Trekking Nepal

Abandoned in the jungle of the Nepalese Borderlands, two-year-old Nandu is found living under the protective watch of a pack of wild dogs. From his mysterious beginnings, fate delivers him to the King's elephant stable, where he is raised by unlikely parents-the wise head of the stable, Subba-sahib, and Devi Kali, a fierce and affectionate female elephant. When the king's government threatens to close the stable, Nandu, now twelve, searches for a way to save his family and community. A risky plan could be the answer. But to succeed, they'll need a great tusker. The future is in Nandu's hands as he sets out to find a bull elephant and bring him back to the Borderlands. In simple poetic prose, author Eric Dinerstein brings to life Nepal's breathtaking jungle wildlife and rural culture, as seen through the eyes of a young outcast, struggling to find his place in the world.

One Mountain Thousand Summits reveals the true story of the K2 tragedy that claimed the lives of eleven men. Based on his numerous trips to Nepal and in-depth interviews he conducted with the survivors, the families of the lost climbers, and the Sherpa guides whose heroic efforts saved the lives of at least four climbers, Freddie Wilkinson's narrative uncovers what actually occurred on the mountain, while delivering a criticism of the mainstream press's incomplete coverage of the event, and an insightful look into the lives of the six Sherpas who were involved.

Nepal Press Report

In the 20th century Nepal was in isolation until 1950, and afterwards, the pace of socio-political and economic progresses faced lots of ups and downs. The 1950 revolution of people tried to established people's sovereignty, but was hijacked by the then king in 1960, who imposed his party-less system. Multiparty polity was reintroduced in 1990 by another movement of people. After nearly five years of multiparty polity, Communist party of Nepal-Maoists launched 'People's War' in 1996 which ended after it signed a comprehensive peace agreement with the interim government in 2006. As of now they are enjoying a major political party and leader with partner of a coalition government.
