beautiful remote island off the coast of Canada, he is all set to have the perfect summer holiday. Except for one small problem: his uncle is trying to kill him. Heir to a ten-million-dollar fortune, Barnaby tries to tell everyone and anyone that his uncle is after his inheritance, but no one will believe him. That is, until he tells the only other child on the island, Chrissie, who concludes that there is only one way to stop his demonic uncle: Barnaby will just have to kill him first. With the unexpected help of One-Ear, the aged cougar who has tormented the island for years, Chrissie and Barnaby hatch a fool-proof plan. Playful, dark and witty, *Let's Kill Uncle* is a surprising tale of two ordinary children who conspire to execute an extraordinary murder - and get away with it.

Something Wicked This Way Comes

Cooger and Dark's Pandemonium Shadow Show howls into Green Town, Illinois, at three in the morning a week before Halloween. Under its carnival tents is a mirror maze that steals wishes; a carousel that promises eternal life, in exchange for your soul; the Dust Witch, who unerringly foresees your death; and Mr. Dark, the Illustrated Man, who has lived for centuries off the misery of others. Only two boys, Will Halloway and Jim Nightshade, recognize the dark magic at work and have a plan to stop this ancient evil—that is, if it doesn't kill them first. *Something Wicked This Way Comes* is Ray Bradbury's incomparable work of dark fantasy, and the gifted illustrator Ron Wimberly has stunningly captured its sinister magic in

Something Wicked This Way Comes

A beloved, bestselling classic of humorous and nostalgic Americana—the book that inspired the equally classic Yuletide film and the live musical on Fox. The holiday film *A Christmas Story*, first released in 1983, has become a bona fide Christmas perennial, gaining in stature and fame with each succeeding year. Its affectionate, wacky, and wryly realistic portrayal of an American family's typical Christmas joys and travails in small-town Depression-era Indiana has entered our imagination and

our hearts with a force equal to *It's a Wonderful Life* and *Miracle on 34th Street*. This edition of *A Christmas Story* gathers together in one hilarious volume the gems of autobiographical humor that Jean Shepherd drew upon to create this enduring film. Here is young Ralphie Parker's shocking discovery that his decoder ring is really a device to promote Ovaltine; his mother and father's pitched battle over the fate of a lascivious leg lamp; the unleashed and unnerving savagery of Ralphie's duel in the show with the odious bullies Scut Farkas and Grover Dill; and, most crucially, Ralphie's unstoppable campaign to get Santa—or anyone else—to give him a Red Ryder carbine action 200-shot range model air rifle. Who cares that the whole adult world is telling him, "You'll shoot your eye out, kid"? The pieces that comprise *A Christmas Story*, previously published in the larger collections *In God We Trust*, *All Others Pay Cash* and *Wanda Hickey's Night of Golden Memories*, coalesce in a magical fashion to become an irresistible piece of Americana, quite the equal of the film in its ability to warm the heart and tickle the funny bone.

The papers collected in this volume are expanded from papers given at the 6th Global Conference on Evil and Human Wickedness, which took place in March 2005. The chapters here represent the diversity and interdisciplinary nature of the conference itself covering topics such as historical and theological concepts of evil, media representations of evil, contemporary debates surrounding the Bosnia war and woman perpetrators in Birkenau, and the construction of the Other as evil in the face of the continuing hysteria over AIDS. The range of the papers collected here makes this book essential reading for students of all humanities disciplines. Colette Balmain is an expert in East Asian horror cinema and has just published her first book, *Introduction to Japanese Horror Film* (Edinburgh University Press: 2008). She has published extensively and given conference papers on Japanese and Korean art and horror cinema. She has also written on American and European horror and science fiction cinema. Lois Drawmer is a principal lecturer at Buckinghamshire New University, in the School of Arts & Media. Her research interests and publications focus on women artists, 19th century art, gender and culture, media and identity, and the relationship between corporeality and the metaphysical / occult. She has been a Director and Trustee of the De Morgan

Few American novels written this century have endured in th heart and mind as has this one-Ray Bradbury's incomparable masterwork of the dark fantastic. A carnival rolls in sometime after the midnight hour on a chill Midwestern October eve, ushering in Halloween a week before its time. A calliope's shrill siren song beckons to all with a seductive promise of dreams and youth regained. In this season of dying, Cooger & Dark's Pandemonium Shadow Show has come to Green Town, Illinois, to destroy every life touched by its strange and sinister mystery. And two inquisitive boys standing precariously on the brink of adulthood will soon discover the secret of the satanic raree-show's smoke, mazes, and mirrors, as they learn all too well the heavy cost of wishes -- and the stuff of nightmare.

