Yoruba Proverbs

This best-selling nonsectarian guide is designed for students undertaking their first systematic study of the Bible. Placing each book of the Old Testament, Apocrypha, and the New Testament fully in its historical and cultural context, Understanding the Bible acquaints readers with the content as well as the major themes of each biblical book, and familiarizes them with the goals and methods of important scholarship.

Yoruba Proverbs

Ama Mazama: The Ogunic Presence in Africology is a critical analysis of the ideas of Ama Mazama, a prominent and leading female theorist in Africology and African American Studies. Molefe Asante studies the creative and productive power of Mazama's intellectual work as it emerges from the personal wrestling with spiritual elements of consciousness as well as Mazama's attention to ancestral and perhaps epigenetic relationships to African spirituality in the making of theory and practice. Painting a picture of an activist intellectual concerned as much with mental as well as spiritual liberation, Asante demonstrates how and why Ama Mazama has evolved into one of the most popular Africologists in the field.

Ewé

Sixteen Great Poems of Ifá

An account of the religious beliefs and practices of the Yoruba peoples of Southern Nigeria. Especially in relation to the religion of ancient Egypt. A comprehensive study of Yoruba, including a survey of the major Orishas, the deified spirits of ancestors and other spirits, the minor Orishas, details of priesthood and worship, the Yoruba conception of human beings, magic in Yorubaland, and survival of hieroglyphics, emblems and other symbols.

The Incredible Story of Henry N. Brown

A manual on how to design the manufacture of commercial products includes discussions of raw materials, machined components, and metal castings

Ori

The Yoruba Koiné

As much a storyteller as an ethnographer, Lydia Cabrera was captivated by a strange and magical new world revealed to her by her Afro-Cuban friends in early twentieth-century Havana. In Afro-Cuban Tales this world comes to teeming life, introducing English-speaking readers to a realm of tenuous boundaries between the natural and the supernatural, deities and mortals, the spiritual and the seemingly inanimate. Here readers will find a vibrant, imaginative record of African culture transplanted to Cuba and transformed over time, a passionate and subversive alternative to the dominant Western culture of the Americas. In this charmed realm of myth and legend, imaginative flights, and hard realities, Cabrera shows us a world turned upside down. In this domain guinea hens can make dour Asturians and the king of Spain dance; little fat cooking pots might prepare their own meals; the pope can send encyclicals about pumpkins; and officials can be defeated by the shrewdness of turtles. The first English translation of one of the most important writers on African culture in the Americas, the collection provides a fascinating view of how African traditions, myths, stories, and religions traveled to the New World?of how, in their tales, Africans in the Americas created a New World all their own.

Ifá

'The Butterfly Effect ': the scientific theory that a single occurrence, no matter how small, can change the course of the universe forever. When a butterfly startles a young rabbit, and the rabbit makes a horse rear, it starts a chain of events, over the course of one day, that will change people's lives . . . and end people's lives. From a climber on Everest to a boy in Malawi . . . from a commercial pilot to an American psycho . . . the chaos knows no bounds. This heart-stopping adventure by writer, film maker and climber Matt Dickinson will leave readers breathless. It's the book Jack Bauer would have read as a teenager!

Omoo

The Poems of St. John of the Cross

A humorous fiction based on the concept of a travel memoir revolving around a

sailor and his journey on the vast sea. He encounters various types of life at the time; sea life aboard ship, island life by the native people, customs of the natives. Detailed descriptions of practical jokes, drunken brawls, and cultural faux-pas make readers smile, and sometimes laugh out loud.

Pamphlets on Biology

San Juan de la Cruz, the great sixteenth-century Spanish mystic, is regarded by many as Spain's finest poet. Passionate, ecstatic, and spiritual, his poems are a blend of exquisite lyricism and profound mystical thought. In *The Poems of St. John of the Cross* John Frederick Nims presents his superlative translation of the complete poems, re-creating the religious fervor of St. John's art. This dual-language edition makes available the original Spanish from the Codex of Sanlúcar de Barrameda with facing English translations. The work concludes with two essays--a critique of the poetry and a short piece on the Spanish text that appears alongside the translation--as well as brief notes on the individual poems.

