The Halo Effect

A must-have for any Halo fan, this official guide is the most comprehensive book ever written about the video game franchise, created by the game's developers. This official, comprehensive, authoritative guide to the Halo universe, written in collaboration with 343 Industries, the developers of the "Halo" franchise, marks the first time that a book incorporates the entirety of the "Halo" canon, including the games, books, comics, live-action and animated entertainment, and more. The book also includes over 50 specially commissioned full-color paintings showcasing vehicles, artificial intelligence, weapons, ships, and never-before-seen aspects of Halo environments. The amazing illustrations come from a variety of renowned illustrators, including Jean-Sébastien Rossbach, Leonid Kozienco, Benjamin Carré, Isaac Hannaford, and 343's internal art team, too. For the first time ever, the timeline of the Halo universe is available in one place, charting humanity's battles against alien forces of the Covenant, Forerunners, and the Flood--making this book an absolute must-have for Halo fans.

Halo Mythos

An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! December 2553. Less than a year after the end of the Covenant War, a string of violent incidents continues to threaten the tenuous peace in human-held space, culminating in the assassination of UNSC fleet admiral Graselyn Tuwa and the abduction of her family. It is a provocation so outrageous that the Office of Naval Intelligence must retaliate swiftly and ferociously—but only after its operatives identify her killer and rescue the hostages. This mission will be the first for homicide-detective-turned-ONI-operative Veta Lopis and her young team of Spartan-III's, and something feels wrong from the start. The obvious suspect is an infamous Brute who leads the Keepers of the One Freedom, an ex-Covenant splinter

group in fierce opposition to the UNSC. But Lopis and her team soon realize that the truth is much more insidious than they could ever have imagined, and with Fred-104, Kelly-087, and Linda-058 of Blue Team for combat support, they must stop a plan hatched in the bowels of the secret research station Argent Moon—a plan so sinister it could destroy all those still reeling from thirty years of intergalactic conflict....

Halo Encyclopedia

A collection of interviews, anecdotes, commentary, and artwork spotlights the innovative work of the artists, musicians, writers, and game developers of Bungie Studios who created the best-selling Xbox game Halo, in a dramatic overview of the complete game development process and its characters, weaponry, technology, and alien environments. Original. 55,000 first printing.

Halo

An original digital-first novella set in the Halo Universe and based on the New York Times bestselling video game series! Find. Claim. Profit. In a post-war galaxy littered with scrap, it's the salvager's motto. And with a fast ship and a lust for adventure, Rion Forge has certainly made her mark on the trade. When the discovery of a wrecked UNSC cruiser brings Rion's past back to haunt her, stirring fresh hope into a decades-old wound, she's hell-bent on finding answers: What really happened to her father and his ship, the Spirit of Fire? This digital-first novella also contains the complete text of Kelly Gay's short story "Into the Fire," originally featured in the collection Halo: Fractures.

Halo and the Devil's Tail

A Master Chief story and original full-length novel set in the Halo universe—based on the New York Times bestselling video game series! October 2559. It has been a year since the renegade artificial intelligence Cortana issued a galaxy-wide ultimatum, subjecting many worlds to martial law under the indomitable grip of her Forerunner weapons. Outside her view, the members of Blue Team—John-117, the Master Chief; Fred-104; Kelly-087; and Linda-058—are assigned from the UNSC Infinity to make a covert insertion onto the ravaged planet Reach. Their former home and training ground—and the site of humanity's most cataclysmic military defeat near the end of the Covenant War—Reach still hides myriad secrets after all these years. Blue Team's mission is to penetrate the rubble-filled depths of CASTLE Base and recover top-secret assets locked away in Dr. Catherine Halsey's abandoned laboratory—assets which may prove to be humanity's last hope against Cortana. But Reach has been invaded by a powerful and ruthless alien faction, who have their own reasons for being there. Establishing themselves as a vicious occupying force on the devastated planet, this enemy will soon transform Blue Team's

simple retrieval operation into a full-blown crisis. And with the fate of the galaxy hanging in the balance, mission failure is not an option...

