ESV Giant Print Bible (TruTone, Brown/Purple, Iris Design)

In Esther in Diaspora, Tsauryi Kudakwashe Mapfeka utilises a theory-nuanced concept of diaspora to offer a new way of reading Esther, in the process, critiquing the traditional view that has relied on its close association with Purim.

Journal for the Evangelical Study of the Old Testament, 6.1

The limited edition ESV Scripture Journal: New Testament Set (Hardcover)includes nineteen durable hardcover journals that contain entire books of the New Testament with lightly lined blank pages alongside each page of Bible text.

Hebrew Bible / Old Testament. III: From Modernism to Post-Modernism. Part II: The Twentieth Century - From Modernism to Post-Modernism

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

The Composition of the Narrative Books of the Old Testament

Christian Doctrine and the Old Testament

In the pages of the Bible, we come to know God through Jesus Christ. Thus the importance of the Bible for our spiritual formation cannot be overstated. If we are honest, though, the Bible is not always easy to understand. For example, the places named in the Bible can seem strange, and the number of people mentioned is virtually countless. This comprehensive dictionary intends to help people read the Bible with increased understanding and confidence. It contains articles on major topics as well as places and people, even if they just appear in a single verse in the Bible. Its articles cover theological topics, biblical words, biblical imagery, and historical topics. This A to Z dictionary includes more than •1,700 full-color pages •400 color illustrations, maps, and photos •5,000 articles by leading evangelical scholars The Baker Illustrated Bible Dictionary is an informative, colorful, and easy-to-understand resource that will be an indispensable reference for your own personal study or in preparation for teaching.

Homiletics and Hermeneutics

ESV Illuminated Scripture Journal: New Testament Set pairs the entirety of each book of the New Testament with a lightly dotted blank page opposite each page of Bible text and hand-lettered illustrations interspersed throughout--providing space to creatively engage with and reflect on the Word of God.

ESV Scripture Journal: Old and New Testament Sets

Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and

evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. The journal is not affiliated with any particular academic institution, and with an international editorial board, open access format, and multi-language submissions, JESOT cultivates and promotes Old Testament scholarship in the evangelical global community. The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds, Dead Sea Scrolls, Rabbinics, Linguistics, Septuagint, Research Methodology, Literary Analysis, Exegesis, Text Criticism, and Theology as they pertain only to the Old Testament. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament.

Scott Gibson and Matthew Kim, both experienced preachers and teachers, have brought together four preaching experts--Bryan Chapell, Kenneth Langley, Abraham Kuruvilla, and Paul Scott Wilson--to present and defend their approaches to homiletics. Reflecting current streams of thought in homiletics, the book offers a robust discussion of theological and hermeneutical approaches to preaching and encourages pastors and ministry students to learn about preaching from other theological traditions. It also includes discussion questions for direct application to one's preaching.

The Baker Illustrated Bible Dictionary

A major overview and provocative analysis from a premier Old Testament scholar.

Strength in Christ Our Lord and Savior

Explaining their sources and the nature of their composition, Reinhard Kratz provides an introduction to the narrative books of the Old Testament (Genesis to Nehemiah). He seeks to do this as far as possible without presupposing any hypotheses and on the basis of a few undisputed basic assumptions: a distinction between Priestly and non-Priestly text in the Pentateuch, the special position of Deuteronomy, a Deuteronomistic revision of Joshua-2 Kings, and the literary use of the books of Samuel and Kings by Chronicles. Any further distinctions are based on observations of the text which are well established and not on literary-critical or redaction-critical distinctions. Kratz argues that what is important is how the text is read. This is the first study of its kind since Martin Noth's classic studies of the Pentateuch and Deuteronomistic history. It will be an invaluable resource for all scholars and students in the field.

Journal for the Evangelical Study of the Old Testament, 4.2

This brand-new, deluxe journal features a plan for reading through the Bible in a year with an accompanying devotional thought inspired by that day's scripture reading. Each entry encourages you to read a passage from the Old Testament, New Testament, Psalms, and Proverbs and provides plenty of journaling space for you to record your thoughts and prayers. A beautiful way to keep track of a year spent in God's Word!"

Journal of Biblical and Theological Studies, Issue 3.2

With 14-point type, bold black-letter text, and quality materials and production, the ESV Giant Print Bible sets the new standard for readability and enduring value. The generous size of the text makes it ideal for preaching, teaching, and public reading, as well as for personal use. Its sewn binding, durable cover, and lifetime guarantee ensure that it will last for years and years of regular use.

Journal of Biblical and Theological Studies, Issue 5.1

Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level

scholarship on the Old Testament from an evangelical standpoint. Introduction to the Old Testament as Scripture

Journal for the Evangelical Study of the Old Testament, 4.1

The Journal of Biblical and Theological Studies (JBTS) is an academic journal focused on the fields of Bible and Theology from an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high-level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high-level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an inter-denominational journal JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics.

New Testament Theology

This collection of 32 ways to explore Scripture will help readers of all ages and backgrounds enjoy studying God's Word more.

Esther in Diaspora

The Old Testament offers a rich palette of ideas, images, and narratives that help us unpack some of the more compact and opaque theological ideas of the New Testament. In conversation with both Christian and Jewish interpreters, prominent scholar Gary Anderson explores the exegetical background of key Christian doctrines. Through a deeper reading of our two-Testament Bible, he illustrates that Christian doctrines have an organic connection to biblical texts and that doctrine can clarify meanings in the text that are foreign to modern, Western readers. Anderson traces the development of doctrine through the history of interpretation, discussing controversial topics such as the fall of man, creation out of nothing, the treasury of merit, and the veneration of Mary along the way. He demonstrates that church doctrines are more clearly grounded in Scripture than modern biblical scholarship has often supposed and that the Bible can define and elaborate the content of these doctrines.

Bible Companion Journal

A Readable, Updated Introduction to Textual Criticism This accessibly written, practical introduction to Old Testament textual criticism helps students understand the discipline and begin thinking through complex issues for themselves. The authors combine proven expertise in the classroom with cutting-edge work in Hebrew textual studies. This successful classic (nearly 25,000 copies sold) has been thoroughly expanded and updated to account for the many changes in the field over the past twenty years. It includes examples, illustrations, an updated bibliography, and a textual commentary on the book of Ruth.

ESV Scripture Journal: New Testament Set

Is faith in Jesus enough for salvation? Perhaps, says Matthew Bates, but we're missing pieces of the gospel. The biblical gospel can never change. Yet our understanding of the gospel must change. The church needs an allegiance shift. Popular pastoral resources on the gospel are causing widespread confusion. Bates shows that the biblical gospel is different, fuller, and more beautiful than we have been led to believe. He explains that saving faith doesn't come through trust in Jesus's death on the cross alone but through allegiance to Christ the king. There is only one true gospel and one required response: allegiance. Bates ignited conversation with his successful and influential book *Salvation by Allegiance Alone*. Here he goes deeper while making his acclaimed teaching on salvation more accessible and experiential for believers who want to better understand and share the gospel. *Gospel Allegiance* includes a guide for further conversation, making it ideal for church groups, pastors, leaders, and students.

Literary Approaches to Biblical Interpretation

This Introduction attempts to offer a different model for the discipline from that currently represented. It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel. It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed.

Gospel Allegiance
