The Heinemann TOEFL Preparation Course

This proceedings book captures a wide range of timely themes for readers to be able to foresee the digital era's impact on English teaching in non-English speaking countries. English used in the global environment, the frequent mobile communication, and the use of AI-based translators are bringing about dramatic changes in our English language learning and teaching. Who can provide us the wisdom to know what to do? Those scholars going through these complex environmental changes! A collection of puzzle pieces may bring us a better contour for the future than a perfectly edited book. It's indeed a pleasure reading these insightful pieces to gain wisdom for the future of ELT practices in global contexts.

Longman Preparation Course for the TOEFL Test

TOEFL (R) Itp Test

This is the most updated edition of the TOEFL ITP textbook. The textbook covers the three sections of the test: Listening (with high-quality audio free online), Grammar, & Reading. Each page of the textbook contains different authentic TOEFL(R) ITP questions, explanations for the correct answers, new vocabulary words, TOEFL(R)ITP tips (in Spanish language), English tips, some online resources, lots of practice questions, and homework questions. This textbook has proven to help students to improve their TOEFL(R) ITP score significantly in a very short time. It sold thousands of copies worldwide and received lots of positive feedback. This new edition includes the following: (1) Higher quality audio (link attached), (2) TOEFL ITP vocabulary words list, (3) Extra practice questions, (4) More feedback, (5) Homework questions, & (6) Improved design.

Official TOEFL iBT Tests Volume 1, Second Edition

Longman Preparation Series for the TOEIC Test

Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: * Essential rhetorical strategies and opinion development strategies * Step-by-step basic responses for all speaking and writing tasks * Step-by-step advanced responses for all speaking and writing tasks * Step-by-step emergency responses for all speaking and writing tasks * How to revise your spoken and written responses to maximize scoring * How to rate spoken and written responses quickly and proficiently ARGUMENT DEVELOPMENT Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score. ARGUMENT MAPPING Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based strategy called argument mapping. SCORING STRATEGIES Learn how to think like a TOEFL rater so you know exactly what to say and write to maximize scoring.

Longman Complete Course for the TOEFL Test

Keynote

Now in a new edition, the three-level Longman Preparation Series for the TOEIC(r) Test gives students the skills and

strategies they need to increase their scores on the Listening and Reading sections of the TOEIC(r)test. Designed and paced to reflect the look and feel of the TOEIC(r) test, this series maximizes learners familiarity and comfort with the exam. New Fifth Edition features include: Free CD-ROM containing audio MP3 files, audio script and optional answer key to help students practice listening comprehension exercises on their own. Notes to the teacher and syllabus with suggested teaching times promote consistency across multiple program sites. Three complete Practice Tests include TOEIC(r) test-style answer sheets for diagnosis and assessment. Over 1,000 practice items reflecting the format and content of the TOEIC test. Objectives in each section help learners to focus and set goals. Highlighted test-taking tips provide tips and grammatical explanations, plus links to specific exercises for immediate help and reinforcement. New grammar tips and vocabulary tips. Expanded and more varied exercises provide realistic test practice. Complete listening CD-ROM with every book. This titles does not include the Answer Key. "

Longman Dictionary of Common Errors

Through life-changing stories, respected thinkers and authentic presentations, Keynote promotes a deeper understanding of the world and gives students the courage and means to express themselves in English. Communication, collaboration and creative thinking drive students towards real 21st century outcomes and encourage them to respond to ideas and find their own voice. Both students and teachers will emerge with new confidence, new ideas and a new determination to communicate in this increasingly information-rich world of Global English.

Cracking the TOEFL IBT 2013

Based on the analysis of a specially compiled corpus of internationally recognized English as a foreign language (EFL) reading tests at different levels of proficiency, this volume explores the relation between the complexity of written texts and the difficulty of reading comprehension tests. It brings together linguistic investigations into the text-inherent complexity of the tests and a study of the data derived from their administration to groups of Italian university students. The study of text complexity draws on corpus linguistics, text linguistics and systemic functional linguistics. Both quantitative and qualitative analyses are carried out on the language used in the reading texts and in the related tasks that make up the corpus of tests. The assessment of test difficulty, on the other hand, is informed by research on language testing, and, in particular, by findings and methodologies of Classical Test Theory and Item Response Theory. Relevant aspects of these theories are used to analyze and interpret both the data obtained from the administration of the tests and the data collected by means of feedback questionnaires completed by test takers. The application of such diverse methodologies and the subsequent comparison of the results of the analyses has brought out interesting correlations between text-inherent complexity, perceived test difficulty and actual test difficulty.

Longman Preparation Course for the TOEFL Test

The bestselling official guide to the TOEFL iBT® test, from ETS, the maker of the test! Now expanded with a fourth authentic TOEFL iBT practice test. The new Official Guide to the TOEFL® Test is the best, most reliable guide to the test that is used to meet English-language proficiency requirements at more than 10,000 institutions worldwide, including top universities in Australia, Canada, the U.K. and the U.S. This completely updated fifth edition includes real TOEFL test questions for practice, as well as explanations of all four sections of the test. The guide provides learners with information on how to integrate reading, listening, speaking and writing skills in order to construct effective answers that demonstrate university-level English proficiency. Inside you'll find: Hundreds of authentic TOEFL test questions and essay topics from the test maker Four authentic TOEFL iBT practice tests (available in the book and on DVD) Test-taking strategies to help you do your very best on the test.

The Oxford English Dictionary

Non-literal language is ubiquitous in everyday life, and while hyperbole is a major part of this, it has so far remained relatively unexplored. This volume provides the first investigation of hyperbole in English, drawing on data from genres such as spoken conversation, TV, newspapers, and literary works from Chaucer to Monty Python. Combining quantitative and qualitative analyses, it uses approaches from semantics, pragmatics, discourse analysis and classical rhetoric to investigate in detail both speaker-centered and emotive aspects of hyperbole, and also addressee-related aspects, such as interpretation and interactional uptake. Illustrated with a range of diachronic case studies, hyperbole is also shown to be a main means of linguistic creativity, and an important contributor to language change. The book concludes with an exploration of the role of hyperbole in political speaking, humour, and literature. Original and in-depth, it will be invaluable to all those working on meaning, discourse, and historical linguistics.

Longman Prepare for the TOEFL Test

Advocated (and attacked) by commentators across the political spectrum, paying every citizen a basic income regardless of their circumstances sounds utopian. However, as our economies are transformed and welfare states feel the strain, it has become a hotly debated issue. In this compelling book, Louise Haagh, one of the world's leading experts on basic income, argues that Universal Basic Income is essential to freedom, human development and democracy in the twenty-first century. She shows that, far from being a silver bullet that will transform or replace capitalism, or a sticking plaster that will extend it, it is a crucial element in a much broader task of constructing a democratic society that will promote social equality and humanist justice. She uses her unrivalled knowledge of the existing research to unearth key issues in design and

implementation in a range of different contexts across the globe, highlighting the potential and pitfalls at a time of crisis in governing and public austerity. This book will be essential reading for anyone who wants to get beyond the hype and properly understand one of the most important issues facing politics, economics and social policy today.
