### **I Am Albert Einstein**

Presents the life of the world-renowned German scientist, describing how his life-long curiosity and ability to question accepted theories led him to develop his famous theory of relativity and win the Nobel Prize for Physics.

### **The Story of Young Abraham Lincoln**

A Black History Month-timed entry in the best-selling series follows the heroic story of baseball star Jackie Robinson, describing, in text and comic thought bubbles, his childhood, early ambitions and barrier-breaking achievements. By the best-selling author of Heroes for My Son.

### **Lincoln and the Jews**

The famous Renaissance artist and inventor Leonardo da Vinci is the twentieth hero in the New York Times bestselling picture book biography series. This friendly, fun biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers and that always includes the hero's childhood influences. At the back are an excellent timeline and photos. This book features Leonardo da Vinci, the Renaissance artist and inventor.

### **I am George Washington**

A narrative portrait of Abraham Lincoln in his own voice reflects on his major life events, from his picaresque youth in Illinois and improbable marriage to Kentucky belle Mary Todd through his visit to war-shattered Richmond days before his assassination.

## **I Am Lucille Ball**

## **Abe Lincoln's Dream**

One hundred and fifty years after Abraham Lincoln's death, the full story of his extraordinary relationship with Jews is told here for the first time. *Lincoln and the Jews: A History* provides readers both with a captivating narrative of his interactions with Jews, and with the opportunity to immerse themselves in rare manuscripts and images, many from the Shapell Lincoln Collection, that show Lincoln in a way he has never been seen before. Lincoln's lifetime coincided with the emergence of Jews on the national scene in the United States. When he was born, in 1809, scarcely 3,000 Jews lived in the entire country. By the time of his assassination in 1865, large-scale immigration, principally from central Europe, had brought that number up to more than 150,000. Many Americans, including members of Lincoln's cabinet and many of his top generals during the Civil War, were alarmed by this development and treated Jews as second-class citizens and religious outsiders. Lincoln, this book shows, exhibited precisely the opposite tendency. He also expressed a uniquely deep knowledge of the Old Testament, employing its language and concepts in some of his most important writings. He befriended Jews from a young age, promoted Jewish equality, appointed numerous Jews to public office, had Jewish advisors and supporters starting already from the early 1850s, as well as later during his two presidential campaigns, and in response to Jewish sensitivities, even changed the way he thought and spoke about America. Through his actions and his rhetoric—replacing "Christian nation," for example, with "this nation under God"—he embraced Jews as insiders. In this groundbreaking work, the product of meticulous research, historian Jonathan D. Sarna and collector Benjamin Shapell reveal how Lincoln's remarkable relationship with American Jews impacted both his path to the presidency and his policy decisions as president. The volume uncovers a new and previously unknown feature of Abraham Lincoln's life, one that broadened him, and, as a result, broadened America.

## **I Am Abraham Lincoln**

The littlest readers can learn about Jane Goodall in this board book version of the New York Times bestselling *Ordinary People Change the World* biography. This friendly, fun biography series focuses on the traits that made our heroes great—the traits that kids can aspire to in order to live heroically themselves. ## **Abraham Lincoln**

We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Learn all about George Washington, America's first president. George Washington was one of the greatest leaders the world has ever known. He was never afraid to be the first to try something, from exploring the woods around his childhood home to founding a brand new nation, the United States of America. With his faith in the American people and tremendous bravery, he helped win the Revolutionary War and became the country's first president. Each picture book in this series is a biography of a significant historical figure, told in a simple, conversational, vivacious way, and always focusing on a character trait that makes the person a role model for kids. The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. And each book ends with a line of encouragement, a direct quote, photos, a timeline, and a source list.

## **I Am Benjamin Franklin**

Text and illustrations present the life of the boy born on the Kentucky frontier who became the sixteenth president of the United States.

## **I Am Walt Disney**

Focusing on prints produced in Lincoln's lifetime and in the iconographically important months immediately following his death, this illustrated volume pairs original photographs and paintings with the prints made from them. It includes wartime cartoons, Lincoln family portraits and renderings of the moment of the shooting at Ford's Theatre.