He is an American treasure; a clear-eyed fantasist without peer; a literary icon who has created wonder for the better part of seven decades. He has a moon crater named after him and a star on Hollywood Boulevard's Walk of Fame. He has been showered with accolades and honored with prizes galore, everything from an Emmy Award to the National Book Foundation Medal for Distinguished Contribution to American Letters. He has inspired generations of readers to dream, think, invent, believe, and fly. When Ray Bradbury speaks, it pays dividends in gold to everyone who listens. Collected between these covers are memories, ruminations, opinions, prophecies, and philosophies from one of the most influential and admired writers of our time: indelible boyhood experiences that molded the man, as well as his eye-opening, sometimes hilarious true adventures in the realm of the famous and adored; insightful, piquant, often biting, always fascinating reflections on humankind's past and future, and where we stand in the universe today; provocative and deeply affecting musings on the present state of art and the unparalleled glory of creation. As unique, unabashed, and irrepressible as the artist himself, here is an intimate portrait, painted with the master's own words, of the one and only Bradbury -- far more revealing than any mere memoir, for it opens windows not only into his life and work, but into his mind and heart as well. Ray Bradbury has something wonderful to say.

"Something Wicked this Way Comes"

When the Yellowstone supervolcano erupts, it's up to six college students and their experimental physics project to prevent the end of civilization. When an experiment to study quantum uncertainty goes spectacularly wrong, physics student Bill Rustad and his friends find that they have accidentally created an inter-dimensional portal. They connect to Outland-an alternate Earth with identical geology, but where humans never evolved. The group races to establish control of the portal before the government, the military, or evildoers can take it away. Then everything changes when the Yellowstone supervolcano erupts in an explosion large enough to destroy civilization and kill half the planet. The team has just hours to get as many people as possible across to Outland before a lethal cloud of ash overwhelms them. Nothing has prepared the refugees for what they find-a world of few resources and unprecedented dangers. Somehow, they must learn to survive, because Outland may be not just a safe haven-it could be their new home. This 2019 edition has been substantially revised by the author.

take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called "Three Wise Men" are infamous thieves, led by the dark, murderous Balthazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Balthazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt. It may just be the greatest story never told.

Wieland, or, The transformation

Ray Bradbury, America's most beloved storyteller, has spent a lifetime carrying readers to exhilarating and dangerous places, from dark street comers in unfamiliar cities and towns to the edge of the universe. Now, in an extraordinary flight of the imagination a half-century in the making, he takes us to a most wondrous destination: into the heart of an Eternal Family. They have lived for centuries in a house of legend and mystery in upper Illinois -- and they are not like other midwesterners. Rarely encountered in daylight hours, their children are curious and wild; their old ones have survived since before the Sphinx first sank its paws deep in Egyptian sands. And some sleep in beds with lids. Now the house is

being readied in anticipation of the gala homecoming that will gather together the farflung branches of this odd and remarkable family. In the past-midnight stillness can be detected the soft fluttering of Uncle Einars wings. From her realm of sleep, Cecy, the fairest and most special daughter, can feel the approach of many a welcome being -- shapeshifter, telepath, somnambulist, vampire -- as she flies high in the consciousness of bird and bat. But in the midst of eager anticipation, a sense of doom pervades. For the world is changing. And death, no stranger, will always shadow this most singular family: Father, arisen from the Earth; Mother, who never sleeps but dreams; A Thousand Times Great Grandmére; Grandfather, who keeps the wildness of youth between his ears. And the boy who, more than anyone, carries the burden of time on his shoulders: Timothy, the sad and different founding son who must share it all, remember, and telland who, alone out of all of them, must one day age and wither and die. By turns lyrical, wistful, poignant, and chilling, *From the Dust Returned* is the long-awaited new novel by the peerless Ray Bradbury -- a book that will surely be numbered among his most enduring masterworks.
