Diaper Toy (Gay Diaper Fetish, ABDL, Age Play, Adult Baby, Regression)

Now completely updated with the latest information on both adult and pediatric patients, this comprehensive book provides a link between the pathophysiology of neurologic deficits and possible rehabilitation interventions for improving movement outcomes. It introduces the structure and function of the nervous system and describes normal motor development, motor control and motor learning, pathophysiology of the nervous system and common treatment techniques used in physical therapy practice. This edition also features updated terminology from the APTA's Guide to Physical Therapist Practice, as well as new chapters on proprioceptive neuromuscular facilitation (PNF) and other neurological conditions seen in the adult. Helpful learning aids and abundant illustrations highlight key concepts and help readers quickly master the material. Helpful learning aids - such as objectives, tables, illustrated intervention boxes, and review questions - reinforce important facts and concepts. Review questions at the end of each chapter allow readers to test their understanding of the material. 700 illustrations clearly depict procedures discussed in the text and clarify descriptions of anatomy, physiology, evaluation, pathology, and treatment. Background information is provided for interventions that can be used in the rehabilitation of adults and children, promoting a complete understanding of techniques. Careful documentation uses current outcomes-based research. Case histories include subjective and objective observation, assessment, planning, and critical decision-making components. Current language of the APTA's Guide to Physical Therapist Practice, 2nd Edition is used throughout, aligning all information with best practices put forth by the APTA. A new chapter on proprioceptive neuromuscular facilitation (PNF) describes how these techniques can be used to improve performance of functional tasks by increasing strength, flexibility, and range of motion.

Damned

NEW YORK TIMES BESTSELLER “In her book, Melinda tells the stories of the inspiring people she’s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace.” — President Barack Obama “The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what’s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page.” — Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead “Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever.” — Malala Yousafzai “Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms.” — Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. “How can we summon a moment of lift for human beings - and especially for women? Because when you lift up women, you lift up humanity.” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she’s learned from the inspiring people she’s met during her work and travels around the world. As she writes in the introduction, “That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live.” Melinda’s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

Firm Hand

Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit Full House, and as the charming wisecracking host of America's Funniest Home Videos. And then there are the legions of fans who can't get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO's Entourage and the hit documentary The Aristocrats. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there's a time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends

Where To Download The Gay Billionaire Diaper Collection 6 Book Bundle Abdl Diaper Age Play Mm Spanking

and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.

The Book of Drugs

North is the heir to a booming family business. He was due to take control of the company on his thirtieth birthday in six months, but his grandfather has added another stipulation to the deal. North can't take over until he's put down roots and started a family. As an alpha in the prime of his life, North isn't interested in "settling down" and instead hatches a plan to get his hands on the company while avoiding his grandfather's restrictions. Dante has worked at Omega for Hire as an escort for a while now. People usually hire him for short term gigs, mostly as arm candy to parties and dinners. When he gets an offer to be North's live-in boyfriend for the next six months, he's hesitant to take the offer and bail on all of his regular clients. But the money is too good to turn down and the idea of living in the lap of luxury until North's birthday sounds like a dream. But an unexpected heat and some misplaced suppressants might just turn this temporary situation into a permanent one.

Alpha's Fake Omega

Zach Owens falls for his ex-boyfriend's boyfriend.

House of Hilton

Used to pretending he's someone he's not, twenty-one-year-old college student Micah has been hiding his true self. When a prank sends him into a bar on kink night, he finds something he never knew he needed: a world so strange, yet so alluring, where someone offers to take care of him even though escaping all the pressure sounds too good to be true. But can he find something lasting with a Daddy who likes to pamper him? Can he trust Carter to be his first in so many ways? At forty, Carter is a widower. Though he's past the stages of grief, he's still completely lost without his late husband. There's a hole in his life he doesn't think he'll ever fill. But Micah doesn't only fit perfectly in Carter's lap - he's also curious about all things related to age play. Can he coax Micah out of his shell so he can become the femme, carefree, happy little he's meant to be?

