19th Century American Literature

"In a country teetering on the brink of civil war, two young people meet--sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. An epic compressed into a slender page-turner, *Exit West* is both completely of our time and for all time."--

Much Ado about Nothing

As a young, wealthy, and good-looking man, Charlie fit right into the jazz-age scene. But when his easy life comes crashing down with the stock market in 1929, Charlie ends up losing his passionate young wife and his daughter, Honoria. As Charlie sets out to convince his in-laws to return his daughter to his care, he reminisces about the life he lived and the path that led to his current state. "Babylon Revisited" is a semi-autobiographical story based on the period in F. Scott Fitzgerald's life when his wife, Zelda, was committed to a sanitarium. During that time, Fitzgerald's sister-in-law, blaming him for her sister's state of mind, tried to adopt the couple's daughter. The story was adapted into the 1954 movie *The Last Time I Saw Paris* starring Elizabeth Taylor and Van Johnson. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

O Pioneers!

The Rising Tide of Color Against White World-supremacy

The Great Gatsby

Classic light comedy, fully sustained in the spirit of the plays of this genre. As is characteristic of the dramaturgy of this epoch, the obviousness of the incipient intrigue does not spoil the general charm of the play at all, and the onslaught of free irony and elegant juggling with words and meanings delivers true enjoyment. The plot tells about the creation of a union of two pairs, very different from each other. The wedding of the first couple has already been discussed, and preparations are underway. The second couple still does not even realize that a sharp reversal of fate will happen soon.

The Great Gatsby & All the Sad Young Men

Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.

New Essays on The Great Gatsby

The masterful novel of Jazz Age idealism, decadence, and disillusionment by the celebrated author of *The Beautiful and Damned*. Here is the timeless story of mysterious millionaire Jay Gatsby; beautiful debutant Daisy Buchanan; Daisy's philandering husband, Tom; and aspiring writer Nick Carraway, who gets caught up in their drama of elegant parties and doomed romance. With its vivid prose and perceptive character portraits, it is widely considered to be author F. Scott Fitzgerald's masterpiece, as well as one of the greatest novels ever written. Adapted for stage and screen numerous times, *The Great Gatsby* is emblematic of the style and sensibility of the Roaring Twenties as well as a brilliant evocation of popular culture's growing disillusionment with the American Dream.

Before Gatsby

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover.

Babylon Revisited

The York Notes Companion to Nineteenth Century American Literature explores literature written during an era of revolution, independence, civil war and consolidation. Covering genres such as the early American novel, realist fiction and historical romance, short stories and poetry, the Companion explores examples from each genre in detailed commentaries, and guides students through key literary theories and debates. Connecting texts with their historical and scholarly

contexts, this is essential reading for any student of nineteenth-century American literature. Texts discussed include: *The Scarlet Letter*, *The Adventures of Huckleberry Finn*, *Leaves of Grass*, *The White Heron* and selected slave narratives. Each York Notes Companion provides:

- Analysis of key texts and debates.
- Extended commentaries for further in-depth analysis of individual texts.
- Exploration of historical, social and cultural contexts.
- Annotations clarifying literary terms and events in history.
- Modern theoretical perspectives in practice.
- Timelines and annotated further reading.

Rowland Hughes is a Principal Lecturer in English and American Literature at the University of Hertfordshire.

CliffsNotes on Fitzgerald's The Great Gatsby

A baby blanket anticipates the arrival of a new baby girl. As they grow older together, they both learn the value of a secure friendship. Written by educator Pauline Hawkins and illustrated by award winning watercolor artist Lorraine Watry.

American Icon

All the King's Men

Provides students of American Literature with introductory critical guides to the great works of American fiction.

The Power of Negative Thinking

Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either *Metropolitan Magazine* (New York), *Saturday Evening Post*, *Smart Set*, *Collier's*, *Chicago Sunday Tribune*, or *Vanity Fair*.

Killers of the Flower Moon

The Great Gatsby, by the American author F. Scott Fitzgerald, is one of the great novels of twentieth-century literature. Set in the Long Island of 1922, it provides a critical social history of America during the "Roaring Twenties", an era that Fitzgerald himself dubbed the "Jazz Age", known for unprecedented economic prosperity, the evolution of jazz music, flapper culture, and bootlegging and other criminal activity. A historic period when "gin was the national drink and sex the national obsession", as classified by *The New York Times*.

The Catcher in the Rye

"Originally published in hardcover by Little, Brown and Company, July 1951"--T.p. vers

So We Read On

For I Am Yours

Willie Stark, a well-intentioned idealistic back-country lawyer is unable to resist greed, power, and lust for politics during his rise and fall as an American demagogue.

