Introduction to New and Alternative Religions in America: Metaphysical, New Age, and neopagan movements

Is a global military aSSAULT on Israel MERELY an ominous, wild-eyed prophecy--or an imminent, world wide reality? In what is possibly the most comprehensive and clear-cut examination of ancient biblical prophecy and modern-day Middle East politics regarding Islam, Israel, and the nations, Judgment Day! is an eye-opening page-turner for scholars, analysts, pastors, professors, politicians, and laypeople alike. Amazing historical facts and first-hand insight make this book a thrilling, sometimes troubling, read--but one that is necessary for an accurate understanding of the prophetic times in which we live.*DRAWING PARALLELS between the "land for peace" appeasement of Hitler (prior to his systematic extermination of more than 6 million Jews) and today's strategy of the nations united against Israel is not at all difficult--but Dave Hunt goes much deeper than that. With painstaking clarity and detail, Judgment Day! reveals the ancient agenda against the Jews, and traces its twisted trail to modern-day deceptions of U.S. Presidents, foreign ambassadors, covert (and overt) military operations, businesspeople, educators, and world leaders alike.*In this no-holds-barred documentary, Dave Hunt skillfully dissects the myth of Palestinian claims to "the Promised Land," and exposes the fraud, deceit, and treachery of an international community allied

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

against the Jewish nation. As the author writes: "In the final analysis, the battle over Israel is a battle for the souls and destiny of mankind. If Islam and the nations siding with her should accomplish their goal of destroying Israel, then mankind [from a biblical perspective] is eternally lost."

Occult Invasion

The Art of Thinking Clearly

Real Frank Zappa Book

Have you ever . . . Invested time in something that, in hindsight, just wasn't worth it? Paid too much in an eBay auction? Continued to do something you knew was bad for you? Sold stocks too late, or too early? Taken credit for success, but blamed failure on external circumstances? Backed the wrong horse? These are examples of what the author calls cognitive biases, simple errors all of us make in day-to-day thinking. But by knowing what they are and how to identify them, we can avoid them and make better choices: whether in dealing with personal problems or business negotiations, trying to save money or earn profits, or merely working out what we really want in life—and strategizing the best way to get it. Already an international bestseller, *The Art of Thinking Clearly* distills cutting-edge research from behavioral economics, psychology, and neuroscience into a clever, practical guide for anyone who's ever wanted

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

to be wiser and make better decisions. A novelist, thinker, and entrepreneur, Rolf Dobelli deftly shows that in order to lead happier, more prosperous lives, we don't need extra cunning, new ideas, shiny gadgets, or more frantic hyperactivity—all we need is less irrationality. Simple, clear, and always surprising, this indispensable book will change the way you think and transform your decision making—at work, at home, every day. From why you shouldn't accept a free drink to why you should walk out of a movie you don't like, from why it's so hard to predict the future to why you shouldn't watch the news, *The Art of Thinking Clearly* helps solve the puzzle of human reasoning.

Introduction to New and Alternative Religions in America: History and controversies

"Christian Psychology"--an oxymoron? While prominent Christians embrace psychotherapy, acclaimed secular psychologists acknowledge that it is, in fact, a religious practice under the guise of medical science: So common is the use of psychotherapy among Christians today that many pastors themselves are either licensed therapists or are the greatest source of referrals to professional counselors. In addition, the study of psychology has become the number two career choice for all college students; in fact, the popularity of this "science of the soul" is even greater among those enrolled in Christian colleges, universities, and seminaries from coast to coast. Some of the critical

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

questions and crucial answers this book explores include:* From what ancient philosophical roots does psychology originate, and what are its modern fruits?* Is psychology truly a "scientific" means by which the spiritual issues of mankind may be addressed?* What does God's Word prescribe as a remedy for the social ills of our culture, and is that alone sufficient for the Body of Christ?* Can Christians effectively minister using Scripture and prayer by power of the Holy Spirit, or is professional training required?* Is it possible for believers in Christ to "eat the fish and spit out the bones" with regard to psychology's foundation in secular humanism?* Can the mystic and occultic methodologies employed by secular psychotherapists be "sanctified" for practice by Christian counselors?* Does the wisdom of psychology point to the narrow way of biblical Christianity, or toward the broad path that leads to destruction?* What understanding of "Self" can psychology bring to light that Scripture cannot?The purpose of this book is not to attack or condemn evangelicals who are either practicing psychotherapists or those who have been helped by what is commonly called "Christian Psychology." Rather, this volume acknowledges the value of believers bearing one another's burdens through prayer, fellowship, and the Word of God.

