents fretting the child support they pay. It is also an excellent reference for any Child Support of Family Law Attorney.

The Survival Guide for Kids with Physical Disabilities and Challenges

Joshua McDowell is a single father on a mission. He believes being a parent is the most rewarding experience in the world. For that reason, he wants you to help him change the family court system. Each year, millions of children grow up in

fatherless homes, resulting in teen pregnancies, school dropouts, depression, and suicides. In *Accidental Dad*, McDowell talks frankly about his own fatherless childhood. Each child wants, needs, and deserves to grow up with a strong relationship with both parents, but those parents have to be there for the right reasons. McDowell is not an expert in conventional terms, with qualifying degrees to counsel others, but he knows how it felt to grow up without his father, and he also knows how it feels for a single father to have to deal with the court system that can make a father feel worthless. He worked on this book for several years and eventually sought a professional writer to help him bring his experiences and reflections to readers. He shares firsthand information about our family courts to provide a clear understanding of the bias in courts across this country against fathers who want custody of their children. Joshua McDowell is handing us all a challenge. Help McDowell change the world, and help bring loving, caring, good fathers back to the head of household! This book will even help those young boys who are thinking about having sex to wait. They certainly can learn from the author's mistakes of having a baby too young and dealing with the court system. Keywords: Child Support. Custody, Visitation, Fathers Rights

Solo Dad Survival Guide

DAILY MAIL BOOK OF THE WEEK Men must be the worst oppressors in history - we pay the most taxes, get the least support and play longer matches at Wimbledon for no extra money. We're also more likely to be homeless, circumcised, attacked, jailed, drafted, under-educated, short-changed in parenthood and shafted by divorce. Oh, and to top it all, we die sooner. Despite this, feminists still assert we live in a patriarchy and give us a hard time. Fortunately, Peter Lloyd is here to offer a reality check in this long-overdue lad bible. Part polemic, part toolkit for the modern man, *Stand By Your Manhood* answers all the burning questions facing the brotherhood today, including: Should we fund the first date? Is penis size a political issue? Are we sexist if we enjoy pornography? Why isn't there a men's minister? Politically incorrect, fearless and laugh-out-loud funny, this is the deliciously provocative book that gives blokes their balls back.

The Single Dad's Survival Guide

Millions of fathers are currently fighting for custody of their children. Many wonder if they will ever again be an important part of their children's lives. *Fathers' Rights* covers every aspect of the custody process, including protecting the parent/child relationship as a break-up occurs, determining when to settle and when to litigate and explanations concerning the court's determination of a fair level of child support. This new edition updates the ever-changing laws in this area and expands into additional topics of importance concerning paternity issues and fathers serving in the armed forces. Numerous court cases are used as examples to illustrate relevant situations. An extensive list of resources including agencies, organizations and websites is included as easy reference for the reader.

The High-Conflict Custody Battle

It takes a baby to turn a guy into a man. Hard-won lessons of a first-time father — the good, the bad, and the big-time changes. "When I used to see a father holding a baby, I thought he was either a poor sap or else an übermensch possessed with talents and levels of forbearance that I would never attain. Now I live on the other side. I'm someone's daddy, and it's the best thing that ever happened to me." From pregnancy and childbirth through the whirlwind first year of fatherhood, Quinton Skinner shares the adventure of a lifetime: becoming a daddy — and loving it. Nobody said it would be easy. But if imminent fatherhood made Quinton sit up and take notice, baby Natasha's arrival was the making of the man. Here, with the infinite wisdom of hindsight, is his survival guide for first-time fathers everywhere, filled with hilarious anecdotes and practical advice on how to negotiate that critical first year of your baby's wonderful life. After a year of on-the-job training, Skinner explores: • Dealing with the pride — and panic — of your wife's pregnancy (see page 7) • To be or not to be (in birthing class) (see page 57) • The moment of truth in the delivery room (see page 77) • Finding romance after parenthood (see page 102) • Being the perfect dad while spacing out in front of the TV (see page 112) • The joys of sleep deprivation (see page 192) • Becoming a baby chef (see page 177) • Avoiding the poorhouse (see page 39) From the Trade Paperback edition.

Oh Boy, You're Having a Girl

For many kids with physical disabilities and challenges, the barriers they face go beyond what they can and can't do with their bodies. Loaded with tools for coping with the intense social, emotional, and academic difficulties these students often must deal with—as well as their secret fears—this book helps kids succeed in and out of the classroom and confidently handle their physical challenges. Friendly illustrations, think-about-it prompts, true-to-life stories gathered from the authors' decades of experience, and specific tips and advice provide comfort, hope, and supportive guidance.

