New Outlook

"In those sacred moments with Him, with one sovereign gift of a silver Mantle of Purity, Jesus revealed the depth of the redeeming work of the Cross, sufficient to bring His People forth in shining glory as the Bride and, as the pinnacle of the Created Order itself." "At a time when global vision for Transformation is being released, a powerful alignment is taking place as the Spirit leads us to pursue relationship with Jesus first, until we have become like Him, satisfied in Him, governmental like Him and then, the gates of Hell will not prevail against us!"

Gateway to Judaism is an insider's engaging look at the mindset, values, and practices of Judaism in the 21st century. As a senior lecturer and outreach expert with Gateways Seminars, Rabbi Mordechai Becher has helped thousands of people reconnect with the beauty, wisdom and relevance of their Jewish heritage. Often asked to recommend "just one book" that would explain the essentials of Jewish life and thought, he decided to write it himself! Delving beneath common perceptions of Jewish tradition, Rabbi Becher presents fresh and meaningful perspectives that will educate and inspire you. Among the many intriguing topics he addresses are: Is there spirituality in Judaism? In our age of labor-saving devices, do we still need a Sabbath? What is Judaism's view on death and the afterlife? Why is Judaism so full of laws? Why should I pray? Does God really want to hear my complaints? Can Judaism enhance my marriage? Isn't circumcision just an ancient rite of initiation? Is it still relevant? Why is Israel so central to Judaism? Does a religion need a land? Why does a mourner say Kaddish? Wasn't keeping kosher a health measure? Does it still have a purpose today? How can I add meaning to my

Passover Seder? Gateway to Judaism reveals Judaism's power to elevate your life. Whether you are new to Jewish tradition, familiar with its practice, or simply curious, you will find this book an illuminating guide to a joyous and fulfilling lifestyle. -- from dust cover.