Billionaire's New Boy (ABDL Gay Erotica)

Her ex's brother is the one she always wanted. Now he needs her, bad. When Adam Quinn becomes legal guardian of his late brother's baby, it's time to call in reinforcements. Enter Sienna West—the savvy, sexy photographer who once was married to Adam's no-good brother. Sienna swore off the Quinns after her divorce, but she can't deny the need in Adam's voice...or the desire in his gaze. The desire they're no longer forbidden to explore...

Neurologic Interventions for Physical Therapy - E-Book

Can one human handle two alpha werewolves? Brian Holt is about to find out Brian never fantasized about being claimed by a werewolf. The appeal is obvious--werewolves tend toward unfairly attractive in that whole ruggedly handsome and muscle-bound way--but being chosen is the kind of thing that only happens to people on the news. It's like winning the lottery or falling into a sinkhole. It's not something that would realistically happen to him. Except it did, and then the werewolf changed his mind. Three years after being told that choosing him was a mistake, Brian is trying to get on with his life when news spreads that there's a werewolf on campus. Hiding away in his apartment, the very last thing Brian expects is for the stud to come knocking on his door (This 100k word romance novel features two scorching hot alpha werewolves with a kink-list three pages long, a confused young man, and more secrets than you can shake a stick at. The story has a HEA.)

The Moment of Lift

Anthony's a sexy guy with an exhibitionist streak. After another boring night in the office, Anthony sees a lone man indulging in some self pleasure in the office next door. This hot young employee can't wait to lend a helping hand (or anything else) to his lusty billionaire boss! -All characters are over 18 and fictional-

Double Trouble

The television host offers a candid collection of opinions, observations, and anecdotes covering a broad range of personal topics, from talking to her kids about sex to run-ins with celebrities.

Protective Daddy

#1 NEW YORK TIMES BESTSELLER • Includes two new essays! NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED, THE GLOBE AND MAIL, AND LIBRARY JOURNAL For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham—the acclaimed creator, producer, and star of HBO's *Girls*—as one of the most original young talents writing today. In *Not That Kind of Girl*, Dunham illuminates the experiences that are part of making one's way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. "Take My Virginity (No Really, Take It)" is the account of Dunham's first time, and how her expectations of sex didn't quite live up to the actual event ("No floodgate had been opened, no vault of true womanhood unlocked"); "Girls & Jerks" explores her former attraction to less-than-nice guys—guys who had perfected the "dynamic of disrespect" she found so intriguing; "Is This Even Real?" is a meditation on her lifelong obsession with death and dying—what she calls her "genetically predestined morbidity." And in "I Didn't F***

Where To Download The Gay Billionaire Diaper Collection 6 Book Bundle Abdl Diaper Age Play Mm Spanking

Them, but They Yelled at Me,” she imagines the tell-all she will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are “treated like the paper thingies that protect glasses in hotel bathrooms—necessary but infinitely disposable.” Exuberant, moving, and keenly observed, *Not That Kind of Girl* is a series of dispatches from the frontlines of the struggle that is growing up. “I’m already predicting my future shame at thinking I had anything to offer you,” Dunham writes. “But if I can take what I’ve learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile.” Praise for *Not That Kind of Girl* “The gifted Ms. Dunham not only writes with observant precision, but also brings a measure of perspective, nostalgia and an older person’s sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny.”—Michiko Kakutani, *The New York Times* “It’s not Lena Dunham’s candor that makes me gasp. Rather, it’s her writing—which is full of surprises where you least expect them. A fine, subversive book.”—David Sedaris “This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises.”—Carroll Dunham “Witty, illuminating, maddening, bracingly bleak . . . [Dunham] is a genuine artist, and a disturber of the order.”—*The Atlantic* From the Trade Paperback edition.