The Return of the Water Spirit

The fastest, easiest, most comprehensive way to learn ActionScript® 3.0 for Adobe Flash CS4 Professional ActionScript® 3.0 for Adobe Flash CS4 Professional Classroom in a Book contains 14 lessons. The book covers the basics of learning ActionScript and provides countless tips and techniques to help you become more productive. You can follow the book from start to finish or choose only those lessons that interest you. Learn to add interactivity to Flash files using ActionScript 3.0: Control timelines and animation, write event-handling functions, and control loading of and interaction with data, text, video, sound, and images. "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." —Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips:

- If you are able to search the book, search for "Where are the lesson files?"
- Go to the very last page of the book and scroll backwards.
- You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files.
- Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Comparative Religion

Afro-Cuban Tales

This collection of Yoruba proverbs is the most complete and authoritative study that has ever been made available to the reading public and the scholarly community. It is written in standard modern Yoruba orthography, offering both the contracted and uncontracted forms of the entries, with fastidious attention to tonal language.

Understanding The Bible

A KÌ Í

Based on the much-praised *The World's Major Languages*, this is the first comprehensive guide in paperback to describe the development, grammar sound and writing system, and sociological factors of the major language families in these areas.

Biblia bilingüe / Bilingual Bible NTV/NLT

In this book Pepetela offers a scathing critique of the modern-day Angolan elite for squandering the sacrifices of the past.

¿Qué dice la Biblia sobre el matrimonio?

The Major Languages of South Asia, the Middle East and Africa

"Yoruba Proverbs is the most comprehensive collection to date of more than five thousand Yoruban proverbs that showcase Yoruba oral tradition. Following Oyekan Owomoyela's introduction, which provides a framework and description of Yoruba cultural beliefs, the proverbs are arranged by theme into five sections: the good person; the fortunate person (or the good life); relationships; human nature; rights and responsibilities; and truisms. Each proverb is presented in Yoruba with a literal English translation, followed by a brief commentary explaining the meaning of the proverb within the oral tradition." "This definitive source book on Yoruba proverbs is the first to give such detailed, systematic classification and analysis alongside a careful assessment of the risks and pitfalls of submitting this genre to the canons of literary analysis."--BOOK JACKET.

West African Studies

This is a work of rare prophetic brilliance by Josef Pieper, one of this century's most profound and lucid expositors of the thought of St. Thomas Aquinas. This book was written to throw light on an ancient question that has vexed and tormented many. What is the nature of "The End" toward which, even now, the world and men are moving? No writer of our time is better equipped to answer that question than Pieper. He provides the most rigorous and sustained philosophical analysis, anchored to "the primeval rock of theological pronouncement", in order precisely

to understand the finalities of time and history.

The End of Time

Collects almost five hundred entries that cover the African response to spirituality, taboos, ethics, sacred space, and objects.

The Biopolitics of Gender

El cine español contemporáneo (1990-2005) dedica mucha atención a la rememoración del pasado (Segunda República, la Guerra Civil, el período franquista,) y la realidad social (el paro, la violencia doméstica, inmigración, eutanasia,). Directores renombrados como Pedro Almodóvar, Alejandro Amenábar, Fernando León de Aranoa, Icíar Bollaín, o Isabel Coixet, muestran este interés dentro de sus miradas cinematográficas. La gran popularidad de este cine ha estimulado su migración en pantallas ajenas y dentro de contextos universitarios nacionales e internacionales. Este libro reúne unos veinte artículos, de investigadores americanos y europeos, que ilustran las múltiples tradiciones culturales en vigor dentro de los estudios cinematográficos, y que enfocan al mismo tiempo el tema central del libro: ¿Cómo se puede leer, la mirada de los autores españoles, sobre el pasado y el presente, dentro del contexto de su cine nacional?

Awo

The Guilty River and the Ghost's Touch

A teddy bear witnesses the events of post-World War I Europe as it finds itself in the hands of ten unrelated families after being lost, abandoned, and given away.

