Resistance can be a location of intense personal, interpersonal and cultural negotiation, and that is the primary reason for interest in this phenomenon. Ordinary life events contain innumerable instances of agency and resistance. This volume discusses their manifestations, and it is therefore of interest for academics and researchers of cultural psychology, cultural studies, anthropology, sociology, and human development.

Shiva Parvati

Jayshree loves doing homework! But one day; instead of studying; she hears voices out in the garden and goes out to see who's there. She meets a strange man called Kama. Poor Kama was made invisible by an angry Shiva once. Now that Jayshree can see him he shows her all the magic he can do—make butterflies appear; bees buzz; fill the garden with fragrant flowers. But then Yama appears; and he does not like playing at all! Yama believes only in working. Kama and Yama start fighting about who Jayshree will be friends with. Who do you think Jayshree will choose—the fun-loving; naughty Kama; or the stern; no-nonsense Yama?

A powerful demon threatens the gods in their heaven. They need a saviour, who, Lord Brahma decrees, will be the son born to Shiva and Parvati. But Shiva - a badly-dressed, untidy, solitary ascetic - seems to enjoy bachelorhood. Even Parvati's unmatched beauty aided by Kama, the god of love, seems unequal to the task of enchanting the stern lord. This illustrated classic is based on Kumara Sambhava of Kalidasa.

Mesmerism of Girlfriend - Fictional Crime Thriller Story in English

This is the first volume of a projected three-volume work on the little-known South Indian folk cult of the goddess Draupadi and on the classical epic, the Mahabharata, that the cult brings to life in mythic, ritual, and dramatic forms. Draupadi, the chief heroine of the Sanskrit Mahabharata, takes on many unexpected guises in her Tamil cult, but her dimensions as a folk goddess remain rooted in a rich interpretive vision of the great epic. By examining the ways that the cult of Draupadi commingles traditions about the goddess and the epic, Alf Hiltebeitel shows the cult to be singularly representative of the

A riveting account of love and desire India is the only civilization to elevate kama-desire and pleasure-to a goal of life. Kama is both cosmic and human energy, which animates life and holds it in place. Gurcharan Das weaves a compelling narrative soaked in philosophical, historical and literary ideas in the third volume of his trilogy on life's goals: India Unbound was the first, on artha, 'material well-being'; and The Difficulty of Being Good was the second, on dharma, 'moral well-being'. Here, in his magnificent prose, he examines how to cherish desire in order to live a rich, flourishing life, arguing that if dharma is a duty to another, kama is a duty to oneself. It sheds new light on love, marriage, family, adultery and jealousy as it wrestles with questions such as these: How to nurture desire without harming others or oneself? Are the erotic and the ascetic two aspects of our same human nature? What is the relationship between romantic love and bhakti, the love of god?

For readers of Akhil Sharma, Mohsin Hamid, and Teju Cole, a haunting novel about an upwardly mobile family splintered by success in rapidly changing India. "It's true what they say--it's not we who control money, it's the money that controls us." In this masterful novel by the acclaimed Indian writer Vivek Shanbhag, a close-knit family is delivered from near-destitution to sudden wealth after the narrator's uncle founds a successful spice company. As the narrator--a sensitive young man who is never named--his sister, his parents, and his uncle move from a cramped, ant-infested shack to a larger house and begin to grow accustomed to their newfound wealth, the family dynamics begin to shift. Allegiances and desires realign; marriages are arranged and begin to falter; and conflict brews ominously in the background. Things begin to become "ghachar ghochar"--a nonsense phrase that, to the narrator, comes to mean something entangled beyond repair. Told in clean, urgent prose, and punctuated by moments of unexpected warmth and humor, Ghachar Ghochar is a quietly enthralling, deeply unsettling novel about the shifting meanings--and consequences--of financial gain in contemporary India"--

Naughty Love Stories - Hidden Stories of College Days

Because my questions made Amir uncomfortable, he pronounced talaq just like that on the wife who had abandoned everything for him because his religion gives him that privilege. Where do I now stand, sir? Do you have any solutions for me?' Lakshmi, a rebellious, free-spirited and intelligent film-maker, breaks ties with her staunchly Gandhi an father to marry Amir, the man she loves. She even agrees reluctantly to Amir's request that she convert to Islam, as a formality and change her name to Razia. However, she is shocked to discover that her husband is not the open-minded, progressive individual he

claimed to be. For after marriage, Amir takes his family's side in trying to force her to follow the more rigorous tenets of their faith. This sets her off on a personal journey into India's history to uncover the many layers of religion, caste and creed. Her quest leads her to the many parallels in the narratives between the past and the present and she gradually finds that though much has changed in Indian society over the centuries, much remains the same. The second historical novel by celebrated Kannada author S.L. Bhyrappa, translated for the first time into English by Sandeep Balakrishna, Aavarana: The Veil raises pertinent and searching questions about religion, liberalism and identity and highlights the importance of unshackling oneself from the bonds of false knowledge.

"In this military history, Gaff documents the British and French influence, the famed battle at Fallen Timbers, and the Treaty of Greeneville, which ended hostilities in the region. His account brings to light alliances between Indian forces and the British military, demonstrating that British troops still conducted operations on American soil long after the supposed end of the American Revolution."--BOOK JACKET.

Sudha Murty's new book comprises two novellas that explore two quests by two different men—both for mothers they never knew they had. Venkatesh, a bank manager, stumbles upon his lookalike one fine day. When he probes further, he discovers his father's hidden past, which includes an abandoned wife and child.