Everybody Lies

Carson is an alpha with a certain type. He likes omegas in heat. It's not an unusual fetish, but it's definitely an expensive one. Since finding unmated omegas in heat is practically impossible without a little help, he has to pay for his pleasure. Willy is a bit of a late bloomer. At nineteen, he's only recently lost his virginity and still isn't sure what all the fuss over sex is about. So when he gets an offer to force a heat for one of Omega For Hire's best customers, he doesn't think much of it. Just because he's never been in heat before shouldn't make any difference in how he handles this client. And at first it doesn't. But when one night leads to three, they both know something more than paid fun is happening between them. Heat Seeking Alpha is a sexy story about a wealthy alpha, an innocent omega, and the heat they create together.

Kidnapped

A *New York Times*-bestselling author’s revealing, “important” biography of the longtime FBI director (*The Philadelphia Inquirer*). No one exemplified paranoia and secrecy at the heart of American power better than J. Edgar Hoover, the original director of the Federal Bureau of Investigation. For this consummate biography, renowned investigative journalist Anthony Summers interviewed more than eight hundred witnesses and pored through thousands of documents to get at the truth about the man who headed the FBI for fifty years, persecuted political enemies, blackmailed politicians, and lived his own surprising secret life. Ultimately, Summers paints a portrait of a fatally flawed individual who should never have held such power, and for so long.

Life Sucks If You're Married to a Billionaire

Think adolescence is hell? You have no idea Welcome to Dante's Inferno, by way of The Breakfast Club, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of Damned, Chuck Palahniuk's subversive homage to the young adult genre. Madison is abandoned at her Swiss boarding school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose--and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where The English Patient plays on repeat and roaming demons devour sinners limb by limb. However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she learns to navigate Hell--and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect and alone.

It's Just Us

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Diaper Bottom (Gay Diaper Fetish, ABDL, Age Play, Adult Baby, Regression)

NEW YORK TIMES BESTSELLER • "An essential exposé of our times—a work that reveals the deep rot in our financial system . . . Everyone should read this book."—David Grann, author of Killers of the Flower Moon ONE OF THE BEST BOOKS OF THE YEAR—The New York Times and The Economist • Finalist for the

Where To Download The Gay Billionaire Diaper Collection 6 Book Bundle Abdl Diaper Age Play Mm Spanking

New York Public Library's Helen Bernstein Book Award for Excellence in Journalism
The hedge fund industry changed Wall Street. Its pioneers didn't lay railroads, build factories, or invent new technologies. Rather, they made their billions through financial speculation, by placing bets in the market that turned out to be right more often than not. In hedge fund circles, Steven A. Cohen was revered as one of the greatest traders who ever lived. But that image was shattered when his fund, SAC Capital, became the target of a seven-year government investigation. Prosecutors labeled SAC a "magnet for market cheaters" whose culture encouraged the relentless pursuit of "edge"—and even "black edge," which is inside information—and the firm was ultimately indicted and pleaded guilty to charges related to a vast insider trading scheme. Cohen, himself, however, was never charged. *Black Edge* is a riveting legal thriller that raises urgent questions about the power and wealth of those who sit at the pinnacle of high finance and how they have reshaped the economy. Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction and the Financial Times and McKinsey Business Book of the Year Award "A modern version of *Moby-Dick*, with wiretaps rather than harpoons."—Jennifer Senior, *The New York Times* "If you liked James B. Stewart's *Den of Thieves*, Sheelah Kolhatkar's thrilling *Black Edge* should be next on your reading list."—*The Wall Street Journal* "Excellent."—*The Economist* "A true-life thriller with Shakespearian stakes . . . Her chilling account of a blighted industry is as mesmerizing as a human story as it is as a financial one."—*Fortune* "A tour de force of groundbreaking reporting and brilliant storytelling."—Jeffrey Toobin, *New York Times* bestselling author of *American Heiress*