SPIRITUAL WARFARE: A Struggle for Truth

With no hidden agenda or clever doctrines of men this booklet cuts through religious confusion to invite the reader into a pure personal relationship with Jesus Christ through the unadulterated Word of God.

Soul Dust

Bearing False Witness?

The Archon Conspiracy

At last, a book that presents in a concise manner the events leading up to the return of Christ. Dave Hunt, in his characteristic direct style, answers these pervasive questions: Who is the Antichrist? How will

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

he be recognized? What current events indicate that we really are in the last days of the "last days"? Using Scripture and up-to-date information, Dave draws the exciting conclusion that, indeed, time is short. He then outlines a biblical response and reminds the reader of the hope we have in Christ. This book instructs, encourages, warns, and strengthens readers to "walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil" (Ephesians 5:15,16). Table of Contents: 1. The Ultimate Falsehood 2. Peaceful Words, Provocative Deeds 3. Are We There Yet? 4. Measuring What Cannot Be Measured 5. Infinite Mystery, Perpetual Joy 6. The Ultimate Hope

The Coming Darkness

Overwhelming evidence indicates that we are eternal beings who will spend eternity somewhere. These compelling proofs show where it will be and how we can know with certainty.

The History of the Decline and Fall of the Roman Empire

Every Christian should be informed of the true origins and effects of yoga and its ungodly manifestations of Kundalini energy which literally defined means an awakening of the Serpent Power.

The Law of Nations

Annotation. Most new or alternative religions are

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti- and counter-cult activists have in fact promoted much more mis-understanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so-called mainstream. This set rectifies the situation by presenting accurate, comprehensive, authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society, and it addresses ways of understanding new and alternative religions within a broader context. Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion, and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension, and fear. Here, experts delineate the boundaries and examine the various groups, beliefs, movements, and other issues related to new faiths and alternative beliefs. Readers will come away with a fuller understanding of the religious landscape in America today. Volume 1: History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them. This volume helps readers better

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

understand what makes a new or alternative belief system a religion and the issues involved. Volume 2: Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths. Groups such as the Shakers, the People's Temple, the Branch Davidians, Jehovah's Witnesses and others are examined. Volume 3: Metaphysical, New Age, and Neopagan Movements looks at Shamanism, Spiritualism, Wicca, and Paganism, among other movements, as they have developed and grown in the U.S. These faiths have found new and devoted followers yet are often misunderstood. Volume 4: Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions. From Baha'i to Soka Gakkai, from Adidam to the Vedanta Society, contributors look at a full range of groups practicing and worshiping in the U.S. today. Volume 5: African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism, Santeria, and the Nation of Islam, alongside traditions that are truly American incarnations like Scientology, UFO religions, and Heaven's Gate. Some of the new and alternative religions covered in these pages include: ; Shamanism ; Wicca ; Black Israelites ; Santeria ; Scientology ; Elan Vital ; Hare Krishna ; Soka Gakkai ; and many more

Seeking and Finding God

The Enneagram has captured the imagination of and been embraced by of a growing number of evangelicals. It was first introduced into the church by

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

disciples of Roman Catholic priest, mystic and contemplative, Father Richard Rohr. It is claimed that the Enneagram is ancient, was used by many cultures, and is not only from God but is the face of God. The Enneagram is a spiritual tool, but is it a spiritual tool which brings about better understanding of one's self and the God of Scripture? That is the question.

A Cup of Trembling

A compelling and deeply personal account of a young mans spiritual plunge into a movement called the River, which claims to be spreading the kingdom of God through signs and wonders. Sometimes referred to as the River revival, the Third Wave or the Latter Rain, this movement is marked by bizarre manifestations, false prophecies and esoteric revelations. Warnings of divine retribution keep many adherents in bondage, afraid to speak out or even question those things they are taught and are witness to.

Psychology and the Church

How is consciousness possible? What biological purpose does it serve? And why do we value it so highly? In Soul Dust, the psychologist Nicholas Humphrey, a leading figure in consciousness research, proposes a startling new theory. Consciousness, he argues, is nothing less than a magical-mystery show that we stage for ourselves inside our own heads. This self-made show lights up

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

the world for us and makes us feel special and transcendent. Thus consciousness paves the way for spirituality, and allows us, as human beings, to reap the rewards, and anxieties, of living in what Humphrey calls the "soul niche." Tightly argued, intellectually gripping, and a joy to read, *Soul Dust* provides answers to the deepest questions. It shows how the problem of consciousness merges with questions that obsess us all—how life should be lived and the fear of death. Resting firmly on neuroscience and evolutionary theory, and drawing a wealth of insights from philosophy and literature, *Soul Dust* is an uncompromising yet life-affirming work—one that never loses sight of the majesty and wonder of consciousness.

