Zompoc Survivor

Pytheas mission was simple: land on New Ithaca and evacuate the colonists. But after their ship is damaged during descent and half the crew disappears, it is now a race against time to find the colonists and their crew, repair the ship, and evacuate the planet before it passes through an anomaly with enough radiation to kill them all. However, the colonists aren't eager to leave. Not only did they leave Earth to escape the brewing political war, they also found the ruins of an ancient civilization known

as the Illonium on New Ithaca, and that discovery is too alluring to just abandon. Who were these mysterious beings, and why did they suddenly disappear without a trace? But when a new threat seemingly appears out of nowhere, it becomes a fight for survival. Echoes is a complex tale of love, loss, and survival in an alien wilderness where only the strongest will endure.

Thank You, Goodnight

Ephaidria

Roy Connors, consultant for a top technology company and the quintessential pursuer of the American dream, through perseverance gains a unique mental disorder. When his only entrusted friend falls in love with a hot brunette, Roy's already fragile life suddenly spirals out of control. Obsessed with the ancient symbols carved on a 3,500 year-old clay disk and ridden by jealousy, Roy follows the happy couple to their Cayman Island retreat. The fates of the three collide with the arrival of the deadliest hurricane in the islands' history. Descent The R. Connors Story is a psychological suspense delivering a rare glimpse into the minds of identity-shattered individuals. Written in a vibrant style it reconciles misconceptions about self, sexual duality, and the mysterious raw forces of Nature.

Remember Who You Truly Are

Readers will feel they know someone just like the characters in this timely novel on social status and social media. Steen Sand, CEO of Stensure Networks, is the head honcho at an IT firm that's developed an Internet service to monitor, compute, and publish people's social status. His chief operating officer, Irene Lund, serves as his muse. He needs her to be part of his world, or he can't achieve anything of significance. But does she feel the same? Chief financial officer, Michael Jensen, is a hard-core pessimist who has learned the hard way not to speak up against the status quo, in spite of his natural inclination to do so. Jensen's a numbers guy. He relates to spreadsheets better than he does to people. Will this cost him in the end? Louise Hald, chief marketing officer, joined Stensure's management team after leaving her post as an assistant professor at a business school. She's beginning to wonder if she'll ever move past the "assistant" part in the eyes of her coworkers. What can she do to ensure she gets ahead? And then there's Sophie Bech. She's made the long trip back to Denmark from South Africa for her own private reasons, and everything looks different to her now. She wonders what her return will hold for her. Was it a mistake? Will her fresh set of eyes-and values-help or hinder the team? Reductionism-understanding complex things by reducing them to fundamental parts and interactions-comes up against social status, so subtle, intricate, and sought-after, in this intriguing modern-day novel. Will these characters-and their supporting players-make the

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

changes they need to survive in today's world? Or will they succumb to the allure of using easy but underhanded methods to get ahead?

Dark Shadows: Angelique's Descent

Don't miss Tim Johnston's new novel, *The Current*, available January 22, 2019! The Rocky Mountains have cast their spell over the Courtlands, who are taking a family vacation before their daughter leaves for college. But when Caitlin and her younger brother, Sean, go out for an early morning run and only Sean returns, the mountains become as terrifying as they are majestic. Written with a precision that captures every emotion, every moment of fear, as each member of the family searches for answers, *Descent* races like an avalanche toward its heart-pounding conclusion. "Read this astonishing novel . . . The magic of his prose equals the horror of Johnston's story." —*The Washington Post* "A compelling thriller that is both creepy and literary . . . *Descent* is not just a mystery. It is an emotional story of evil, fear, acceptance and irony."—*The Denver Post* "What makes the novel unforgettable is its sense of character, its deliberate, unadorned prose and Johnston's unflinching exploration of human endurance, physical and psychological." —*Miami Herald* "A super-charged, addictive read." —*The Missourian* "An original and psychologically deep thriller." —*Outside magazine* "Outstanding . . . The days when you had to choose between a great story and a great piece of writing? Gone." —*Esquire* "[A] dazzling debut . . . Exquisitely crafted." —*The Dallas*

Examines how many free societies have fallen to tyranny and looks at the possibility that the United States could be next.

The Descent

Do you frequently find yourself asking, "Why?" This book will, prayerfully, prompt you to see God acting in every circumstance in your life, from the mundane to the monumental; to appreciate that the Creator does, indeed, cause "all things [to] work for good to them that love God, to them who are called according to His purpose." (Romans 8:28) Through prose and poems based on personal experiences, the author shares pieces of her journey through faith-building events. If you have trouble focusing on God and His agenda, this book will sharpen your vision and lead you to reconsider God's purpose for the events in which you may find yourself involved on a daily basis.

about a different perspective. To overcome something, you must be able to see it from a different viewpoint, you must be able to analyze and understand it in order to accept it or move past it. The most important step in the healing process is acknowledgement that what you are feeling is okay to feel, and that you are not alone in those feelings. Get lost in this book and find yourself in it, all at the same time. Emotional clarity.

