In this new fast-paced thriller by internationally bestselling author Glenn Meade—a fascinating battle emerges between archaeology and the church, with hidden secrets and murder. In the desert near Jerusalem, an archaeologist is murdered after he uncovers stunning evidence in a Dead Sea scroll about the life and teachings of Jesus Christ. The 2,000-year-old parchment containing enigmatic references to not one but two messiahs is stolen before it can be fully translated. In Rome, a charismatic American priest with long-hidden secrets is elected pope, setting off widespread panic among some of the faithful who question whether he is the anti-Christ or the world's new savior. As the conspiracy over the scroll explodes into a political and religious standoff, two people find themselves on the run, trying to stay one step ahead of unknown assassins in their search for truth. Archaeologist Jack Cane and Israeli police inspector Lela Raul must solve the mystery of the Second Messiah and uncover the real secret behind the message of Jesus before they are permanently silenced and the scroll and its contents are forever lost to humanity. Compared to the likes of Frederick Forsyth, John le Carré, and Tom Clancy, Glenn Meade offers a tantalizing blend of fact and fiction that will take readers on a thrilling ride from the first page to the last.

Wrestling with God

Gershom Scholem was the master builder of historical studies of the Kabbalah. When he began to work on this neglected field, the few who studied these texts were either amateurs who were looking for occult wisdom, or old-style Kabbalists who were seeking guidance on their spiritual journeys. His work broke with the outlook of the scholars of the previous century in Judaica—die Wissenschaft des Judentums, the Science of Judaism—whose orientation he rejected, calling their “disregard for the most vital aspects of the Jewish people as a collective entity: a form of “censorship of the Jewish past.” The major founders of modern Jewish historical studies in the nineteenth century, Leopold Zunz and Abraham Geiger, had ignored the Kabbalah; it did not fit into their account of the Jewish religion as rational and worthy of respect by “enlightened” minds. The only exception was the historian Heinrich Graetz. He had paid substantial attention to its texts and to their most explosive exponent, the false Messiah Sabbatai Zevi, but Graetz had depicted the Kabbalah and all that flowed from it as an unworthy revolt from the underground of Jewish life against its reasonable, law-abiding, and learned mainstream. Scholem conducted a continuing polemic with Zunz, Geiger, and Graetz by bringing into view a Jewish past more varied, more vital, and more interesting than any idealized portrait could reveal. —from the Foreword by Arthur Hertzberg, 1995

Menaḥem Mendel Schneerson (1902-1994) was the seventh and seemingly last Rebbe of the Habad-Lubavitch dynasty. Marked by conflicting tendencies, Schneerson was a radical messianic visionary who promoted a conservative political agenda, a reclusive contemplative who built a hasidic sect into an international movement, and a man dedicated to the exposition of mysteries who nevertheless harbored many secrets. Schneerson astutely masked views that might be deemed heterodox by the canons of orthodoxy while engineering a fundamentalist ideology that could subvert traditional gender hierarchy, the halakhic distinction between permissible and forbidden, and the social-anthropological division between Jew and Gentile. While most literature on the Rebbe focuses on whether or not he identified with the role of Messiah, Elliot R. Wolfson, a leading scholar of Jewish mysticism and the phenomenology of religious experience, concentrates instead on Schneerson's apocalyptic sensibility and his promotion of a mystical consciousness that undermines all discrimination. For Schneerson, the ploy of secrecy is crucial to the dissemination of the messianic secret. To be

enlightened messianically is to be delivered from all conceptual limitations, even the very notion of becoming emancipated from limitation. The ultimate liberation, or true and complete redemption, fuses the believer into an infinite essence beyond all duality, even the duality of being emancipated and not emancipated an emancipation, in other words, that emancipates one from the bind of emancipation. At its deepest level, Schneerson's eschatological orientation discerned that a spiritual master, if he be true, must dispose of the mask of mastery. Situating Habad's thought within the evolution of kabbalistic mysticism, the history of Western philosophy, and Mahayana Buddhism, Wolfson articulates Schneerson's rich theology and profound philosophy, concentrating on the nature of apophatic embodiment, semiotic materiality, hypernomian transvaluation, nondifferentiated alterity, and atemporal temporality.