Be Prepared

You read the pregnancy books, the nine months flew by without a hitch, the birth was brilliant and your healthy baby arrived on schedule. Job done, right? Often, the birth of your baby can feel like the end of the journey but really the adventure has only just begun. If you look down at you-junior, heart swelling with pride, then think 'What now?', this book is for you. In this essential guide for new dads, Rob Kemp - the bestselling author of *The Expectant Dad's Survival Guide* - reveals what to expect in the first 18 months, arming you with the tools you need to be a fantastic dad. Covering everything from how to bond with your baby and support his development to practical issues, such as how to manage your working arrangements and finances, this book gives new dads the confidence, skills and knowledge to enjoy fatherhood - and do a

brilliant job of it. Entertaining, informative, and packed full of expert advice, The New Dad's Survival Guide is the go-to guide for modern, hands-on dads.

The Irish Dad's Survival Guide to Pregnancy [& Beyond]

Congratulations, you're having a baby. Yes, that's right, you're expecting too! David Caren delivers a long 'overdue' practical, straight-talking pregnancy guide for Irish expectant dads - all from a dad's perspective. Combining real-life experiences from a fraternity of Irish fathers, tried-and-tested tips and expert views, with highlights including: Testing, Testing: Scans and Checks What's Up, Doc? Monitoring Mum Prams, Trams & Automobiles: Choosing the Right Wheels Lights, Camera (Maybe?), ACTION: The Delivery Gone with the Sleep: Surviving Sleep Deprivation Accessible, entertaining, reassuring - everything an expectant and new dad needs to know! Fully reviewed and updated.

But Dad!

New fathers and fathers-to-be will benefit from the humorous musings of Dean Nelson as he raises the questions, hopes, and fears of fatherhood while recounting his own experiences as a dad. The 30 devotions in this book will lead new dads (and moms) through the maze of their child's first year.

America's Survival Guide

Do you have a hard time paying attention or staying still? Do you sometimes get yelled at for talking in class or moving around? Do you often zone out? Lose assignments? Fall behind in school? Have trouble controlling your behavior? Maybe you have ADD or ADHD. These are labels grown-ups use to understand and help kids with these types of challenges. If you've been labeled ADD or ADHD, this book is for you. Look inside to find: What ADD and ADHD mean - and don't mean. Ways to make each day go better at home, at school, and with friends. How to deal with strong feelings like anger, worry, and sadness. The lowdown on medicine many kids take for ADD or ADHD. The dish on foods that can help you manage your ADD or ADHD. Fun quizzes that will help you remember what you're learning. And much more This book was written especially for you. But you might want to share it with a parent or another caring adult. Talk it over together and try some of the activities. Meanwhile, know you're not alone. Lots of kids have ADD or ADHD. With a little effort, they have learned to succeed. So can you!

Do Fathers Matter?

Explains the law in Texas on child custody rights, support and visitation. Includes reproducible forms.

Don't Call That Man!

This book is written with the intention of helping parents constructively pick up the pieces of a broken marriage and rebuild a new form of a family once you decide to divorce and move on. Divorce does not mean your family is dissolved forever. It can be seen as an opportunity for personal growth. With some introspection and thoughtful effort, parents can realize their strengths and resources.

How to Survive and Thrive When Divorcing a Narcissist

Written for any man raising daughters, the authors geared this book for the single dad who may not have a woman in his life with whom to confer about issues their daughters may be facing like sex, friendships, boyfriends, alcohol and drugs, and personal hygiene.

The New Dad's Survival Guide

Arizona Child Custody Essentials is for parents with a child custody matter coming before the Arizona family court. Child custody is raised in divorce, legal separation, annulment, paternity establishment, and in post-decree modifications for child relocation and move-aways. Because the outcome of every custody decision could impact the child's welfare and happiness, this book is used to help prepare parties for the legal proceedings ahead. Attorney Scott David Stewart demystifies custody to help parents build a solid foundation for their child's future by getting a feel for the child custody process under Arizona law. The author introduces the reader to child custody proceedings in Arizona, the court's jurisdiction over the child, the judge's responsibilities, authority, and discretion in the case, and the importance of the best interests of the child standard. He includes tips on what to look for in an Arizona child custody lawyer and how attorney's fees are awarded; devotes a chapter to the special concerns of unmarried parents; explains key child custody concepts such as legal decision-making, parenting time, and visitation; describes how child custody evaluators, mediators, and parenting coordinators assist in the case; introduces the need for a parenting plan and the strategies for obtaining desired custody arrangements; includes a discussion of child support orders and how child custody orders are modified; and discusses the impact domestic violence, child abuse and child neglect can have on the case.

Accidental Dad

America was founded on certain First Principles which are the critical underpinnings of our free society: the rule of law, unalienable rights, equality, the Social Compact, and limited government. Supported by extensive research and fuelled by a true passion and respect for the profound vision of America's Founding Fathers, Michael Warren proves how they have guided us in our journey to become the greatest and most free nation in the world. He exposes how our knowledge of our principles and history has eroded to the point of near non-existence-and that this is a threat to our survival much more serious than what may come to us from outside our borders. Warren proposes thoughtful and needed reforms to enable America to rise above the impending doom from within and reclaim the greatness envisioned by the Founding Fathers.