The Religion of the Yorubas

The Silence of God

Many people feel the work of church growth is orchestrated and completed by the pastoral staff alone. Experienced church grower Phil Stevenson reminds us that anyone can (and should) help their church grow. This simple, easy-to-use resource will equip you to-- - Get people in. - Get people back. - Get people to stay. - Get people to grow. - Get people to go. Help Your Local Church Grow? You Can! You Can! books encourage and equip believers to fulfill the Great Commission in the spirit of the Great Commandment.

Ikunle Abiyamo

How do I learn my purpose in life? What does God want for me? How can I fulfill my potential? While Awo Falokun Fatunmbi touched on Ifa's perspective of these issues in previous books, in Ori he covers them on a whole new level. The Ifa Model

of Consciousness fills holes in Western models of Self/Higher Self/God and empowers living a life fully aligned with our higher self and spirit. The illusion of separation is stripped away and the obvious truth becomes clear: We are spiritual beings having a physical experience. Ori offers tools to incorporate these deep understandings into a balanced life filled with all of the blessings that were intended us from the womb. Joy, Love, Children, Health & Wealth are our Spiritual rights. Unlike some Faiths which may see them as distractions, Ifa sees these earthly blessings as symptoms of living in alignment with spirit. Learn to have these symptoms too!

Vintage Farm Tractors

This title provides a theoretically and methodologically new and distinct approach to gender through the frameworks of biopolitics and genealogy, theorising it as a historically specific apparatus of biopower. Through the use of a diverse mix of historical and contemporary documents, the book explores how the problematisation of intersex infant genitalia in 1950s psychiatry propelled the emergence of the gender apparatus in order to socialise sexed individuals into the ideal productive and reproductive subjects of White, middle-class postwar America.

Ọdun-Ifa

This book won The Noma Award for Publishing in Africa in 2001. The jury describes it thus: 'The work is an outstanding and significant cultural document, and an important part of the movement of cultural reclamation from within Africa. It assumes direct intellectual responsibility by the Yoruba for their collective history and culture; and extends the scope of Ifa studies in a new and original way the author displays deep familiarity with indigenous sources, living practitioners and scholarly literature. The book, the product of thirty year's work, will stand as a benchmark for years to come.'

Down in the Garden Alphabet Book

Find out what the Bible really says about marriage! This book provides a concise, easy-to-read resource on the biblical teachings of marriage and features 9 sections, including: Defining Marriage True Love You and Your Spouse Divorce and Remarriage Communication Anger and Abuse Sex and Intimacy You and Your Family Traits of a Strong Marriage Personal stories, hundreds of scriptures, and practical advice make this book perfect for personal and ministry use. ¡Descubre lo que la Biblia dice en realidad sobre el matrimonio! Este libro proporciona un recurso conciso, de fácil lectura, sobre las enseñanzas bíblicas del matrimonio, y presenta nueve secciones que incluyen: Definir el matrimonio El amor verdadero Tú y tu cónyuge El divorcio y casarse de nuevo La comunicación La ira y el maltrato El sexo y la intimidad Tú y tu familia Rasgos de un matrimonio fuerte Historias personales, centenares de versículos y consejos prácticos hacen que este libro sea perfecto para el uso personal y ministerial.

Water in the Wilderness

As the twenty-first century begins, tens of millions of people participate in devotions to the spirits called Òrìsà. This book explores the emergence of Òrìsà devotion as a world religion, one of the most remarkable and compelling developments in the history of the human religious quest. Originating among the Yorùbá people of West Africa, the varied traditions that comprise Òrìsà devotion are today found in Africa, the Americas, Asia, Europe, and Australia. The African spirit proved remarkably resilient in the face of the transatlantic slave trade, inspiring the perseverance of African religion wherever its adherents settled in the New World. Among the most significant manifestations of this spirit, Yorùbá religious culture persisted, adapted, and even flourished in the Americas, especially in Brazil and Cuba, where it thrives as Candomblé and Lukumi/Santería, respectively. After the end of slavery in the Americas, the free migrations of Latin American and African practitioners has further spread the religion to places like New York City and Miami. Thousands of African Americans have turned to the religion of their ancestors, as have many other spiritual seekers who are not themselves of African descent. Ifá divination in Nigeria, Candomblé funerary chants in Brazil, the role of music in Yorùbá revivalism in the United States, gender and representational authority in Yorùbá religious culture--these are among the many subjects discussed here by experts from around the world. Approaching Òrìsà devotion from diverse vantage points, their collective effort makes this one of the most authoritative texts on Yorùbá religion and a groundbreaking book that heralds this rich, complex, and variegated tradition as one of the world's great religions.