The David Story: A Translation with Commentary of 1 and 2 Samuel

The remarkable excavation of a previously unidentified city in Israel from the time of King David, shedding new light on the link between the bible and history King David is a pivotal figure in the Bible, which tells his life story in detail and gives stirring accounts of his deeds, including the slaying of the Philistine giant Goliath and the founding of his capital in Jerusalem. But no certain archaeological finds from

the period of his reign or of the kingdom he ruled over have ever been uncovered—until now. In this groundbreaking account, the excavators of Khirbet Qeiyafa in the Valley of Elah, where the Bible says David fought Goliath, reveal how seven years of exhaustive investigation have uncovered a city dating to the time of David—the late eleventh and early tenth century BCE—surrounded by massive fortifications with impressive gates and a clear urban plan, as well as an abundance of finds that tell us much about the inhabitants. Discussing the link between the Bible, archaeology, and history In the Footsteps of King David explains the significance of these discoveries and how they shed new light on David's kingdom. The topic is at the center of a controversy that has raged for decades, but these findings successfully challenge scholars disputing the historicity of the Bible and the chronology of the events recounted in it.

At the Feet of the Master

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Footsteps of the Messiah

From the beloved author of cult sensation Convenience Store Woman, which has now sold more than one million copies worldwide and has been translated into thirty-three languages, comes a spellbinding and otherworldly novel about a woman who believes she is an alien Sayaka Murata's Convenience Store Woman was one of the most unusual and refreshing bestsellers of recent years, depicting the life of a thirty-six-year-old clerk in a Tokyo convenience store. Now, in Earthlings, Sayaka Murata pushes at the boundaries of our ideas of social conformity in this brilliantly imaginative, intense, and absolutely unforgettable novel. As a child, Natsuki doesn't fit in with her family. Her parents favor her sister, and her best friend is a plush toy hedgehog named Piyyut, who talks to her. He tells her that he has come from the planet Popinpobopia on a special quest to help her save the Earth. One summer, on vacation with her family and her cousin Yuu in her grandparents' ramshackle wooden house in the mountains of Nagano, Natsuki decides that she must

be an alien, which would explain why she can't seem to fit in like everyone else. Later, as a grown woman, living a quiet life with her asexual husband, Natsuki is still pursued by dark shadows from her childhood, and decides to flee the "baby factory" of society for good, searching for answers about the vast and frightening mysteries of the universe—answers only Natsuki has the power to uncover. Dreamlike, sometimes shocking, and always strange and wonderful, Earthlings asks what it means to be happy in a stifling world, and cements Sayaka Murata's status as a master chronicler of the outsider experience and our own uncanny universe.

around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

NIV Jesus Bible

The only reliable account of the life of Jesus, the Son of God, is the four gospels in the Bible. Whilst there

are numerous authenticating secular letters, it is primarily the gospel accounts that present the greatest story of all time, the life and ultimate death of Jesus. Jesus lived for just thirty-three years and travelled no more than a couple of hundred kilometres in any direction. He lived at the time of seemingly ultimate power, that of the Roman Emperors, yet He discussed politics only once, when the issue of taxation was used to try and trap him. He penned no letters and left no monuments, yet His life and death changed the entire world through the redemptive power of the cross. All of this is told in the rich fabric of the gospels. It is a story unparalleled in the history of the world, a story that brings the author and perfecter of our faith to life. A story of Jesus who fulfilled every requirement of the law and the Old Covenant, and ushered in the New Covenant of Grace; of unmerited, undeserved, unfathomable favour upon the lives of all who believe. It is a story of Jesus, whose life and death made us completely righteous, not because of anything we did, but because of everything He did. It is a story of love so divine and of grace so deep that it deserves to be told in many different ways, as the gospels do so beautifully. The gospels are not a chronological story of the life and times of Jesus though. They are four unique but complimentary accounts, written by different men to different audiences and contain different and similar stories of the life of Jesus. Whilst there are thousands of books on the gospels and each has been a blessing, there is space for yet one more book to build on this certainty. A harmonised chronologically presented gospel account of Jesus set in the geography, politics, people, power, culture and

history of the day so the reader can walk with Jesus over his thirty three years as he crawled, walked and died on earth. This book is not meant as a commentary or an academic treatise, merely an opportunity to read every word of the four gospels woven into the time and setting of the historical truth of the Saviour of the world