Halo 5: Guardians Collector's Edition Strategy Guide

A Master Chief story and original full-length novel set in the Halo universe—based on the New York Times bestselling video game series! 2526. It has been a year since humanity engaged in its destructive first contact with a theocratic military alliance of alien races known as the Covenant. Now the hostilities have led to open war, and the United Nations Space Command understands virtually nothing about its new enemy. There are only two certainties—the Covenant is determined to eradicate humanity, and they have the superior technology to do just that. The UNSC's only hope lies with the Spartans: enhanced supersoldiers raised and trained from childhood via a clandestine black ops project to be living weapons. Their designated commander, Petty Officer John-117, has been assigned to lead the Spartans on a desperate counterattack designed to rock the Covenant back on its heels, and to buy humanity the time it needs to gather intelligence and prepare its defenses. But not everyone wants the Spartans to succeed. A coalition of human insurrectionist leaders believes an alliance with the Covenant to be its best hope of finally winning independence from the Unified Earth Government. To further their plans, the insurrectionists have dispatched a sleeper agent to sabotage the UNSC counterattack—and ensure that John-117 and the Spartans never return from battle.

Halo: Oblivion

An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! Find. Claim. Profit. In a post-Covenant War galaxy littered with scrap, it's the salvager's motto—and Rion Forge certainly made her mark on the trade. All she wanted was to grow her business and continue the search for her long-lost father, but her recent discovery of a Forerunner debris field at the edge of human-occupied space has now put her squarely in the crosshairs of the Office of Naval Intelligence and the violent remains of the Covenant. Each faction has a desire to lay claim

to the spoils of ancient technology, whatever the cost, sending Rion and the crew of the Ace of Spades on a perilous venture—one that unexpectedly leads them straight into danger far greater than anything they've ever encountered...

Halo Mythos

An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! It has been six years since the end of the Covenant War and yet on the planet Carrow, a world on the edge of the Joint Occupation Zone, a decisive new battle suddenly erupts. Human colonists and the alien Sangheili have already been living a tension-filled co-existence in this place, with Unified Earth Government envoy Melody Azikiwe attempting to broker a lasting peace between their two species. But as civil war now engulfs the Sangheili settlers, Melody must act on an additional covert assignment courtesy of the Office of Naval Intelligence: find a way to free the SPARTAN-IIs known as Gray Team, held in stasis since the end of the war by a cunning Elite fleetmaster consumed with vengeance. And none can anticipate the ongoing violence leading to the discovery of an even greater, unstoppable threat—one hidden for eons below the surface of the planet....

HALO: Official Spartan Field Manual

Before they were legends in the Halo universe, they were soldiers on the front lines. Alpha Corvi II is under a full-scale attack by humanity's newfound enemy, the Covenant. While most of the UNSC's forces have been ordered to defend the colony's primary city, a Covenant strike team has infiltrated a small mining settlement. With resources limited, the UNSC sends the Spartans - the Master Chief and Blue Team - to neutralise the alien threat and discover what they're after.

Halo Encyclopedia

A Master Chief story and original full-length novel set in the Halo universe—based on the New York Times bestselling video game series! 2526. It has been more than a year since humanity first encountered the hostile military alliance of alien races known as the Covenant, and several weeks after the United Nations Space Command's devastating counterattack of Operation: SILENT STORM was deemed an overwhelming success. The UNSC has put its faith in the hands of the Spartans, led by the legendary Master Chief, John-117: enhanced super-soldiers raised and trained from childhood via a clandestine black ops project to be living weapons. But the Covenant—enraged and fearful of their enemy's unexpected strategies and prowess—is not taking its recent defeat lightly, and is now fully determined to eradicate humanity from existence, brutally overrunning the ill-fated planets of the Outer Colonies faster than retreats can be ordered. If the UNSC has any chance of stemming the tide of the war, the Master Chief and Blue Team must drop onto an empty, hellish world in order to capture a disabled Covenant frigate filled with valuable technology. It has all the makings of a trap, but the bait is far too tempting to ignore—and this tantalizing prize is being offered by a disgraced and vengeful Covenant fleetmaster, whose sole opportunity for redemption lies in extinguishing humanity's only hope of survival...
