New-York Observer

"If the messages in this book were read and acted upon by every pastor and church member, we would have the revival for which Dr. Tozer fervently prayed, and for which many of us are praying today." — Warren Wiersbe "The church should be a healthy, fruitful vineyard that will bring honor to Christ," says A. W. Tozer. But to do so, we as individuals must stop accepting the status quo and get out of our spiritual ruts. In Rut, Rot, or Revival, Tozer describes the signs of being in a spiritual rut, the reasons we get into them, how to get out, and, most importantly, why we need to get out now.

The One Year Devotions for Active Boys

“When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times.” -Mel Tari Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island “like a mighty wind” continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

The New Hymn Book

Lead Me Home

The classic novel by William Golding With a new Introduction by Stephen King "To me Lord of the Flies has always represented what novels are for, what makes them indispensable." -Stephen King Golding's classic, startling, and perennially bestselling portrait of human nature remains as provocative today as when it was first published. This beautiful new edition features French flaps and rough fronts, making it a must-have for fans of this seminal work. William Golding's compelling story about a group of very ordinary small boys marooned on a coral island has become a modern classic. At first it seems as though it is all going to be great fun; but the fun before long becomes furious and life on the island turns into a nightmare of panic and death. As ordinary standards of behaviour collapse, the whole world the boys know collapses with them—the world of cricket and homework and adventure stories—and another world is revealed beneath, primitive and terrible. Lord of the Flies remains as provocative today as when it

was first published in 1954, igniting passionate debate with its startling, brutal portrait of human nature. Though critically acclaimed, it was largely ignored upon its initial publication. Yet soon it became a cult favorite among both students and literary critics who compared it to J.D. Salinger's *The Catcher in the Rye* in its influence on modern thought and literature. Labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, even a vision of the apocalypse, *Lord of the Flies* has established itself as a true classic.

Hymns and Songs of Praise for public and social Worship. Edited by R. D. Hitchcock, Zachary Eddy, Philip Schaff. [The music edited by J. K. Paine, U. C. Burnap and J. Flint.]

"For indeed the Frankish nation, which was crushed by the avenger Hasting, was full of filthy uncleanness. Treasonous and oath-breaking, they were deservedly condemned; unbelievers and faithless, they were justly punished." Orphaned as a child by a blood-feud, and sold as a slave to an exiled chieftain in Ireland, the boy Hasting had little hope of surviving to adulthood. The gods had other plans. A ship arrived at his master's longphort carrying a man who would alter the course of his destiny, and take him under his wing to teach him the ways of the Vikings. His is a story of a boy who was a slave, who became a warlord, and who helped topple an empire. A supposed son of Ragnar Lodbrok, and referred to in the *Gesta*

Lord of the World

Unity

Lord of the Flies Centenary Edition

The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes

the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.

Psalms and Hymns, and Spiritual Songs

The Griffin Mage trilogy, now complete in one volume, tells the story of the war between men and griffins --- and the young girl, torn between two worlds, who will decide the fate of all. Little ever happens in the quiet villages of peaceful Feierabiand. The course of Kes' life seems set: she'll grow up to be an herb-woman and healer for the village of Minas Ford, never quite fitting in but always more or less accepted. And she's content with that path --- or she thinks she is. Until the day the griffins come down from the mountains, bringing with them the fiery wind of their desert and a desperate need for a healer. But what the griffins need is a healer who is not quite human or a healer who can be made into something not quite human. This bundle contains the complete Griffin Mage trilogy: Lord of the

Book 1: LORD OF THE CHANGING WINDS Little ever happens in the quiet villages of peaceful Feierabiand. For Kes, the course of her life seems set: she'll grow up to be an herb-woman and healer, never quite fitting in but always more or less accepted. And she's content with that path - or she thinks she is. Until the day the griffins come down from the mountains, bringing with them the fiery wind of their desert and a desperate need for a healer. But what the griffins need is a healer who is not quite human or a healer who can be made into something not quite human. Book 2: LAND OF THE BURNING SANDS Gereint Enseichen of Casmantium knows little and cares less about the recent war in which his king tried to use griffins and fire to wrest territory from the neighboring country of Feierabiand. Now, his kingdom's unexpected defeat offers him a chance to escape from his own servitude. But now that the griffins find themselves in a position of strength, they are not inclined to forgive and the entire kingdom finds itself in a deadly peril. Willing or not, Gereint is caught up in a desperate struggle between the griffins and the last remaining mage

The Lords of the Wind

From the celebrated author of *Never Again* and *Having It So Good*, a wonderfully vivid new history of Britain in the early 1960s Harold Macmillan famously said in 1960 that the wind of change was blowing over Africa and the remaining British Empire. But it was blowing over Britain too - its society; its relationship with Europe; its nuclear and defence policy. And where it was not blowing hard enough - the United Kingdom's economy - great efforts were made to sweep away the cobwebs of old industrial practices and poor labour relations. Life was lived in the knowledge that it could end in a single afternoon of thermonuclear exchange if the uneasy, armed peace of the Cold War tipped into a Third World War. In *Winds of Change* we see Macmillan gradually working out his 'grand design' - how to be part of both a tight transatlantic alliance and Europe, dealing with his fellow geostrategists Kennedy and de Gaulle. The centre of the book is 1963 - the year of the Profumo Crisis, the Great Train Robbery, the satire boom, de Gaulle's veto of Britain's first application to join the EEC, the fall of Macmillan and the unexpected succession to the premiership of Alec Douglas-Home. Then, in 1964, the battle of what Hennessy calls the tweedy aristocrat and the tweedy meritocrat - Harold Wilson, who would end 13 years of Conservative rule and usher in a new era. As in his acclaimed histories of British life in the two previous decades, *Never Again* and *Having it so Good*, Peter Hennessy explains the political, economic, cultural and social aspects of a nation with inimitable wit and empathy. No historian knows the

by-ways as well the highways of the archives so well, and no one conveys the flavour of the period so engagingly. The early sixties live again in these pages.

Plymouth Collection of Hymns and Tunes

Griffins lounged all around them, inscrutable as cats, brazen as summer. They turned their heads to look at Kes out of fierce, inhuman eyes. Their feathers, ruffled by the wind that came down the mountain, looked like they had been poured out of light; their lion haunches like they had been fashioned out of gold. A white griffin, close at hand, looked like it had been made of alabaster and white marble and then lit from within by white fire. Its eyes were the pitiless blue-white of the desert sky. Little ever happens in the quiet villages of peaceful Feierabiand. The course of Kes' life seems set: she'll grow up to be an herb-woman and healer for the village of Minas Ford, never quite fitting in but always more or less accepted. And she's content with that path -- or she thinks she is. Until the day the griffins come down from the mountains, bringing with them the fiery wind of their desert and a desperate need for a healer. But what the griffins need is a healer who is not quite human . . . or a healer who can be made into something not quite human.