## **Abraham Lincoln**

Discover the life of Abraham Lincoln--a story about honesty, leadership, and staying true to your values Delve into the life of the 16th president of the United States--Abraham Lincoln--a man many say is the most important president in US history. Even before he ended slavery and reunited America, Abraham was a hard-working kid who believed in equality and freedom for everyone. He soon discovered that by learning as much as he could, he would be able to help people and change the world for the better. Of all the Abraham Lincoln books for kids, this one best explores how he went from being a poor farm boy with a dream to one of the most powerful leaders in US history. All Abraham Lincoln books for kids should include: Helpful definitions--Increase your knowledge with a glossary of easy-to-understand definitions for the more advanced words and ideas discussed. Lasting change--Learn about how Abraham made the world a better place for future generations. Visual timeline--Unlike many other Abraham Lincoln books for kids, this one includes a timeline so you can see how he grew into a great leader. If you've been curious about Abraham Lincoln books for kids, look no further--this one has you covered.

## **The Lincoln Image**

## **I am Sacagawea**

In *A Just and Generous Nation*, the eminent historian Harold Holzer and the noted economist Norton Garfinkle present a groundbreaking new account of the beliefs that inspired our sixteenth president to go to war when the Southern states seceded from the Union. Rather than a commitment to eradicating slavery or a defense of the Union, they argue, Lincoln's guiding principle was the defense of equal economic opportunity. Lincoln firmly believed that the government's primary role was to ensure that all Americans had the opportunity to better their station in life. As president, he worked tirelessly to enshrine this ideal within the federal government. He funded railroads and canals, supported education, and, most importantly, issued the Emancipation Proclamation, which opened the door for former slaves to join white Americans in striving for self-improvement. In our own age of unprecedented inequality, *A Just and Generous Nation* reestablishes Lincoln's legacy as the protector not just of personal freedom but of the American dream itself.

## **Abraham Lincoln**

From the author of *Lincoln: A Photobiography*, comes a clear-sighted, carefully researched account of two surprisingly parallel lives and how they intersected at a critical moment in U.S. history. Abraham Lincoln and Frederick Douglass were both self-taught, both great readers and believers in the importance of literacy, both men born poor who by their own efforts reached positions of power and prominence—Lincoln as president of the United States and Douglass as the most famous and influential African American of his time. Though their meetings were few and brief, their exchange of ideas helped to end the Civil War, reunite the nation, and abolish slavery. Includes bibliography, source notes, and index.

## **I Am Unstoppable**

This installment of the "New York Times"-bestselling biography series tells the story of how Gandhi used the principles of nonviolence and noncooperation to fight discrimination against Indians in South Africa and to end British rule in India. Full color.

## **I Am Jane Goodall**

"A biography of Martin Luther King Jr. that tells the story of how he used nonviolence to lead the civil rights movement"--

## **I Am Curious**

When a schoolgirl gets separated from her tour of the White House and finds herself in the Lincoln bedroom, she also discovers the ghost of the great man himself.

## **I am Caring**

This biography of the sixteenth president explores Lincoln's life and political career along with insights into his philosophy, religious views, and moral character.

## **The Real Lincoln**

"ABE is a cultural biography of Abraham Lincoln, following Lincoln's monumental life from cradle to grave while weaving a narrative that includes Lincoln's cultural influences and the nation-wide and regional cultural trends and moods and happenings of his day, and how Lincoln both shaped and was shaped by his America. The music, humor, literature, and

fashions of the time and their impact on Lincoln's life are explored as well, and analysis of other important figures such as Lincoln's wife, his assassin, his professional partners, etc., also draw on this culturally focused style"--

## **Ordinary People**

A New Look at Abraham Lincoln, His Agenda, and an Unnecessary War Most Americans consider Abraham Lincoln to be the greatest president in history. His legend as the Great Emancipator has grown to mythic proportions as hundreds of books, a national holiday, and a monument in Washington, D.C., extol his heroism and martyrdom. But what if most everything you knew about Lincoln were false? What if, instead of an American hero who sought to free the slaves, Lincoln were in fact a calculating politician who waged the bloodiest war in American history in order to build an empire that rivaled Great Britain's? In *The Real Lincoln*, author Thomas J. DiLorenzo uncovers a side of Lincoln not told in many history books--and overshadowed by the immense Lincoln legend. Through extensive research and meticulous documentation, DiLorenzo portrays the sixteenth president as a man who devoted his political career to revolutionizing the American form of government from one that was very limited in scope and highly decentralized—as the Founding Fathers intended—to a highly centralized, activist state. Standing in his way, however, was the South, with its independent states, its resistance to the national government, and its reliance on unfettered free trade. To accomplish his goals, Lincoln subverted the Constitution, trampled states' rights, and launched a devastating Civil War, whose wounds haunt us still. According to this provocative book, 600,000 American soldiers did not die for the honorable cause of ending slavery but for the dubious agenda of sacrificing the independence of the states to the supremacy of the federal government, which has been tightening its vise grip on our republic to this very day. In *The Real Lincoln*, you will discover a side of Lincoln that you were probably never taught in school—a side that calls into question the very myths that surround him and helps explain the true origins of a bloody, and perhaps, unnecessary war.

