Autumn's aunt and uncle had made the choice to ship her off to a boarding school telling her it was in her best interest. Autumn wanted to stay and had begged them to let her stay with them, but once the cab door was shut and she was closed off from the only family she knew, she allowed the walls to build up around her heart and she vowed never to return to Jackson, Montana ever again. Autumn started her life over in Homer, Nevada where she opened a small little shop, where she threw herself into her work. She made a point not to make friends or see anyone. Her life had become her shop until her best friend Nichole asked her to come back to Jackson, Montana where all her dreams had disappeared and her abandonment issues started. Once Autumn was back in Jackson Montana, she had all her raw emotions she tried to bury deep inside of her, seep out and things started to happen to her once more.

A Reverence for Wood

Phyllis Hoffman knew something was wrong with her child from the start of her pregnancy. When her baby girl was twelve months old, their pediatrician said, "Troy is fine. She has a neurotic Jewish mother."

File Type PDF Secret Compartment Jewelry Box With Inlay Top

When Troy was two, a professor at the University of Miami told Phyllis and her husband to put Troy away and forget about her. Despite the advice, this mother never stopped trying to do what she knew was best for her daughter. Their experiences in the public school system were at times harrowing and outrageous. Visits to specialists, hospitals, and major universities resulted in conflicting diagnoses. When Troy was six, she and Phyllis flew to Wichita, Kansas, to enroll in a special school. Phyllis struggled to reassure Troy that she was loved and would be safe in that strange place. Four years later, a psychiatrist there told Phyllis that Troy had childhood schizophrenia and that she was the schizophrenogenic mother. A mother's frustration evolved into inspiration. Phyllis earned her Master's degree, taught children with disabilities and then established a private, nonprofit school for children with special needs. Twenty-five years later, her dream of a supervised apartment community was realized. "Butterfly Girl" is about their struggles ? with each other and with the system. It's not over.

Count Dracula has inspired countless movies, books, and plays. But few, if any, have been fully faithful to Bram Stoker's original, best-selling novel of mystery and horror, love and death, sin and redemption. Dracula chronicles the vampire's journey from Transylvania to the nighttime streets of London. There, he searches for the blood of strong men and beautiful women while his enemies plot to rid the world of his frightful power. Today's critics see Dracula as a virtual textbook on Victorian repression of the erotic and fear of female sexuality. In it, Stoker created a new word for terror, a new myth to feed our
