### Counsels on Stewardship

#### All In

How do you forgive when the wound is still open? People often ask Sarah, "How did you forgive your alcoholic mother?" How do you forgive someone who carelessly brushed aside your pain, who caused such destruction, and who doesn't show remorse? How do you know when to stay and when to go? In *The Complicated Heart*, you will travel through Sarah's story with her, from age 14 and beyond, as she wrestles with these very questions. Prepare yourself: she holds nothing back. If you've struggled with a difficult relationship, if you've felt torn-up and crazy and confused because of it, if you just want to know how to move forward and be okay, this story is for you. Dysfunction does not have to be your destiny or your identity. Victory is on the table. What's more: you'll not only travel with Sarah, you'll travel with her mom as well as you read her mom's journal entries and letters. What goes on in the mind of the person who hurt you the most? In this story, you'll get a rare peek into that mind and heart. In these pages you'll be reminded that light always finds a way in, even in the deepest darkness, and redemption and joy are possible in the midst of trauma and unmet needs. If you want to learn how to forgive when your wound is still open, heal when circumstances don't change, and become a generational bondage-breaker, *The Complicated Heart* is for you. And if not for you, for someone you know. Pass it along.

#### My Neighbors

Discover how to expand your ministry by teaming up with so-called rival organizations rather than vying for donations. With a countercultural message, a

Christlike model, and real-world examples, Greer and Horst reveal the key to revitalizing your ministry, sharing how you can multiply its impact by collaborating rather than competing with others.

Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching. Preach It encourages students, both vocational and scholarly, to look beyond these approaches and to learn from traditions with which they are less familiar. The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical, political and socio-economic factors impacting on black Caribbean people (including clergy). Using a variety of socio-linguistic and theological approaches, Preach It reflects on these techniques, and outlines how preachers across church traditions might learn from them and use them in their own contexts.

### **The Epworth Herald**

Although it is better to give than to receive, giving is harder for most people. Giving is not only good stewardship; it enables the church to help those in need. Respected Christian financial expert Larry Burkett uses God's Word to show the strong biblical basis for giving to and serving in the church. Using benevolence ministries as an example, Burkett explains how God uses Christians to minister in His name. This is accomplished by giving back to God a portion of what He has graciously given.

Let's face it. Church isn't working. We hear sermons about the abundant life Jesus promised, but how many of us are actually living it? How many of our churches are thriving? How many people in our congregations are experiencing God's blessings? Maybe it's time to call it quits. Quit church? Well, not exactly. Drawing from his experience coaching hundreds of churches toward true growth, Chris Sonksen calls on us to quit our casual, cultural commitment to church as we know it. No more half-hearted attempts to win the favor of God and other people by doing the right thing. No more doing things out of a sense of duty. Instead, Sonksen reveals the spiritual habits that release the blessings of God, both on each individual and on the church. He explains why we struggle to put these practices into action and gives practical solutions to move us forward into health, growth, and maturity.

The key to growth as a church, youth ministry, or a business is getting first-time guests to come back. And as any good manager of a hotel, a store, a restaurant, or an attraction knows, the key to getting guests to come back is not actually the rooms or the product or the food itself; it's how guests feel when they're there. It's about hospitality. No matter how much effort and time we spend on excellence--stirring worship time, inspiring sermons, a good coffee blend in the foyer--what our guests really want when they come to our churches is to feel welcome, comfortable, and understood. Written by a church consultant and a hospitality expert, *The Come Back Effect* shows church, ministry, and even business leaders the secret to helping a first-time guest return again and again. Through an engaging, story-driven approach, they explain how service and hospitality are two different things, show how Jesus practiced hospitality, and invite leaders to develop and implement changes that lead to repeat visits and, eventually, to sustained growth.

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

### **Giving and Tithing**

Teaches that God's definition of success can be very different from what humans expect, and that Christ will help those who believe to succeed in their own lives and in furthering the kingdom of God.

### **Works of George Eliot : Felix Holt**

The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go "all in," a term that simply means placing all that you have into God's hands. Pushing it all in. And that's where we get stuck—spiritual no man's land. We're afraid that if we go all in that we might miss out on what this life has to offer. It's not true. The only thing you'll miss out on is everything God has to offer. And the good news is this: if you don't hold out on God, God won't hold out on you. Readers will find Batterson's writing filled with his customary vivid, contemporary illustrations as well as biblical characters like Shamgar and Elisha and Jonathan and . . . Judas. No one has ever sacrificed anything for God. If you always get back more than you gave up, have you sacrificed anything at all? The eternal reward always outweighs the temporal sacrifice. At the end of the day, our greatest regret will be whatever we didn't give back to God. What we didn't push back across the table to Him. Eternity will reveal that holding out is losing out. The message of All In is simple: if Jesus is not Lord of all then Jesus is not Lord at all. It's all or nothing. It's now or never. Kneeling at the foot of cross of Christ and surrendering to His Lordship is a radical act of dethroning yourself and enthroning Christ as King. It's also an act of disowning yourself. Nothing belongs to you. Not even you. Batterson writes, for many years, I thought I was following Jesus. I wasn't. I had invited Jesus to follow me. I call it inverted Christianity. And it's a subtle form of selfishness that masquerades as spirituality. That's when I sold out and bought in. When did we start believing that the gospel is an insurance plan? It's a daring plan. Jesus did not die just to keep us safe. He died to make us dangerous."

### **Gems of Thought on Tithing**

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find

answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

### **Rooting for Rivals**

*\*#1 New York Times Bestseller\** You deserve to stop suffering because of what other people have done to you. Have you ever felt stuck in a cycle of unresolved pain, playing offenses over and over in your mind? You know you can't go on like this, but you don't know what to do next. Lysa TerKeurst has wrestled through this journey. But in surprising ways, she's discovered how to let go of bound-up resentment and overcome the resistance to forgiving people who aren't willing to make things right. With deep empathy, therapeutic insight, and rich Bible teaching coming out of more than 1,000 hours of theological study, Lysa will help you: Learn how to move on when the other person refuses to change and never says they're sorry. Walk through a step-by-step process to free yourself from the hurt of your past and feel less offended today. Discover what the Bible really says about forgiveness and the peace that comes from living it out right now. Identify what's stealing trust and vulnerability from your relationships so you can believe there is still good ahead. Disempower the triggers hijacking your emotions by embracing the two necessary parts of forgiveness.

### **The Writings of George Eliot: Felix Holt, the radical**

Discover the Joy of Giving--and the Rewards of Receiving Our culture is saturated with false teaching on what it means to be blessed, but what does the Bible say about it? How can we truly live blessed lives? With humor, passion, and clarity, pastor and bestselling author Robert Morris presents the secrets of living a blessed life both financially and spiritually. He shows that when God changes your heart from selfishness to generosity, every part of your life-journey is affected. "There is no greater adventure on Earth than simply living the life of generosity and abundance that is available to all of God's people--but so few ever dare to live," says Pastor Robert. "It is a journey of reward. It is the blessed life." First published in 2002, this newly revised and expanded edition includes new content from recent sermons, updated illustrations from years of the life-changing impact of its message, and testimonies from people experiencing the blessed life.