Mortal Chaos

5 Things Anyone Can Do to Help Their Church Grow

A collection of photographs of children to see all of the alphabet.

Ama Mazama

A literary analysis of the Yorba oral tradition known as Ifa. The first part of the book deals with the cultural background, and explores the divining process. The second part of the book is an analysis of the form of Ifa texts, including the stylistic features of the poetic language. Also discusses the concept of predestination in Yoruba belief as well as in the Yoruba cosmos.

Òrìsà Devotion as World Religion

La verdad con claridad en inglés y en español Por primera vez, los textos de la New Living Translation en inglés y de la Nueva Traducción Viviente en español están disponibles en un formato paralelo. Estas dos traducciones excepcionales y modernas presentan la Palabra de Dios de una manera precisa y fiel usando un lenguaje cálido, atractivo y de fácil comprensión que le hablará directamente al corazón. The Truth Made Clear in English and Spanish For the first time, the texts of the New Living Translation in English and the Nueva Traducción Viviente in Spanish are available together in a parallel format. These two wonderful and

modern translations present God's Word accurately and faithfully in warm, inviting, and easy-to-understand language that will speak straight to your heart.

Symbolism and Interpretation

God is with you in the desert. Bishop T.D. Jakes gives you proof positive that God not only supplies you with everything you need, but your heavenly Father wants to bless you with refreshing water that will sustain you throughout any wilderness experience. According to Bishop Jakes, "Spiritually we must find a place where the Lord can minister to us in our wilderness-a place where He can instruct us about what to do next. The wilderness is a place of dying, where all the things that cause you to stumble in your walk with God are killed." Then will the lame leap like a deer, and the mute tongue shout for joy. Water will gush forth in the wilderness and streams in the desert (Isaiah 35:6). Find your special place in the wilderness where God will drench you in His life-giving water-you will break forth with a renewed and courageous spirit!

Encyclopedia of African Religion

Miradas sobre pasado y presente en el cine español (1990-2005)

Vintage Farm Tractors is the ultimate tribute to the classic farm tractor, detailing the entire history of collectible gas tractors. Outstanding photography showcases more than 100 makes and models from 1900 to 1960. Ralph W. Sanders provides in-depth coverage of all famous models along with many before seen tractors, prototypes, and rare variations. He relates the overall trends and engineering developments that led to the manufacture of modern farm tractors, discusses the development of farm tractors as an industry.

Handbook of Product Design for Manufacturing

In Symbolism and Interpretation, Tzvetan Todorov examines two aspects of discourse: its production, which has traditionally been the domain of rhetoric, and its reception, which has always been the object of hermeneutics. He analyzes the diverse theories of symbolism and interpretation that have been elaborated over the centuries and considers their contribution to a general theory of verbal symbolism, discussing a wide range of thinkers, from the Sanskrit philosophers and Aristotle to the German Romantics and contemporary semioticians. Todorov begins by examining general ideas of linguistic symbolism and the interpretive process. He then turns to a detailed consideration of two of the most influential and pervasive interpretative strategies in Western thought: the patristic exegesis of Augustine and Aquinas, and the philological exegesis foreshadowed in the work of Spinoza, developed by Wolf, Ast, Boeckh, and Lanson, and criticized by Schleiermacher. Todorov clarifies in masterly fashion the intricacies of the many schools of thought and refines the concepts crucial to critical theory today, including the distinctions between language and discourse, direct and indirect meaning, sign and symbol. Ably translated by Catherine Porter, Symbolism and

Interpretation provides a coherent and innovative framework that is indispensable to the study of semiotics, its history, and its future.
