Scripture and tradition fill the season of Advent with an abundance of characters, themes, and symbols. Each casts a slightly different perspective on the meaning of Jesus' birth and God's promised realm, the two chief components for which this season bids our preparation. Beginning December 1 and running through December 26, each day will explore an Advent-related word that begins with a successive letter in the alphabet. This is followed by suggestions for simple, easy-to-prepare, and complete activities (discussion starters, games, crafts, meditations, journaling, outreach project, devotions). The activities

It summarises the theory which underpins the teaching of a content subject through another language and discusses its practical application, outlining the key directions for the development of research and practice. and as full of fun and adventure as it is of deeper family issues. School's out for summer, and Penny and her cousin Frankie have big plans to eat lots of butter pecan ice cream, swim at the local pool, and cheer on their favorite baseball team—the Brooklyn Dodgers! But sometimes things don't go according to plan. Penny's mom doesn't want her to swim because she's afraid Penny will get polio. Frankie is constantly getting into trouble, and Penny feels caught between the two sides of her family. But even if the summer doesn't exactly start as planned . . . things can work out in the most unexpected ways! Set just after World War II, this thought-provoking novel also highlights the prejudice Penny's Italian American family must confront because people of Italian descent were “the enemy” not long ago. Inspired by three-time Newbery Honor winner Jennifer Holm's own Italian American family, *Penny from Heaven* is a story about families—about the things that tear them apart and the things that bring them back together. Includes an author's note with photographs and background on World War II, internment camps, and 1950s America, as well as additional resources and websites. Booklist: “Holm impressively wraps pathos with comedy in this coming-of-age story, populated by a cast of vivid characters.”
