Red Herring Mysteries, Level 1

BATTLESHIP has been a classic board game since 1967, and a favorite of players everywhere. So fans will be thrilled to know that it's now captured between two covers so that they can easily take these engaging puzzles anywhere. The object is the same: locate the fleet of ships through logic and deductive reasoning. The numbers along the edge of each puzzle tell you how many ships appear in that particular row or column, and it's up to the reader to pinpoint the location of four submarines, three destroyers, two cruisers, and one battleship. Use basic strategies to solve these terrific little mind-benders. No life jacket required!

Can You Find Me?

Brainiacs on the prowl for challenging fun will find everything they're looking for in these cunning conundrums. Puzzle master Terry Stickels has created a mind-melting collection filled with hundreds of diverse and fiendishly tricky problems--including wordplay, math, analytic reasoning, logic, visual dilemmas, and code breaking. Figure out the next number in a series, find hidden phrases, and determine what a three-dimensional object would look

like from two-dimensional drawings. Every puzzle provides a workout that strengthens mental muscles. And while these brainteasers do require concentration, they don't demand any special training or high-level math skills. A little practice, patience, and imagination are all it takes.

Mind Benders Level 6

The Well-trained Mind

"The problems in Mind Benders Verbal are different from those found in the remainder of the series. Parents or teachers should read each problem to the child, and provide needed support in helping the child to process the information. It may be necessary to re-read some sentences or phrases to assist the child in organizing the information and developing a logical conclusion. The goal here is to improve auditory processing and verbal reasoning skills."--p. iii.

Math Mind Benders: Book A-1

Provide students with frequent, focused skills practice with this Reproducible Teacher's Edition. The reproducible format and additional teacher resources provide everything needed to help students master and retain basic skills. In Building Spelling Skills Daily Practice, Grade 6+, students will learn 18 spelling words per week (540 total). Three sentences for dictation are provided for each list.