Boundaries

Dark Shadows's two most popular characters, Barnabas Collins and Angelique, were eternally bound by love and hate. Now actress Lara Parker, Angelique herself, tells the story of how it all began. The dashing heir of a New England shipping magnate, Barnabas Collins captures the heart of the exquisite, young Angelique amidst the sensual beauty of Martinique, her island home. But Angelique's brief happiness is doomed when Barnabas deserts her and becomes engaged to another. With this one betrayal, Barnabas unleashes an evil that will torment him for all time. For Angelique is no ordinary woman. Raised in the mysterious black art of voodoo witchcraft, she long ago pledged her soul to darkness and became immortal. Vowing to destroy Barnabas, a vengeful

Angelique damns him to eternal life as a vampire—a companion to accompany her forever. Little does Angelique understand the depth of Barnabas's fury. This edition of *Dark Shadows: Angelique's Descent* has been updated by the author with an all-new final chapter. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Bed-Book of Happiness

USA TODAY bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest. Read the novels that resulted from her intense relationship with firefighters! "Shay writes an emotion-packed story. With angst and some hot sex, this dramatic tale also has a nice touch of humor." RT Book Reviews Ian Woodward, one of the firefighter heroes of the 9/11 terrorist attack, lost the use of his legs on that horrific day. When Ian starts teaching at the Hidden Cove Fire Academy, he finds meaning in his life again. But he vows never to accept the love of beautiful Broadway star Lisel Loring—until a deluded fan starts stalking her. Disgraced cop, Rick Ruscio becomes her bodyguard, but it's his community service at a local preschool, where he meets teacher Faith McPherson, that completely turns his life upside down. Both men must deal with their issues and accept the strong women who love them. "The talented Shay offers another heartwarming tale of brave men and women." Booklist "I was profoundly moved by this

book in a way that I haven't often been moved by a romance novel. It speaks of redemption, forgiveness and the transcendent healing power of love. I know that I will be reading this one again. All About Romance

To Begin Again

A story that affirms faith, friendship and the unflinching ability to drug your best friend to show him the possibilities of potential, Thank You, Goodnight is about finding the strength to persevere. It's the mid-90's in suburban Illinois, and when it comes to Brandon, John, and Dana, three friends tied together by their jobs at a supermarket, ennui and listlessness isn't just a part of their lives, it is their everyday existence. Caught in a time that's well past coming of age but a couple of years before the deafening demands of adulthood, the time that they spend together is all they have. Banker's hours don't exist, time is malleable, school is self-serve, and band practice happens in the shed outside. John and Brandon have shared a friendship for years, tied together by the immaturity that comes with male friendships, but one of them is hiding a secret that can't be told. Not yet, at least. With Dana providing the maturity, the delicate balance that the triumvirate are able to exude should last a lifetime. One plays the guitar, one plays the drums, and one has the voice of a silken throated chanteuse. Whether it's being kicked out of a high school's talent show for playing Ted Nugent's "Stranglehold" in a manner unbecoming of two young men, figuring out a way to bail on a day's

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

work by throwing up in front of the boss on cue, or being asked up on stage to play a song with an international rock band under the most false of pretenses, it is the life of John and Brandon that shows how deep a relationship between two men can go. Filled with the happiness that is found with small successes in life, the sadness that is shared when things completely derail, and the solace that's found with sharing a piece of warm pie, Thank You, Goodnight will have you remember what it was like to look beyond the safe precipice of your college years and see the uncertainty that comes with growing up. Not everyone takes that plunge without a fight, though, and these three friends are all making that descent holding onto one another.

House Beautiful

When Sam Barnes' high-flying life in Dallas falls apart, he flees to the coastal town of Port Aransas and fades into the life of a reclusive beach bum. But things start to change when he meets Dave, Shelly, Bo, and Allie. Together they are tested and forced to confront their own issues. In doing so they discover family and community.

Waking Remembering

Anxiety & Depression

The 5th edition of Bioethics provides nursing students with the necessary knowledge and understanding of the ethical issues effecting nursing practice.

Groundbreaking in its first edition, Bioethics continues its role as a vital component of nursing education and provides a framework for students to understand the obligations, responsibilities and ethical challenges they will be presented with throughout their careers. This latest edition responds to new and emerging developments in the field and marks a significant turning point in nursing ethics in that it serves not only to inform but also to revitalise and progress debate on the issues presented.