The Occult Life of Jesus of Nazareth

Are you missing half the story about the last days? Virtually all attention these days is focused on the coming Antichrist—but he is only half the story. Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy—a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. "The Catholic church has changed" is what we hear. Or has it? In *A Woman Rides the Beast*, prophecy expert Dave Hunt sifts through biblical truth and global events to present a well-defined portrait of the woman and her powerful place in the Antichrist's future empire. Eight

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt. A provocative account of what the Bible tells us is to come.

The Other Side of the River

Continental philosophy has entered a new period of ferment. The long deconstructionist era was followed with a period dominated by Deleuze, which has in turn evolved into a new situation still difficult to define. However, one common thread running through the new brand of continental positions is a renewed attention to materialist and realist options in philosophy. Among the leaders of the established generation, this new focus takes numerous forms. It might be hard to find many shared positions in the writings of Badiou, DeLanda, Laruelle, Latour, Stengers, and i ek, but what is missing from their positions is an obsession with the critique of written texts. All of them elaborate a positive ontology, despite the incompatibility of their results. Meanwhile, the new generation of continental thinkers is pushing these trends still further, as seen in currents ranging from transcendental materialism to the London-based speculative realism movement to new revivals of Derrida. As indicated by the title *The Speculative Turn*, the new currents of continental philosophy depart from the text-centered hermeneutic models of the past and engage in daring speculations about the nature of reality itself. This anthology assembles authors, of several generations and numerous nationalities, who will be at the centre of debate in

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

continental philosophy for decades to come."

Yoga and the Body of Christ

Unlock the lost and hidden meanings of the world's ancient and modern signs and symbols with the latest in the hugely popular series of 'Element Encyclopedias'. This is the biggest A-Z reference book on symbolic objects you'll ever find.

Satanic Bible

Of the many trouble spots in the world today, none rivals Jerusalem for ultimate significance. Zechariah prophesied that in the last days God would make Jerusalem a "cup of trembling" and a "burdensome stone" for the whole world. Today's world has its eyes on Jerusalem, believing that the next world war will break out over this city. Jerusalem is indeed a "cup of trembling" and will continue to be so in spite of false peace initiatives.

The Seduction of Christianity

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

The Nonnegotiable Gospel

"The evil that men do" has been chronicled for thousands of years on the European stage, and

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater. In *Stages of Evil*, Robert Lima explores the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered. By examining examples of alchemy, astronomy, demonology, exorcism, fairies, vampires, witchcraft, hauntings, and voodoo in prominent plays, *Stages of Evil* explores American and European perceptions of occultism from medieval times to the modern age.

Trumpocalypse

Written after direct personal experience of an occult attack, 'Psychic Self Defence' is Dion Fortune's guide to recognizing and protecting oneself from unwanted esoteric interference. The author treads a fine line between providing useful, practical information on 'spiritual security' (revealing for example, a ritual used by Christian Monks, as well as the magician's 'Lesser Banishing Ritual of the Pentagram') while at the same time keeping potentially dangerous techniques well obscured from the uninitiated. Sprinkled liberally with astonishing anecdotes from Dion Fortune's long and eventful magical career, this is an important work for those venturing along the mystical path, a book that can be read, and re-read, with profit.

Psychic Self-Defence

This study of modernism's high imperial, occult-exotic

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

affiliations presents many well-known figures from the period 1880-1960 in a new light. Modernism and the Occult traces the history of modernist engagement with 'irregular', heterodox and imported knowledge.

Character Counts

Countdown to the Second Coming (Large Print)

The Thousand Autumns of Jacob de Zoet

The Bible clearly states that a great apostasy must occur before Christ's Second Coming. Christians today are being deceived by a worldview that is more subtle and seductive than any before. We will look at some of the dangers in the growing acceptance and practice of: Positive and possibility thinking Healing of memories Self-help philosophies Holistic medicine This seduction of Christianity will not appear as a frontal assault or oppression of our religious beliefs. Instead, it will come as the latest fashionable philosophies that will promise to make us happier, healthier, better educated, and even more spiritual. A compelling look at the times in which we live and a clear call to every believer to choose between the original and the counterfeit. Only then can we hope to escape the seduction of Christianity.

