****Kirkus Best Books of the Year (2013)**** If you really want to know a people, start by looking inside their bedrooms. As political change sweeps the streets and squares, the parliaments and presidential palaces of the Arab world, Shereen El Feki has been looking at an upheaval a little closer to home—in the sexual lives of men and women in Egypt and across the region. The result is an informative, insightful, and engaging account of a highly sensitive and still largely

secret aspect of Arab society. Sex is entwined in religion, tradition, politics, economics, and culture, so it is the perfect lens through which to examine the complex social landscape of the Arab world. From pregnant virgins to desperate housewives, from fearless activists to religious firebrands, from sex work to same-sex relations, *Sex and the Citadel* takes a fresh look at the sexual history of the region and brings new voices to the debate over its future. This is no peep show or academic treatise but a highly personal and often humorous account of one woman's journey to better understand Arab society at its most intimate and, in the process, to better understand her own origins. Rich with five years of groundbreaking research, *Sex and the Citadel* gives us a unique and timely understanding of everyday lives in a part of the world that is changing before our eyes. From the Hardcover edition.

Twelve Years a Slave

Birds do it, bees do it — every member of the animal kingdom does it, from fruit flies to blue whales. But if you think humans have a tough time dating, try having to do it while being hunted down by predators, against a backdrop of unpredictable and life-threatening conditions. The animal kingdom is a wild place – and it's got mating habits to match. The sex lives of our animal cousins are fiendishly difficult, infinitely varied, often incredibly violent — and absolutely fascinating. In *Wild Sex*, Dr. Carin Bondar takes readers on an enthralling tour of the animal kingdom as she explores the diverse world of sex in

the wild. She looks at the evolution of sexual organs (and how they've shaped social hierarchies), tactics of seduction, and the mechanics of sex. She investigates a wide range of topics, from whether animals experience pleasure from sex to what happens when females hold the reproductive power. Along the way, she encounters razor-sharp penises, murderous carnal cannibals, and spontaneous chemical warfare in an epic battle between the sexes. The resulting book is titillating, exhilarating, amusing, petrifying, alluring — and absolutely guaranteed to make you think about sex in a whole new way.

Love in a Carry-On Bag

What does Doing the Impossible really mean? This book is for those who have a desire to achieve greatness and are ready to take the steps to turn that desire into a reality. At one point or another in this book, you will experience several different reactions - excitement, curiosity, joy, laughter, or even tears - but the ultimate goal is to encourage and challenge you to make a decision to do the impossible. That may have a totally different meaning to you than it did to Steve Jobs, Thomas Edison, or any of the other role models we will look at; but whatever Doing the Impossible means to you, the goal of this book is to help you realize that you have the capacity to do what the critics think is impossible. - Patrick Bet-David, Introduction to Doing the Impossible. Doing the Impossible is a roadmap for those who want to do something big with their lives. The book goes over 25 steps that the reader should take to re-create

themselves, identify their cause, and make history. Patrick Bet-David shares his own impossible crusade and gives key principles for anyone looking to do the same.

A Song in Every Silence

By and large, most wedding books in the market are still centered around one bride and one groom. And yet, the advent of full marriage equality in the United States has made a new, polished wedding planning book dedicated to guiding LGBTQ couples both timely and essential. Kirsten Palladino will fill that need with this definitive book to inspire couples everywhere who are seeking a meaningful, personal ceremony and a momentous beginning to legally married life. Equally Wed brings author Palladino's expertise as the founder and editorial director of the world's leading online resource for LGBTQ wedding planning to the page. Palladino walks readers through every step of the notoriously costly and arduous planning process with wisdom and accessibility. From how to incorporate hot trends among LGBTQ couples to advice on how to incorporate children into a ceremony to more serious hurdles like dealing with homophobia among family members, Equally Wed has it all. The author importantly includes an accurate picture of wedding budgets for couples from all backgrounds, and shares her invaluable insider tips for making the most of each vendor; she also addresses fashion advice specific for LGBTQ readers, such as suiting up as a nonbinary newlywed or attending fittings as a butch lesbian or a transgender

woman. And best of all, she does it with the celebratory, joyful approach that all couples deserve. With a beautiful 2-color package, a total absence of heteronormative terms and assumptions, and a wealth of advice on every wedding-related topic imaginable, Equally Wed is set to be the go-to LGBTQ wedding guide just as every couple is finally free to wed.