Engaging Students

ENGAGING STUDENTS In Phillip Schlechty's best-selling book *Working on the Work*, he outlined a motivational framework for improving student performance by improving the quality of schools designed for students. *Engaging Students* offers a next-step resource in which Schlechty incorporates what he's learned from the field and from the hundreds of workshops he and the Schlechty Center staff have conducted since *Working on the Work* was first published. This innovative and practical book is focused on helping teachers become increasingly successful in designing engaging work for their students. Schlechty contends that rather than viewing schools as teaching platforms, schools must be viewed as learning platforms. Rather than seeing schools as knowledge distribution systems, schools must be seen as knowledge work systems. Rather than defining teachers as instructors, teachers must be defined as designers, leaders, and guides to instruction. *Engaging Students* also includes useful questionnaires that will facilitate discussion, analysis, and action planning at both school and classroom levels. Praise for *Engaging Students* "In *Engaging Students*, Schlechty boldly delineates why the focus on engaging students overrides the focus on test scores. Every teacher and administrator in my district will use this guide to transform our entire organization into one that is truly focused on student engagement." —KIM REDMOND, superintendent, Canton Local Schools, Canton, Ohio "This insightful book reminds us that every decision made in schools should ultimately benefit students. You will find yourself referring to this book again and again as a guide to support you in your role as an educator." —ALLENE MAGILL, executive director, Professional Association of Georgia Educators, Atlanta, Georgia "Here is a much-enriched framework for everything Dr. Schlechty advocates: well articulated

Where To Download The Gay Billionaire Diaper Collection 6 Book Bundle Abdl Diaper Age Play Mm Spanking

curriculum standards, schools as a platform for learning, teachers as leaders and designers of engaging and meaningful work, and students becoming responsible for their learning." —NYANA SIMS, K-12 literacy and induction facilitator, Goshen School District, Torrington, Wyoming "By understanding and implementing the principles so thoughtfully articulated in this book, schools can become centers of highly engaged learners—and in that endeavor find again the joy of teaching and learning." —JOHNNY VESELKA, executive director, Texas Association of School Administrators, Austin, Texas

Fast Food Nation

Dirty Daddy

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • "A feminist jeremiad nested inside a brilliant comic novel—a book that makes you laugh so hard you don't notice till later that your eyebrows have been singed off."—Ron Charles, *The Washington Post* FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE'S JOHN LEONARD PRIZE FOR BEST FIRST BOOK • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY AND THE NEW YORK PUBLIC LIBRARY AND ONE OF THE BEST BOOKS OF THE YEAR BY *The New York Times Book Review* • *Time* • *The Washington Post* • *Vanity Fair* • *Vogue* • *NPR* • *Chicago Tribune* • *GQ* • *Vox* • *Refinery29* • *Elle* • *The Guardian* • *Real Simple* • *Parade* • *Good Housekeeping* • *Marie Claire* • *Town & Country* • *Evening Standard* • *Kirkus Reviews* • *BookPage* • *BookRiot* • *Shelf Awareness* A finely observed, timely exploration of marriage, divorce, and the bewildering dynamics of ambition from one of the most exciting writers working today Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. *Alma's Best Jewish Novel of the Year* "Blisteringly funny, feverishly smart, heartbreaking, and true, *Fleishman Is in Trouble* is an essential read for anyone who's wondered how to navigate loving (and hating) the people we choose."—Cynthia D'Aprix Sweeney, author of *The Nest* "From its opening pages, *Fleishman Is in Trouble* is shrewdly observed, brimming with wisdom, and utterly of this moment. Not until its explosive final pages are you fully aware of its cunning ferocity. Taffy Brodesser-Akner's debut is that rare and delicious treat: a page-turner with heft."—Maria

Simple

Official and Confidential

Love, like everything in the universe, cannot be destroyed. But over time it can change. The hot Texas nights were lonely for Ben before his heart began beating to the rhythm of two words; Tim Wyman. By all appearances, Tim had the perfect body and ideal life, but when a not-so-accidental collision brings them together, Ben discovers that the truth is rarely so simple.

