Books in the Longman Literature in English series provide readers with a critical introduction to the major genres in their historical context. This new edition of the popular survey of English poetry in the Victorian period demonstrates the very real diversity and richness of Victorian poetry and covers some of the great poets of the age - Tennyson, the Brownings, the Rossettis and Hopkins. English Poetry of the Victorian Period, 1830-1890 balances detailed analysis of individual poets and works with a broader perspective on the poetic spirit of the age. There are examinations of, among many other topics, love poetry, the elegiac, Victorian satire, nonsense poetry and women poets, Readers interested in the poetry and criticism of the Victorian period.

Paradise Deferred

Twentieth-century Short Story Explication

The Bronte sisters have received an enormous amount of critical attention, given their short lives and relatively slender literary production. As a group and individually the Brontes' works resist being swept away by any one critical approach. They defied conventional ideas of the novel genre and have always made it difficult for critics to categorize them. The aim of these volumes is to emphasize both the diversity and difficulty of critical approaches to the works.

The New Princeton encyclopedia of poetry and poetics

Contains nearly 32,500 entries that provide a bibliography of interpretations that have appeared since 1900 of short stories published since 1800.

Conversation in Crisis

The book is and can only be the slightest of all slight appreciations. None the less it

Feminist Periodicals

Feminist Studies

A guide to British women authors, their works, and the writing about them.

Victorian Literature, 1830-1900

The book's focus is how these novels revise the romance plot, abandoning this ancient and very political story line and creating in its place a much larger imaginary field in which female heroines as well as their readers can consider and experiment with other possibilities.

The Brontës

Research Papers

A journalistic survey of the Holy Spirit in the world, from the Jewish prophets to modern times.

The Men's Bibliography

Throughout history the poetic muse has tended to be (a passive) female and the poet male. This dynamic caused problems for late Victorian and twentieth-century women poets; how could the muse be reclaimed and moved on from the passive role of old? Parker looks at fin-de-siècle and modernist lyric poets to investigate how they overcame these challenges and identifies three key strategies: the reconfiguring of the muse as a contemporary instead of a historical/mythological figure; the muse as a male figure; and an interchangeable poet/muse relationship, granting agency to both.

The Lesbian Muse and Poetic Identity, 1889-1930

123 Robotics Experiments for the Evil Genius

123 ROBOT EXPERIMENTS! 123 STEPS NEEDED TO BRING OUT THE GENIUS IN EVERY BASEMENT HOBBYIST! If you enjoy tinkering in your workshop and have a fascination for robotics, you'll have hours of fun working through the 123 experiments found in this innovative project book. More than just an enjoyable way to spend time, these exciting experiments also provide a solid grounding in robotics, electronics, and programming. Each experiment builds on the skills acquired in those before it so you develop a hands-on, nuts-and-bolts understanding of robotics -- from the ground up. 123 Robotics Projects for the Evil Genius -- * Introduces you to robotics, electronics, and programming for robotics step-by-step -- you don't need to be a science whiz to get started, but you will be when you have finished * Vividly explains the science behind robots and the technologies needed to build them, including: Electronics; Mechanical assembly; Motors and batteries; Programming and microcontrollers * Shows how you can create simple robots and models using materials found around the house and workroom * Requires only inexpensive, easily obtained parts and tools * Provides a PCB (printed circuit board) that will make it easy to create the circuits used in this

Gaskell, and George Eliot recovering the historical and literary roots of the supernatural as it appears in each women's work. Dickerson (English, Rhodes College) makes interesting observations about women's changing roles in the 19th century when scientific advancements relegated women to the home as arbiters of the spiritual while men occupied themselves with "rational" invention. Through close readings, she demonstrates how the Brontes, Gaskell, and Eliot resisted this division and, simultaneously, created a spiritual genre of writing traditionally denigrated by critics.
