The 48 Laws of Power

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice

from the creator of the popular website Ask a Manager and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years

in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

Lancelot, despite being the bravest of the knights, is ugly, and ape-like, so that he calls himself the Chevalier mal fet - "The Ill-Made Knight". As a child, Lancelot loved King Arthur and spent his entire childhood training to be a knight of the round table. When he arrives and becomes one of Arthur's knights, he also becomes the king's close friend. This causes some tension, as he is jealous of Arthur's new wife Guinevere. In order to please her husband, Guinevere tries to befriend Lancelot and the two eventually fall in love. T.H. White's version of the tale elaborates greatly on the passionate love of Lancelot and Guinevere. Ask a Manager

This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write.

He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, Algernon? And the biggest question of all--will the operation be successful?

I'll Give You the Sun

An odyssey of family, heartbreak, violence, punk rock, brokenness, broke-ness, sex, love, loss, drinking, drinking, drinking, and an unlikely savior: distance running. A misfit kid at the best of times, Mishka Shubaly had his world shattered when, in a twenty-four-hour span in 1992, he survived a mass shooting on his school's campus, then learned that his parents were getting divorced. His father, a prominent rocket scientist, abandoned the family and their home was lost to foreclosure. Shubaly swore to avenge the wrongs against his mother, but instead plunged into a magnificently toxic love affair with alcohol. Almost two decades later, Shubaly's life changed again when a fateful five-mile run after a bar fight inspired him to clean up his life. And when he finally reconnected with his estranged father, he discovered the story of

his childhood was radically different from what he thought he knew. In this fiercely honest, emotional, and self-laceratingly witty book, Shubaly relives his mistakes, misfortunes, and infrequent good decisions: the disastrous events that fractured his life; his incendiary romances; his hot-and-cold career as a rock musician; meeting his newborn nephew while out of his gourd on cough syrup. *I Swear I'll Make It Up to You* is an apology for choices Shubaly never thought he'd live long enough to regret, a journey so far down the low road that it took him years of running to claw his way back.

boss share about how to do legit business? Let's have a sit-down and find out. By age 24, charming mob boss Michael Franzese was one of the wealthiest people on Fortune magazine's survey. As one of the rare people who quit the mob and lived to tell about it, Franzese has a unique perspective on how business is done. And one thing he noticed was that the way he made millions per week in business inside the mob can be applied to doing business outside the mob (minus the illegal part):

- Mob Rule # 4; Be an Early Riser & Avoid Getting Killed in Your Pajamas
- Mob Rule # 5: Ya Gotta Have a Crew
- Mob Rule # 7: Cook the Pasta, Not the Books

"Anyone who sells the mob short when it comes to its ingenuity, its ability to connect with people from all walks of life, and its substantial profit margins is simply kidding themselves." This book promises a mob's eye view of business that will change the way you see business forever.

The Book Thief

The must-read summary of Michael Franzese's book: "I'll Make You An Offer You Can't Refuse: Insider Business Tips From a Former Mob Boss" This complete summary of the ideas from Michael Franzese's book "I'll Make You an Offer You Can't Refuse" shows how Michael Franzese, a former mob boss, puts forward an originally surprising, but convincing, hypothesis: organised crime is not profitable by accident. The men in charge have ingenuity and tenacity. In the 1980s, the President's Commission on Organized Crime estimated organised

crime generates more than \$50 billion in revenues each year. Obviously, this summary doesn't suggest a life of crime, but it does propose that every legitimate businessperson could learn something they could apply. It advises to concentrate on the end goal at all times, and to eliminate any clutter which gets in the way of that. Always be judicious and measured in what you say, because it could come back to haunt you. Be a good listener. Remember at all times that success is self-defined, and work towards your goals, not anyone else's. Added-value of this summary: • Save time • Understand the key concepts • Increase your business knowledge To learn more, read "I'll Make You an Offer You Can't Refuse" and discover this utterly compelling, entertaining, and valuable guide to achieve your goals.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to

begin.