A SEAL's Surrender

David Belvedere is a hard partying, fun loving guy with a big trust fund and a nasty habit of getting into trouble. Adam Wentworth is just the billionaire to tame him

Billionaire's Bargain

Foreword by Steven Pinker Blending the informed analysis of *The Signal and the Noise* with the instructive iconoclasm of *Think Like a Freak*, a fascinating, illuminating, and witty look at what the vast amounts of information now instantly available to us reveals about ourselves and our world—provided we ask the right questions. By the end of an average day in the early twenty-first century, human beings searching the internet will amass eight trillion gigabytes of data. This staggering amount of information—unprecedented in history—can tell us a great deal about who we are—the fears, desires, and behaviors that drive us, and the conscious and unconscious decisions we make. From the profound to the mundane, we can gain astonishing knowledge about the human psyche that less than twenty years ago, seemed unfathomable. *Everybody Lies* offers fascinating, surprising, and sometimes laugh-out-loud insights into everything from economics to ethics to sports to race to sex, gender and more, all drawn from the world of big data. What percentage of white voters didn't vote for Barack Obama because he's black? Does where you go to school effect how successful you are in life? Do parents secretly favor boy children over girls? Do violent films affect the crime rate? Can you beat the stock market? How regularly do we lie about our sex lives

Where To Download The Gay Billionaire Diaper Collection 6 Book Bundle Abdl Diaper Age Play Mm Spanking

and who's more self-conscious about sex, men or women? Investigating these questions and a host of others, Seth Stephens-Davidowitz offers revelations that can help us understand ourselves and our lives better. Drawing on studies and experiments on how we really live and think, he demonstrates in fascinating and often funny ways the extent to which all the world is indeed a lab. With conclusions ranging from strange-but-true to thought-provoking to disturbing, he explores the power of this digital truth serum and its deeper potential—revealing biases deeply embedded within us, information we can use to change our culture, and the questions we're afraid to ask that might be essential to our health—both emotional and physical. All of us are touched by big data everyday, and its influence is multiplying. *Everybody Lies* challenges us to think differently about how we see it and the world.

This Is Your Brain on Birth Control

Get three dirty diaper stories in one anthology! **DIAPER CLAIMED** - Dane and Silas work side by side as bartenders, and Dane can't hide his attraction anymore. The Epitome of Love: Special Edition

"The acclaimed ABDL story that is changing lives in Special Edition!" **Two Boys. One Innocent Secret. An Amazing Friendship.** Robin Bailey appeared to be a regular high school Senior. He had amazing grades, he was well liked among his teachers, and

Where To Download The Gay Billionaire Diaper Collection 6 Book Bundle Abdl Diaper Age Play Mm Spanking

he loved to hang out with his friends, specially his best friend Carter. But Robin had a secret that made him feel like an outsider sometimes: He was an Adult Baby. He liked to wear diapers and pretend he was a one year old baby. He carried that shame for his entire life, never telling anyone who he really is. Carter Blake was popular and part of the school's swim team, but he never cared for popularity a lot. All he knew was he had a best friend, Robin, who he loved like no one in the world. However, Carter can't keep pretending he doesn't notice how his best friend acts weird, detached and sad in the most unexpected moments. He knows Robin is keeping a secret, but he doesn't know what it is. The Bailey family was very close to one another. However, Robin could never tell his parents or sister about his desires of being a baby and wear diapers. He thought they would disown him. It is until one little slip up reveals an adult diaper to Robin's sister in his room that the life of Robin, Carter, and the Bailey family changes forever***This Special Edition contains a re-edited manuscript of the entire novel, plus 30 pages of professional articles on ABDL by Michael Bent and Rosalie Bent of ABDDiscovery.