Bioethics

Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

Reporting Child Abuse

Dave Stewart has survived the inferno of Kansas City and come out the other side. To the rest of the world his fate is uncertain, and by now even Agent Keyes knows better than to assume he's dead. As Keyes and his rogue DHS agents continue their search for him, Dave knows that Plan A, as usual, won't work. His only chance is to keep moving until he can find a safe way to make contact with Nate Reid and figure out his next move. As Dave's odyssey across a zombie

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

infested America continues, he encounters the best and the worst in his fellow survivors. He will find new allies, learn more about the true nature of the Asura virus, and his role in even bigger designs than he ever imagined. But, in a land filled with enemies both living and dead, is all the skill, wit and courage in the world enough to help him survive? Or will this be Dave Stewart's last journey?

The Path to Tyranny

Life hasn't been kind to Adam Sellars lately. In the past year he has broken up with his fiancée, barely survived a terrible car wreck, and had his brother's family vanish while he lay unconscious in the hospital. Since then he has been a crippled shell going through the motions of life with nothing but the search for his brother to keep him going. But Adam is about to discover that things can still take a turn for the worse. Much worse. His quest for his lost brother has brushed up against a very dark corner of the world and something has come out of that darkness with an unholy vengeance. He can't fight it, he can't hide from it, and not even the police can protect him as his world descends into chaos. His only hope lies in a mysterious pair of strangers who have appeared out of nowhere with an offer of aid. But they have their own agenda, and his survival may not be their top priority. Now Adam must keep his wits about him and learn to believe in himself again as events send him on a collision course with a monster more horrific than he ever dreamed possible.

Descent

Drawn on interviews with fifty survivors, a study of suicidal behavior documents the various events that can lead to an attempt to take one's own life, while exploring the healing that can occur afterwards. Reprint. Tour.

Echoes

"Wake Me Up" is a unique coloring book for women. This book contains illustrations of emotions and feelings of joy, freedom, courage, inspiration and love. Each artwork is highlighted by a motivating quote or a thought-provoking question. The book is motivating. Every illustration calls the reader to action. The book is intimate. There are some pages for the readers' to reveal their deep thoughts, goals and dreams. The illustrations visualize desires. The reader is not just an observer, but also a participant. Each illustration delivers a message and when coloring they bring this message out of the book pages to their lives. The book is symbolic. To wake up the book you need to color it. You'll wake up the book and it will wake up you.

Nothing More To Lose

Wake Me Up!

As a teenager, DeQuincy Lezine nearly ended his own life, believing it was the only way to escape the emotional pain that was overwhelming him. Instead, Lezine was able to find expert psychiatric care, and went on to found the first university campus-based chapter of the Suicide Prevention Action Network USA. Now a researcher at the University of Rochester's Center for the Study and Prevention of Suicide, Lezine has devoted his life to preventing suicide in adolescents, and he brings the wealth of his personal and professional experience to bear in *Eight Stories Up*. He starts by describing his deteriorating state of mind in college, using his own email archive to retell the episode that would nearly claim his life. He then offers hard-earned wisdom and practical advice to other young people who may be considering suicide. In straightforward, easy-to-understand language, and drawing on the psychiatric expertise of David Brent, MD, Lezine discusses the potential causes of suicide in adolescents, how to seek psychiatric treatment, and how to get the most out of professional help. He

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

also surveys some of the therapies used to prevent suicide, how to talk to loved ones about suicidal thoughts, and how to stay healthy at home and at school. The result is both a remarkable memoir and a useful guide that will ease the isolation and hopelessness caused by thoughts of suicide, helping young people to overcome their troubles in a safe and healthy way. Part of the Adolescent Mental Health Initiative series of books written specifically for teens and young adults, *Eight Stories Up* offers hope to young people who are at risk of suicide, extending a lifeline of support and guidance that can save their lives.

Cognition and Suicide

21 ALDGATE by Patricia Friedberg is character-driven historical fiction set in pre-WWII London's Jewish East End and fashionable Chelsea, as well as in Germany and France . It is a fictionalized story of the relationship between the artist, Paul Maze, and his young married assistant, Clara, during and after the writing of his memoir of the Great War. A feature film based on the author's screenplay of 21 Aldgate, titled "The One I Love," is presently in development by Progress Pictures, Ltd., U.K. and The Future Film Group, U.K. The target audience includes WWI and WWII history buffs, Jewish history enthusiasts, Anglophiles across the globe, and readers who enjoy a great love story. Similar to *The Postmistress* in tenor, 21 ALDGATE is a story of love and war that bears witness to the prejudice, bias, aggression and propaganda that influenced British society during the

