In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text.

About the Novel: The Crucible is the award-winning play written by Arthur Miller about the Salem witch trials of 1692. One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance. All of our

From the co-author of the New York Times bestseller *Team of Teams*, a practical guide for leaders looking to make their organizations flatter and more interconnected. Too often, companies end up with teams stuck in their own silos, pursuing goals and metrics in isolation. Their traditional autocratic structures create stability, scalability, and predictability -- but in a world that demands constant adaptation, this traditional model fails. In *Team of Teams*, retired four-star General Stanley McChrystal and former Navy SEAL Chris Fussell made the case for a new organizational model combining the agility, adaptability, and cohesion of a small team with the power and resources of a giant organization. Now, in *One Mission*, Fussell channels all his experiences, both military and corporate, into powerful strategies for unifying isolated and distrustful teams. This practical guide will help leaders in any field implement the *Team of Teams* approach to tear down their silos, improve collaboration, and avoid turf wars. By committing to one higher mission, organizations develop an overall capability that far exceeds the sum of their parts. From Silicon Valley software giant Intuit to a government agency on the plains of Oklahoma, organizations have used Fussell's methods to unite their people around a single compelling vision, resulting in superior performance. *One Mission* will help you follow their example to a more agile and

Incident at Vichy

In the Way of the SEAL, ex-Navy Commander Mark Divine reveals exercises, meditations and focusing techniques to train your mind for mental toughness, emotional resilience and uncanny intuition. Along the way you'll reaffirm your ultimate purpose, define your most important goals, and take concrete steps to make them happen. A practical guide for businesspeople or anyone who wants to be an elite operator in life, this book will teach you how to:

- Lead from the front, so that others will want to work for you
- Practice front-sight focus, the radical ability to focus on one thing until victory is achieved
- Think offense, all the time, to eradicate fear and indecisiveness
- Smash the box and be an unconventional thinker so you're never thrown off-guard by chaotic conditions
- Access your intuition so you can make "hard right" decisions
- Achieve twenty times more than you think you can
- and much more

Blending the tactics he learned from America's elite forces with lessons from the Spartans, samurai, Apache scouts, and other great warrior traditions, Divine has distilled the fundamentals of success into eight powerful principles that will transform you into the leader you always knew you could be. Learn to think like a SEAL, and take charge of your destiny at work, home and in life.

Death of a Salesman and The Crucible

" My inner dragon is constantly forcing me forward faster and faster. SHE pushes the boundaries of my passions. I become so strong in HER presence, yet SHE presses. I am forced to walk the line Dangling my feet over the edge, fearlessly challenging the abyss to swallow me, I enjoy it." (p241). For centuries, artists have explored the duality of the soul. poets and prose come the things that go bump in the heart, the monsters that frighten us most, the ones that live within. Wrapped in sensually seductive disguises between black covers erupts Jade and her Dragon. They are Secretly Bound. Leading a successful life with the right career, house and home, wife and child, Jade has it all. Or so it seems. Beneath the peaceful waters lies the emptiness of a relationship barely sparking. The passion is gone. Life is going through the motions, especially in the bedroom. Fantasy remains in the ashes of a once out of control fire, and Jade finds that reality is such a poor substitute. When we thirst, we seek to quench that thirst. We are built to survive, no matter the cost. Jade's soul yearns to quench the desert that has become her sexuality. Her quest for an oasis leads her to Mylifeseeker.com, an internet-based social network, and like so many who have sought out friendship through the internet, Jade ends up with so much more. A storm cloud appears and her name is Emma, bringing with her correspondence sprinkles of rain that soon bursts into a mysterious monsoon flooding Jade's desert and awakens the dragon within. With each email, readers ride on the dragon's breath, holding tightly to the scales glistening in erotic adventures that will assuredly awaken the dragon in every reader. The darkest sexual desires kept from the home are openly explored with a virtual stranger, the lover born of dreams on a screen glowing with the increasing heat of wildfire. Emma soon succeeds in flooding Jade's existence to the point that she must meet the source of her dragon's fire. But as in every cautionary tale, let the reader beware. One always pays for forbidden pleasure, and Jade's price is more

than the reader could possibly imagine. Truth turns into lies. Lies become truth. Reality is fantasy. Fantasy is reality. The beginning is an end. The end is a beginning. And just when you think you've got the answer, there's another riddle to solve. If you are ready, take this dragon by the tail and just try to hang on. You just might find that it is the dragon that has you, and that from this day forward, like Jade, you will forever be Secretly Bound. J AGuilera Professional Reviewer

Farewell to Manzanar

Victor, a New York cop nearing retirement, moves among furniture in the disused attic of a house marked for demolition. Cabinets, desks, a damaged harp, an overstuffed armchair - the relics of a lost life of affluence he's finally come to sell. But when his brother Walter, who he hasn't spoken to in years, arrives, the talk stops being just about whether Victor's been offered a fair price for the furniture, and turns to the price that one and not the other of them paid when their father lost both his fortune and the will to go on

The Pencil

The Crucible - Literature Kit Gr. 9-12

During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century's 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a

Though best known for *The Red Badge of Courage*, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

This Student Edition of *After the Fall* is perfect for students of literature and drama and offers an unrivalled and comprehensive guide to Miller's play. It features an extensive introduction by Brenda Murphy which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. *After the Fall* (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or

subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

An audacious, darkly glittering novel set in the eerie days of civilization's collapse, *Station Eleven* tells the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. A National Book Award Finalist A PEN/Faulkner Award Finalist Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves *The Traveling Symphony*, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in *St. Deborah by the Water*, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Focus

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller’s incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers’ freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe’s final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.