Winter Dreams Illustrated

Reader's Guides provide a comprehensive starting point for any advanced student, giving an overview of the context, criticism and influence of key works. Each guide also offers students fresh critical insights and provides a practical introduction to close reading and to analysing literary language and form. They provide up-to-date, authoritative but accessible guides to the most commonly studied classic texts. The Great Gatsby (1925) is a classic of modern American literature and is often seen as the quintessential novel of 'the jazz age'. This is the ideal guide to the text, setting The Great Gatsby in its historical, intellectual and cultural contexts, offering analyses of its themes, style and structure, providing exemplary close readings, presenting an up-to-date account of its critical reception and examining its afterlife in literature, film and popular culture. It includes points for discussion, suggestions for further study and an annotated guide to relevant reading.

The Scarlet Letter

Benjamin Schreier is suspicious of a simple equation of cynicism with quietism, nihilism, selfishness, or false consciousness, and he rejects the notion that modern cynicism represents something categorically different from the classical outlook of Diogenes. He proposes, instead, that cynicism names the difficult position of not being able to recognize the relevance of democratic social norms in the future and yet being nonetheless invested in the power of these norms to determine cultural identity and to regulate social practices. In his readings of Henry Adams's Education, Willa Cather's The Professor's House, F. Scott Fitzgerald's The Great Gatsby, and Nathanael West's Miss Lonelyhearts, the author affirms that cynicism is an important and under-appreciated current in mainstream modern American literature. He finds that, far from the simple selfishness or apathy for which it is so often dismissed, the cynicism in these texts is suffused by a desire for the certainty promised by norms such as national teleology, ethnic identity, and civic participation. But without faith in the relevance of these regulating terms, cynics lack ready accounts of America and of their place in it. Schreier's focus is not only on the cynical characters in the texts but also on the textual and epistemological strategies used to render normative narratives recognizably legitimate in the first place. In his refusal to historicize cynicism away with generalized claims about American society, Schreier argues instead that cynicism stages an unanswerable challenge to the specific expectations through which normative accounts of history become visible. The Power of Negative Thinking makes a vital and wide-ranging contribution to our understanding of American literature, intellectual and cultural history, philosophy, ethics, and politics. Schreier's close reading and his vigorous theoretical examination of analytical first principles combine to make a book that is

valuable not only to the study of methodology but also to the scrutiny of the very assumptions the humanities bring to the exploration of the way we think.

The Great Gatsby by F. Scott Fitzgerald

In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

The Great Gatsby

The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature. The latest generation of titles in this series also features glossaries and visual elements that complement the familiar format. CliffsNotes on The Great Gatsby explores F. Scott Fitzgerald's novel of triumph, tragedy, and a classic love triangle in the 1920s. Following the story of a young Midwesterner who's fascinated by the mysterious past and opulent lifestyle of his landlord, this study guide provides summaries and critical commentaries for each chapter within the novel. Other features that help you figure out this important work include Personal background on the author Introduction to and synopsis of the book In-depth character analyses Critical essays on topics of interest Review section that features interactive questions and suggested essay topics and practice projects Resource Center with books, videos, and websites that can help round out your knowledge Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

American Classics

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

Exit West

Desire can take many forms. Hegel related desire to acceptance, Nietzsche to

power, and Freud to the erotic. In novels and plays by Gustave Flaubert, Marcel Proust, F. Scott Fitzgerald, and Arthur Miller and music by Lana Del Rey, desire operates in a complex, slippery way that eludes philosophical and psychoanalytic attempts to pin it down. These and other great works of literature corroborate René Girard's understanding of desire as taking shape "according to the other's desire." The mimetic approach frees desire from the preconceptions of both subject- and object-oriented psychologies and puts literary criticism in touch with the concrete substance of fictional narratives. Drawing on both modern masterpieces and iconic works of contemporary pop culture, Per Bjørnar Grande sketches a Girardian phenomenology of desire, one that sheds new light on the frustrating and repetitive nature of human relations in a world of vanishing taboos.

Norwegian Wood

If historically tinged action-adventure is your genre of choice, hang on to your hat -- you're in for a wild ride. In *The Prisoner of Zenda*, Anthony Hope relates the misadventures that befall the soon-to-be-crowned king of the fictional country of Ruritania in the days leading up to his coronation. An English tourist who just happens to be a dead ringer for the king is called into service as a decoy, and a string of increasingly perilous scrapes follow.