Dark's Descent

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

The Descent is the story of a woman who, crushed by a devastating separation, sets off on an inner journey to discover her true self, her heart, and free it from its shields, shackles and chains to be able to live her life fully, with joy and passion. Sophia is guided by her dreams. When she experiences her entire life crashing down around her, she finds herself buried under debris, mud and darkness. She crawls her way deeper into the darkness, to find what is hidden there. Each chapter begins with a dream, image and sometimes internal bodywork, followed by meaning, understanding and real life events and feelings around what is happening. Sophia, guided by her dreams, peels layer after layer of abuse-driven protection and barriers, unblocking constrictions and delving deep into darkness and pain to find the innermost beauty of a shining soul, trapped under many layers of protection, self-hate, guilt and fear, created from suffering to provide self-defence. Her dreams reveal the truth about herself, helping her understand who she truly is. She starts to understand her truth and her hidden unconscious. Sophia is drawn down into investigating her shadow, curious about what is hidden there, desiring to live a more fulfilled, aware, whole and happy life. What she encounters is at times surprising and heartbreaking, at times hopeful and joy-releasing. Discovering what has been hidden leads her to a new life, full of joy and understanding, compassion and forgiveness, contentment and peace. The Descent is written in a way that shows how dreams can lead us, how their symbolism can be interpreted and how they can be used to help guide us in our lives. It is a fascinating read for those who are feeling lost in life, as well as

anyone who enjoys the story of an ordinary woman's discovery of herself.

Emancipating Elias

What if dreams are more than dreams? This magical realism novel is the first in a trilogy that is historical fiction, love story and spiritual quest. It is about magic and mysticism, faith and initiation. It is about the soul of art. Woven through history is a love story of many parts, remembered and built upon through the centuries. A great love passes on through generations in some undeniable memory in the flesh, and also reappears in new lives from distant places. Mystical love calls to couples throughout time to bring them together again and again. This remembering travels both ways in time, existing in that place beyond time where love lives. There are vague memories, subtle warnings and obscure communications between individuals separated by centuries. Lives weave together throughout more than five hundred years, paralleling contemporary events. Religious intolerance, fear and greed generate the Spanish Inquisition and the religious wars in Europe that reach a decisive moment with the defeat of the Spanish Armada. Ninety-six years earlier, in the same year that Ferdinand and Isabella sent the three ships that discovered the New World, Spain's power had begun to weaken with the expulsion of the Jews and Muslims. The wisdom and skills of the Islamic and Jewish citizens was what had helped make Spain what it was, but fear caused the end of that golden age. These two critical points in history and what follows

Bookmark File PDF Waking Up Alive The Descent The Suicide Attempt And The Return To Life

are the setting for this novel, but other times are connected over many thousands of years. The story opens in Spain in the 15th Century, with Jewish, Islamic and Christian children playing together as innocents without prejudice or fear. Throughout the book, there is an underlying theme of Hope and Faith manifested in mystical ways. This faith lives in ancient Celtic traditions, as well as Jewish, Islamic and Christian forms, both Catholic and Protestant. Truth is truth, no matter what form it chooses to wrap itself inside. Love empowers many characters in various ways and transforms them into their best. The world of nature sometimes comes to their aid in miraculous ways, and enemies who are treated with love become allies. There are no greater mysteries than time and consciousness and the memories that connect us to the whole of our lives and beyond. The déjà vu and vague precognitive experiences that all of us have felt to some degree are the tip of the iceberg of this mystery. The supernatural in our lives is often liberated by powerful emotions like love and fear. We all are familiar with stories about mothers who have sensed when their children are in danger or when a loved one is in crisis. There is an undeniable connection that doesn't fit neatly into our view of everyday physical life. There is a larger world we glimpse as we timidly awake. Editorial Review: Lyrically, hauntingly beautiful. this is storytelling at its best. -- Phyllis Tickle - Founding editor of the Religion Department of Publishers Weekly and author of dozens of books, including *The Great Emergence: How Christianity Is Changing and Why*

Constructed

Boundaries is a disturbing story about the blurred lines between love and betrayal, freedom and control, fantasy and treachery, good and evil, past and future. Diane Alders is a successful, workoholic sales executive in the medical field who has a void in her heart as a result of the tragic death of her husband seven years ago. Mickey Rollins is a genius and entrepreneur about to introduce a revolutionary new therapy that will 'repair' injured or impaired brains. Their sputtering romance hits full speed when Mickey invites Diane to accompany him on a lavish and bizarre vacation to the exotic South Seas intended to stretch their senses, fulfill wild dreams, and bring them closer together. Disaster strikes, and it is Diane who becomes Mickey's first human test subject. There's a catch...the healing process requires a surrogate, and Mickey chooses their mutual friend, lover and temptress—the beautiful Suki. The resurrection of Diane that transpires is not only a transfer of physical and cerebral attributes, but a blending of relationships, feelings, and emotions, drawing many into the fray, ending as shockingly as it begins.