## **The 10 Greatest Conspiracies of All Time**

Follows Abraham Lincoln from his childhood to the presidency, showing how he spoke up about fairness and eventually led the country to abolish slavery.

## **I Am Jackie Robinson**

Learn all about Jane Goodall, the chimpanzee scientist.

## **I Am Martin Luther King, Jr**

An analysis of Abraham Lincoln's political talents identifies the character strengths and abilities that enabled his successful election, in an account that also describes how he used the same abilities to rally former opponents in winning the Civil War.

## **I Am Rosa Parks**

Master storyteller Brad Meltzer counts down and decodes the world's top 10 most intriguing conspiracies stories. Wanted: the truth. In a riveting collection, Brad Meltzer guides us through the 10 greatest conspiracies of all time, from Leonardo da Vinci's stolen prophecy to the Kennedy assassination. This richly illustrated book serves up those fascinating, unexplained questions that nag at history buffs and conspiracy lovers: Why was Hitler so intent on capturing the Roman "Spear of Destiny?" Where did all the Confederacy's gold go? What is the government hiding in Area 51? And did Lee Harvey Oswald really act alone? Meltzer sifts through the evidence, weighs competing theories, separates what we know to be true and what's still--and perhaps forever--unproved or unprovable, and in the end, decodes the mystery and arrives at the most likely explanation.

## **I Am Billie Jean King**

Recounts Rosa Parks' daring effort to stand up for herself and other African Americans by helping to end segregation on public transportation.

## **I am Leonardo da Vinci**

A first-person presentation of the life and career of comedian and studio head Lucille Ball.

## **A Just and Generous Nation**

Presents the life of the first female pilot to fly solo across the Atlantic Ocean, who mysteriously disappeared in 1937 while attempting to fly around the world.

## **I Am Gandhi**

Sacagawea, the only Native American included in Lewis and Clark's historic expedition, joins the inspiring list of heroes whose stories are told in this New York Times Bestselling biography series. Sacagawea was the only girl, and the only Native American, to join Lewis and Clark's Corps of Discovery, which explored the United States from the Mississippi River all the

way to the Pacific Ocean in the early 1800s. As a translator, she helped the team communicate with members of the Shoshone tribe across the continent, carrying her child on her back the whole way. By the time the expedition arrived at the west coast, Sacagawea had proved that she truly was a trailblazer. This friendly, fun biography series focuses on the traits that made our heroes great—the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of one of America's icons in a lively, conversational way that works well for the youngest nonfiction readers and that always includes the hero's childhood influences. At the back are an excellent timeline and photos.

## **I Am Helen Keller**

Poor Abraham Lincoln! His life was hardly fun at all. A country torn in two by war, citizens who didn't like him as president, a homely appearance—what could there possibly be to laugh about? And yet he did laugh. Lincoln wasn't just one of our greatest presidents. He was a comic storyteller and a person who could lighten a grim situation with a clever quip. This unusual biography of Lincoln highlights his life and presidency, focusing on what made his sense of humor so distinctive—and so necessary to surviving his tough life and times.

## **I am Kind**

## **I Am Amelia Earhart**

"The story of Helen Keller, who learned to read and write despite being deaf and blind, and became an activist who fought for the rights of disabled people"--

## **I Am Jim Henson**

"A biography of Walt Disney with a focus on his work making dreams come true for himself and for generations of children"--

## **Abraham Lincoln and Frederick Douglass**

The 17th picture book in the "New York Times"-bestselling series profiles one of the greatest tennis players of all time who also fought successfully for women's rights. Full color.

## **The Story of Abraham Lincoln**

The boy or girl who reads to-day may know about the real Lincoln, than his own children knew. The greatest President's son, Robert Lincoln, discussing a certain incident in their life in the White House, remarked to the writer, with a smile full of meaning; " I believe you know more about our family matters than I do!"

### **Abe**