Modernism and the Occult

The Spanish Conquest in America and Its Relation to the History of Slavery and to the Government of Colonies

From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency, and why the globalist elite and Deep State will stop at nothing—assassination, military coup, staged economic collapse, or worse—to overthrow him. "Trumpocalypse!" It's the media-coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III—an unprecedented nuclear apocalypse ending the world as we know it. But is the media telling us the truth? No, say internationally-recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize-nominated investigative journalist Troy Anderson. America's most insidious enemies are not hostile nations; they are elite globalists—the "Establishment" that is making the "1 percent" even richer while working- and middle-class people watch their incomes and net worth's flatline or plummet. The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception. Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical, economic and military affairs experts, faith leaders, and biblical scholars, McGuire and Anderson unmask these elites as members of secret

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

societies with deep occult connections who have gained control of America's dominant institutions- government, education, entertainment, international banking, and even the media. Trumpocalypse explores the enigmatic prophecies and "biblical codes" involving Trump, and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end-time narrative unfolds, as many people with prophetic gifts are predicting, and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse. It further reveals why Trump and millions of "deplorables" are fighting to stop the hidden agenda of the Establishment, and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end-times awakening that millions are praying for. Here is an invitation to join the anti-Establishment surge-what evangelist Franklin Graham calls "the Christian revolution"-and discover how to fulfill your own destiny in the run-up to the Second Coming of Jesus Christ.

America

The Works of Tacitus

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to The Guardian’s claim that “each of his books seems entirely different from that which preceded it.” The Thousand Autumns of Jacob de Zoet is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.”—Richard Eder, *The Boston Globe* “An aching romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.”—Dave Eggers, *The New York Times Book Review* “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, *The Washington Post* “By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel.”—James Wood, *The New Yorker* “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR Look for special features inside. Join the Random House Reader’s Circle for author chats and more. From the Trade Paperback edition.

The Speculative Turn

A Woman Rides the Beast

Author and lecturer Dave Hunt exposes what he believes is the subtle seduction of the world and

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

church by a resurgent occultism, a reality which is corroborated by increasing suicide, violence, and immorality throughout society.

The Element Encyclopedia of Secret Signs and Symbols: The Ultimate A-Z Guide from Alchemy to the Zodiac

Much in the Church is being touted as biblical spiritual warfare, even to changing it from being spiritual to be geographical. This book critics spiritual warfare teaching, comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare.

Judgment Day!

Analyzes and critiques the Christian Countercult movement as a discrete socioreligious entity.

Beyond Seduction

Richard Rohr and the Enneagram Secret

Your friends, your family, your neighbors--and quite possibly even your church--are wondering: Is America at the threshold of a glorious rebirth into planetary enlightenment, peace, and brotherhood? Or have we, as forward-thinking Americans in our search for higher levels of human potential, opened a spiritual Pandora's box? Due to the occult philosophies embraced and advanced by Oprah, Dr. Oz, and countless others, Americans are rapidly awakening to

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

what is being hailed as a paradigm shift in global consciousness. Whatever you believe, and why, one thing is certain: Today's world is the scene of a strange and growing paradox that seems to mark an important transformation in the history of mankind. For even as scientific and technological advancement is accelerating at an exponential rate, we are witnessing the greatest explosion of occultism of all time. The question is, Who is right? Is there really a threat to the American culture? And, if so, what will awaken us to the truth that sets humanity free from spiritual deception and dangerous delusions--which appear to enlighten but actually lead to enslavement? Originally written as a tool to educate and inform nonbelievers of the dangers of the New Age movement, this timely reprint of Dave Hunt's classic 1988 work will astound you all over again with its groundbreaking revelations and prophetic implications. You'll not only want to add this to your "Dave Hunt Classic" library but also pass it along to those who may be mired in the New Spirituality of today or those loved ones you wish to protect from the prowling about of our spiritual adversary.

Christianity and Anti-Christianity in Their Final Conflict

Called "The Black Pope" by many of his followers, Anton La Vey began the road to High Priesthood of the Church of Satan when he was only 16 years old and an organ player in a carnival: "On Saturday night I would see men lusting after halfnaked girls dancing at the carnival, and on Sunday morning when I was

Read PDF Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics

playing the organ for tent-show evangelists at the other end of the carnival lot, I would see these same men sitting in the pews with their wives and children, asking God to forgive them and purge them of carnal desires. And the next Saturday night they'd be back at The carnival or some other place of indulgence. "I knew then that the Christian Church thrives on hypocrisy, and that man's carnal nature will out!" From that time early in his life his path was clear. Finally, on the last night of April, 1966—Walpurgisnacht, the most important festival of the believers in witchcraft—LaVey shaved his head in the tradition of Ancient executioners and announced the formation of The Church Of Satan. He had seen the need for a church that would recapture man's body and his carnal desires as objects of celebration. "Since worship of fleshly things produces pleasure," he said, "there would then be a temple of glorious indulgence . . ."

Global Peace and the Rise of Antichrist

Annotation. Most new or alternative religious are gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti- and counter-cult activists have in fact promoted much more mis-understanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for