This Side of Paradise

Seminar paper from the year 2005 in the subject American Studies - Literature, University of Erfurt, course: Modernism, 8 entries in the bibliography, language: English, abstract: Introduction Artists use colors to show hidden intentions and traffic lights provoke a certain way of acting through their color. Colors symbolize various things in everyday life. One usually has an instinctive connection from colors to certain feelings or uses. In his novel "The Great Gatsby", F. Scott Fitzgerald is an artist. He uses colors to communicate to the reader feelings and attitudes of the protagonists. With my term paper on Fitzgerald's color symbolism in "The Great Gatsby" I want to show the different uses of colors and the way color influences a scene subliminal.

Tales of the Jazz Age

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem *Tiare Tahiti*. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

Midnight in Chernobyl

NEW YORK TIMES BESTSELLER - NATIONAL BOOK AWARD FINALIST "Disturbing and riveting! It will sear your soul." —Dave Eggers, *New York Times* Book Review SHELF AWARENESS'S BEST BOOK OF 2017 Named a best book of the year by *Wall Street*

Journal, The Boston Globe, San Francisco Chronicle, GQ, Time, Newsday, Entertainment Weekly, Time Magazine, NPR's Maureen Corrigan, NPR's "On Point," Vogue, Smithsonian, Cosmopolitan, Seattle Times, Bloomberg, Lit Hub's "Ultimate Best Books," Library Journal, Paste, Kirkus, Slate.com and Book Browse From New Yorker staff writer David Grann, #1 New York Times best-selling author of *The Lost City of Z*, a twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. After oil was discovered beneath their land, they rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. Her relatives were shot and poisoned. And it was just the beginning, as more and more members of the tribe began to die under mysterious circumstances. In this last remnant of the Wild West—where oilmen like J. P. Getty made their fortunes and where desperadoes like Al Spencer, the “Phantom Terror,” roamed—many of those who dared to investigate the killings were themselves murdered. As the death toll climbed to more than twenty-four, the FBI took up the case. It was one of the organization’s first major homicide investigations and the bureau badly bungled the case. In desperation, the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to unravel the mystery. White put together an undercover team, including one of the only American Indian agents in the bureau. The agents infiltrated the region, struggling to adopt the latest techniques of detection. Together with the Osage they began to expose one of the most chilling conspiracies in American history. In *Killers of the Flower Moon*, David Grann revisits a shocking series of crimes in which dozens of people were murdered in cold blood. Based on years of research and startling new evidence, the book is a masterpiece of narrative nonfiction, as each step in the investigation reveals a series of sinister secrets and reversals. But more than that, it is a searing indictment of the callousness and prejudice toward American Indians that allowed the murderers to operate with impunity for so long. *Killers of the Flower Moon* is utterly compelling, but also emotionally devastating.

The significance of color in "The Great Gatsby"

William Golding’s unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding’s compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles,

Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Prisoner of Zenda

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great--and utterly unusual--*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of *Gatsby* and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Desire

F.S. Fitzgerald was an American writer, whose works illustrate the Jazz Age. *The Great Gatsby*, Fitzgerald's third book, stands as the supreme achievement of his career. Being acclaimed by generations of readers, the story of the fabulously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan remains one of the most famous Fitzgerald's works. It is an exquisitely crafted tale of America in the 1920s. All the Sad Young Men is a wonderful short-story collection. It contains two of the most famous tales: the beautifully elegiac «The Rich Boy» and «Winter Dreams», dealing with wealthy protagonists as they come to terms with lost love and «Absolution», a boy's confession to a priest.

We Were Liars Deluxe Edition

The New York Times bestseller *We Were Liars* is now available as a not-to-be-missed hardcover deluxe edition! Whether you know how it ends (shh . . . don't tell!) or have let too many seasons go by without discovering the truth about the Liars for yourself, you will want to get your hands on the exclusive new content in this deluxe edition. And act fast: the first printing is signed by the author! A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. *We Were Liars* is a modern, sophisticated suspense novel from National Book Award finalist and Printz Award honoree E. Lockhart. In addition to the bestselling

novel, the collector's edition includes:

- Never-before-shared letters from Gat to Cadence
- A fascinating behind-the-scenes look at the author's creative process
- The author's hand-drawn map of Beechwood Island and the Sinclair family tree
- Unique ideas for book discussions—Sinclair family-style
- An excerpt from E. Lockhart's upcoming novel *Genuine Fraud*—a psychological thriller that will leave you breathless