And most of all, the fear that we'll fail. But courage doesn't mean we are never afraid. True courage means taking action, despite the fear. True courage means doing it scared. The question is - how? The Godfather

In a dark and perilous realm, a nameless outcast seeks a voice, a past, and a future: “A dazzling debut” (Jennifer Roberson). In all of Erith, there is perhaps no one as wretched as the nameless mute foundling confined to the lowest depths of Isse Tower. Abused by many and despised by all, the pathetic creature lives without memories in the shadows. The amnesiac longs to escape—to roam the wild landscape in search

of a past, a name, a destiny—but dangers surround the tower. Only flying ships and majestic winged horses carrying important visitors can reach the castle safely, landing high above the ground on its battlements. The local servants whisper about malevolent creatures that roam the forests and bear no love for humankind. Escape seems impossible in this treacherous world of wights and monsters. Praised as Australia's J. R. R. Tolkien, Cecilia Dart-Thornton has set a towering new standard for fantasy fiction, earning the respect and acclaim of readers, reviewers, and some of the world's most renowned fantasists. With roots firmly embedded in the ancient folklore of the British Isles, *The Ill-Made Mute*—the opening volume of Dart-Thornton's magnificent *Bitterbynde Trilogy*—introduces fantasy lovers to an unforgettable character whose remarkable adventures rival the epic trials of the Bagginses and the tales of *The Silmarillion*.

I Will Make You Pay

A mechanic milks a cow, a recluse walks outside for the first time in three weeks, two teenagers watch tennis on mute, a grown man drinks a juice box in his underwear -- all of these moments strike the artful balance between intellectual acuity and lighthearted absurdity, establishing Toddy Smith and Darren Nuzzo as the new literary voices to listen to, laugh with and follow. At times it will feel like you're scrolling through Twitter or two drinks in at a comedy club; other times it will feel like you're at the public library or your local art gallery. You'll find characters you want to hug and

ones you hope never to meet again. From light and humorous to sad and dark, the book captures the times we're living in now while paying respect to the works that came before. Driven by the diary entries of best friends Toddy Smith and Darren Nuzzo, this book is the result of two old-souled writers creating art in the internet age, heavily rooted in literature, yet shaped by the 21st century.

The Republic is a Socratic dialogue, written by Plato around 380 BC, concerning the definition of justice, the order and character of the just city-state and the just man—for this reason, ancient readers used the name On Justice as an alternative title (not to be confused with the spurious dialogue also titled On Justice). The dramatic date of the dialogue has been much debated and though it might have taken place

some time during the Peloponnesian War, "there would be jarring anachronisms if any of the candidate specific dates between 432 and 404 were assigned"

The Ill-Made Knight

Grant and Oz absolutely cannot stand each other. Grant has spent his whole life fighting to convince his mom that he can ace fine arts school and land a lead musical role on Broadway, whereas Oz has preferred to get drunk, strum his bass to heavy metal, and do everything in his power to get expelled from his father's prestigious university. But when Oz wants his ex-boyfriend back and Grant needs a way to get his foot through a casting agent's door, the two roommates make possibly the stupidest deal of their lives: Grant will pretend to be Oz's boyfriend to make his ex jealous in exchange for a recommendation letter from Oz's father. Between playing spin-the-bottle at frat parties, dressing up like skeleton strippers, and almost drowning in an indoor hot tub, Grant and Oz are forced to ask themselves the big questions. How badly does Oz need Caleb to love him in order to love himself? Is Grant really ready to leave everything behind to chase his dreams? And how do you define your relationship with your fake-boyfriend-roommate who may or may not love you back? Ill Make You A Deal is a satirical, sarcastic, vitally queer love story that begs the reader to question how far they're willing to go to admit that they're in love.

The Odyssey of Homer

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Mama, I'll Give You the World

Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family’s most precious—and dangerous—asset. As the Binewskis take their act

across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

Mob boss Michael Franzese had it all—money, power, prestige. From the time he took a blood oath that bound him body and soul to New York's Colombo

crime family, Franzese became a force to be reckoned with in organized crime. Named by Vanity Fair as one of the biggest moneymakers in the mob since Al Capone, he quickly crept into the upper echelon of Mafia authority in this country. By the age of thirty-five, he was the youngest mobster listed on Fortune magazine's survey of the fifty most wealthy and powerful Mafia bosses in America. Cancer, I'll Give You One Year: A Non-Informative Guide To Breast Cancer, A Writer's Memoir In Almost Real Time is not about eating kale. The book is 100 percent narrative nonfiction and 0 percent self-help. It was actually written for the author's children in case she died. This sounds morbid, but maybe "pointed" and "candid" are better words. Embracing candor as an aesthetic, this real-time story hits upon the sacred, the profane, a trip to Epcot, a colonoscopy, her kids'

responses to everything, and O. J. Simpson's parole hearing. Writing-centric, voice-driven, and conscious of a death sentence—no diets or exercises are offered, but the author may give horrible parenting advice. It's undoubtedly funny, but also a meditation on meaning.
