expert Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX exam! A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration (hot spot), audio, video, and chart/exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX-RN® test plan blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. Preparation for your NCLEX-RN review includes chapters on nonacademic preparation, test-taking strategies, the CAT format, and a view of the NCLEX-RN from a new graduate's perspective. Page references to Elsevier textbooks direct you to remediation material for any question answered incorrectly. A companion Evolve website includes a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition. Content from the most recent NCLEX-RN® test plan covers the newest

topics you could see on the exam. 600 questions are added, for a total of 5,800 in the book and on the companion Evolve website. Hundreds of new alternate item format questions provide even more opportunity for practice. A Priority Nursing Tip is included with each question, providing important patient care information. A full-color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination, and includes a test for each Client Need category, a test on Integrated Processes, and a comprehensive test for practice in answering questions from all areas. A new content-area index makes it easier to find questions and review a given disorder/topic.

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-

drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. A companion CD enhances your NCLEX review by allowing you to customize quizzes and exams and download audio review summaries of key content. Over 4,200 practice questions in the book and on the companion CD provide ample practice opportunities in both print and electronic testing formats. Review questions are grouped by categories of concern to focus your study on any areas of weakness. Detailed rationales for correct and incorrect answers are provided with every question. Text references are provided with the answer rationales for further study of difficult topics. Two comprehensive exams are coded by clinical area, client need, nursing process, and cognitive level, to help you evaluate your strengths and weaknesses. An overview of the latest NCLEX-RN test plan describes the recent changes and additions to content. Companion CD allows you to create customized quizzes and exams based on clinical area, NCLEX client needs category, nursing process, and cognitive level.