Read it. And if anyone asks you how it ends, just LIE. Praise for *We Were Liars*: 20 Weeks on the New York Times Bestseller List “Haunting, sophisticated . . . a novel so twisty and well-told that it will appeal to older readers as well as to adolescents.” —The Wall Street Journal “A rich, stunning summer mystery with a sharp twist that will leave you dying to talk about the book with a pal or ten.” —Parade.com “Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable.” —John Green, #1 New York Times bestselling author of *The Fault in Our Stars* “You’re going to want to remember the title. *Liars* details the summers of a girl who harbors a dark secret, and delivers a satisfying, but shocking twist ending.” —Entertainment Weekly “An ambitious novel with an engaging voice, a clever plot and some terrific writing.” —The New York Times Book Review “No one should be talking about the shocking twist ending. What we can talk about is . . . [Lockhart's] razor-sharp portrayal of a family for whom keeping up appearances is paramount and, ultimately, tragic.” —Chicago Tribune

Mr Bruff's Guide to GCSE English Language

This Side of Paradise Illustrated

This work is a troubling story of crime, sin, guilt, punishment and expiation, set in the rigid moral climate of 17th-century New England. The young mother of an illegitimate child confronts her Puritan judges, as she suffers a harsh sentence and the guilt as her lover is revealed.

The Death and Life of the Great Lakes

A New York Times Best Book of the Year A Time Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year 2020 Andrew Carnegie Medals for Excellence Winner From journalist Adam Higginbotham, the New York Times bestselling “account that reads almost like the script for a movie” (The Wall Street Journal)—a powerful investigation into Chernobyl and how propaganda, secrecy, and myth have obscured the true story of one of the history's worst nuclear disasters. Early in the morning of April 26, 1986, Reactor Number Four of the Chernobyl Atomic Energy Station exploded, triggering one of the twentieth century's greatest disasters. In the thirty years since then, Chernobyl has become lodged in the collective nightmares of the world: shorthand for the spectral horrors of radiation poisoning, for a dangerous technology slipping its leash, for ecological fragility, and for what can happen when a dishonest and careless state endangers its citizens and the entire world. But the real story of the accident, clouded from the beginning by secrecy, propaganda, and misinformation, has long remained in dispute. Drawing on hundreds of hours of interviews conducted over the course of more than ten years, as well as letters, unpublished memoirs, and documents from recently-declassified archives, Adam Higginbotham brings the disaster to life

through the eyes of the men and women who witnessed it firsthand. The result is a “riveting, deeply reported reconstruction” (Los Angeles Times) and a definitive account of an event that changed history: a story that is more complex, more human, and more terrifying than the Soviet myth. “The most complete and compelling history yet” (The Christian Science Monitor), Higginbotham’s “superb, enthralling, and necessarily terrifying extraordinary” (The New York Times) book is an indelible portrait of the lessons learned when mankind seeks to bend the natural world to his will—lessons which, in the face of climate change and other threats, remain not just vital but necessary.

Simon Called Peter

New York Times Bestseller Winner of the Los Angeles Times Book Prize Winner of the J. Anthony Lukas Award "Nimbly splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative.... Egan's book is bursting with life (and yes, death)." —Robert Moor, New York Times Book Review
The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. The Death and Life of the Great Lakes is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come.

Castle Rackrent and The Absentee

The Curious Case of Benjamin Button is a short story written by F. Scott Fitzgerald. First published in Collier's Magazine on May 27, 1922, it was subsequently anthologized in Fitzgerald's book Tales of the Jazz Age, which is occasionally published as The Curious Case of Benjamin Button and Other Jazz Age Stories.

Fitzgerald's The Great Gatsby

Alexandra, daughter of a Swedish immigrant farmer in Nebraska, inherits the family farm and finds love with an old friend.

Lord of the Flies

"Winter Dreams" is a short story by F. Scott Fitzgerald that first appeared in Metropolitan Magazine in December 1922, and was collected in All the Sad Young Men in 1926. It is considered one of Fitzgerald's finest stories and is frequently anthologized. In the Fitzgerald canon, it is considered to be in the "Gatsby-cluster," as many of its themes were later expanded upon in his famous novel The Great Gatsby in 1925.

The Great Gatsby

This book examines selected works in the American literary tradition from an

evolutionary perspective. Individual essays address figures ranging from Benjamin Franklin to Billy Collins, targeting a variety of fitness-related issues--courtship, nepotism, competition, cooperation, status, and deception, for example--in the context of both physical and social environment.

The Curious Case Of Benjamin Button

How and why Fitzgerald's novel, initially called a failure, has come to be considered a masterwork of American literature and part of the fabric of the culture.