Fleishman Is in Trouble

He can't see past his own scars After he was left for dead in a wildfire, Ian can't help his monstrous appearance. No one could love him with his beastly features, not even his own family. Add in the fact that he's an omega raising a daughter on his own and he's destined to remain single for good. But when Steve looks at him, there's a different kind of heat in his eyes, one Ian wants to reach for, if he can guarantee he won't get burned again. He's not strong enough for a mate of his own Detective Steve Daniels may be an alpha, but he's not nearly as strong as the other members of his pack. He'll never be alpha enough to claim a mate of his own. But Ian's scent drives him crazy, and spending time holed up with the man and his daughter makes Steve wonder if he might be just the mate Ian needs to heal and grow. The wolves can't make it work as long as Ian stubbornly refuses to perceive his own worth. Steve sees the man, not the scars, and he'll do anything to prove that his mate is worthy of love. He'll have to find inner strength of his own to claim his omega and protect their growing family, and this time Steve will be worthy enough to love everything he holds dear.

Dirty Boss (Taboo Billionaire Gay MM Erotic Romance)

How can he want to call his best friend's son Sir? Or even worse Daddy? Cornell is broken after losing his best friend Jonas and getting hurt himself. He's too old, too imperfect to ever attract a Dom again. Until Rhys. When Rhys gives him commands, Cornell yearns to obey. When Rhys takes care of him, Cornell wants to kneel for him. When Rhys is everything he's dreamed of, Cornell aches to call him Sir. And when Rhys makes him fly, Cornell soars higher than ever before. But there's one problem. Rhys is twenty years his junior and he's Jonas's son. How can you want to call your best friend's son Sir or Daddy? Firm Hand is a standalone slow burn MM romance with daddy kink, an age gap, a very caring Daddy and a boy who needs it, hurt/comfort, mild D/s play, and all the feels.

Triple the Fun

Baby, baby...baby?! It's triplets from USA TODAY bestselling author Maureen Child! He's a captain of industry, a brooding billionaire and—a daddy? When Connor King learns he has fathered triplets, he feels double-crossed. Now nothing will stand in the way of claiming his heirs, not even their alluring legal guardian, Dina Cortez. With the babies' mother gone, Dina has vowed to protect Sage, Sam and Sadie. But who will protect Dina from her feelings for the dark and defiant Mr. King? Because once she and the children are moved into Connor's California seaside mansion, his stately bed is just a heartbeat away...

Black Edge

This intimate, shocking—and thoroughly unauthorized—portrait of the Hiltons chronicles the family's amazing odyssey from poverty and obscurity to glory and glamour. From Conrad Hilton, the eccentric “innkeeper to the world” who built a global empire beginning with a fleabag in a dusty Texas backwater, to Paris Hilton, his great-granddaughter, whose fame took off with a sex video, *House of Hilton* is the unauthorized, eye-popping portrait of one of America's most outrageous dynasties. If you want to know how Paris Hilton became who she is, you have to know where she came from. From scores of candid and exclusive interviews, from private documents and public records, New York Times bestselling author Jerry Oppenheimer has dug deeply into her paternal and maternal family roots to reveal the often shocking, tragic, and comic lives that helped shape the world's most famous and fabulous “celebutante.” The cast of characters includes Paris's maternal grandmother, a materialistic “stage mother from hell.” There is Paris's maternal grandfather, who became an alcoholic housepainter. The life of Paris's mother, Kathy Hilton, groomed by her mother to be a star and marry rich, is candidly revealed, too, as is that of Paris's father, Rick, Conrad's grandson. Paris's tabloid antics are truly in the Hilton tradition. Set against a glittery Hollywood backdrop—with appearances by stars like Elizabeth Taylor, Zsa Zsa Gabor, Natalie Wood, and Joan Collins—*House of Hilton* brings to light a cornucopia of closely held

Hilton family secrets and sexual peccadilloes, such as the many affairs and the nightclub-brawling, boozing, and pill-popping life of Paris's great-uncle, Nick Hilton. The story of his hellish marriage to Liz Taylor alone rivals any of today's Hollywood breakups. Behind it all was Conrad Hilton, who built his worldwide empire through the Great Depression while others were jumping out of windows. A devout Catholic publicly, his personal life was that of an unrepentant sinner. His first marriage was to Mary Barron Hilton, a sexy, hard-drinking, gambling Kentucky teenager half Conrad's age. Wife number two was the gorgeous Zsa Zsa, who, like Paris, was famous for being famous. Their tumultuous marriage and headline-making divorce are revealed here in all their juicy glory. In all, House of Hilton is a gripping American saga, from the fire and passions that built a business empire to the debauchery and amorality passed on from one generation to the next.

Honor/Obey

One of the Most Anticipated Books of Summer 2020 Vogue, Elle, Time, The New York Times, Esquire, Harper's Bazaar, Vulture, Parade, USA Today, Literary Hub, BuzzFeed, Electric Literature, Refinery29, The Rumpus, Book Riot, Thrillist, Domino, PopSugar, New York Amsterdam News, Bookshop.org "Exactingly, hilarious, and deadly . . . A writer of exhilarating freedom and daring." —Zadie Smith, Harper's Bazaar "Impossible to put down." —Ling Ma, author of Severance No one wants what no one wants. And how do we even know what we want? How do we know we're ready to take it? Edie is stumbling her way through her twenties—sharing a subpar apartment in Bushwick, clocking in and out of her admin job, making a series of inappropriate sexual choices. She is also haltingly, fitfully giving heat and air to the art that simmers inside her. And then she meets Eric, a digital archivist with a family in New Jersey, including an autopsist wife who has agreed to an open marriage—with rules. As if navigating the constantly shifting landscapes of contemporary sexual manners and racial politics weren't hard enough, Edie finds herself unemployed and invited into Eric's home—though not by Eric. She becomes a hesitant ally to his wife and a de facto role model to his adopted daughter. Edie may be the only Black woman young Akila knows. Irresistibly unruly and strikingly beautiful, razor-sharp and slyly comic, sexually charged and utterly absorbing, Raven Leilani's *Luster* is a portrait of a young woman trying to make sense of her life—her hunger, her anger—in a tumultuous era. It is also a haunting, aching description of how hard it is to believe in your own talent, and the unexpected influences that bring us into ourselves along the way.

Luster

The first day I walked into his office I felt an incredible longing in my soul. The moment we touched, I was breathless, a deep ache running straight through my heart. I had a feeling I wasn't alone, but he was my boss, and damn the man for being the utmost professional. Nearly four years have passed since that day. Four years of seeing his boys, of knowing he was a Daddy to each one of them, but never to me. Now with only days left until I walk away from my beloved job, knowing I won't see him anymore pains me. Until a twist of fate—a chance encounter in Ace's Wild—changes everything. Maybe now I can be the boy he's always needed—finally permitted to be caged in by his ownership.***PLEASE NOTE: For the first 90 days of this title's publication, all sales and page reads will be

donated to The Lancaster LGBTQ+ Coalition. Caged In is part of a multi-author series of books that take place in the same fictional town. Each story can be read in any order. The connecting element in the Ace's Wild series is an adult store owned by Ace and Wilder. The main characters from each book will make at least one visit to Ace's Wild, where they'll buy a toy to use in their story! The only characters who crossover to each book are Ace and Wilder. And with various heat levels, there's sure to be something for everyone!

Breed Me Professor (Taboo Fertile Erotica)

Brian's boyfriend Jon is sick of his behavior, but luckily Jon has plan. He takes his boyfriend to a training academy where Brian loses his clothes and inhibitions and gains a diaper! -All characters are over 18 and fictional-

Caged In