Muž, který tu chybí

Erica Shaw spends her week babysitting the country's bestselling authors for one of the top publishing companies in New York City. But on Friday nights she escapes to D.C., where her sexy-lipped musician boyfriend, Warren Prince, works and performs. Their connection is fierce, and the couple promises to never miss a weekend together. But when real life walks in an overbearing father, an alcoholic mother, office politics, and a lucrative job contract, the couple starts unraveling at the seam. Tempers flare, violence breaks, while new lovers eagerly wait in the wings to claim both of them. Drenched in the perils of passion and the sweet-sounds of jazz, Johnson dives deep into the world of ambition and the stumbling blocks of family. Clever, fast-paced and sexy, *Love in a Carry-On Bag* is a modern day love story that marks the healing power of forgiveness and begs the question, how much baggage is really too heavy to carry?

American Gigolo

Now a major motion picture nominated for nine

Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

Urban Mindfulness

Great Source Daybooks

Her heart told her that he was "Mr. Right," the man of her dreams. They met while she was in college, studying to be a nurse. The plan looked obvious-o to school, meet a good man, and raise a beautiful family. But even the best laid plans can go astray. When she was betrayed in a way she never dreamed possible, her life would be changed forever. In this sometimes beautiful, sometimes heartbreaking memoir, author Donna Paul reveals the inner life of a woman forced to make the toughest decision of her life: giving her newborn son up for adoption. As Paul retraces the steps from her childhood to her personal tragedy to her long-sought chance for redemption and reunion, she shows us all that we can find A Song in Every Silence. -Donna Paul's "A Song in Every Silence" is a poignant

The American Pageant Guidebook

The Year of Magical Thinking meets Salvation Creek in a powerful memoir of love, loss and discovery – the third act in an extraordinary life. Mary Moody’s bestselling memoirs about her adventures in France, Au Revoir and Last Tango in Toulouse, inspired thousands of women. The Accidental Tour Guide completes the circle by sharing another major turning point in her life. When Mary loses her beloved husband, her world is turned upside down. Part of her journey to reignite her passion for living is to boldly go where she has never been before – in her travels and in her everyday life. A powerful, moving and inspiring true story about how to rebuild your life without the people who matter most.

Bare Men

Malcolm Small has lived a sheltered life with parents who don't seem to care about him. Now, during the summer between high school graduation and going away to college, Mal wants to take control of his life and make some improvements starting with making a new friend. Wes, the boy across the street, quickly becomes both friend and a sort of mentor to Mal. With Wes's patient guidance and example, Mal's breaking free of his life-long shy shell and taking chances. Mal is also feeling free enough to start listening to the tiny voice inside him that whispers his attraction to Wes. After years of denying it, could Mal be gay after all? Self-acceptance comes easy for Mal with Wes by his side. What about telling Mal's parents? What about being out at college? Mal's about to undergo some very challenging times as he grows up fast and must decide what he'll stand for and against. (AUTHOR'S NOTE: This an extensively expanded second edition of this book.)

A NEW YORK TIMES BESTSELLER. ONE OF THE NEW YORK TIMES'S 10 BEST BOOKS OF 2020. Named one of the Best Books of 2020 by The Washington Post, NPR, the Los Angeles Times, ELLE, Esquire, Parade,

Teen Vogue, The Times (UK), Fortune, Glamour, Town & Country, Apartment Therapy, Good Housekeeping, Electric Literature, Self, The Week (UK) and BookPage. One of Amazon's Best 100 Books of 2020. A New York Times Book Review Editors' Choice and a January 2020 IndieNext Pick. "A definitive document of a world in transition: I won't be alone in returning to it for clarity and consolation for many years to come." --Jia Tolentino, author of Trick Mirror: Reflections on Self-Delusion

The prescient, page-turning account of a journey in Silicon Valley: a defining memoir of our digital age

In her mid-twenties, at the height of tech industry idealism, Anna Wiener—stuck, broke, and looking for meaning in her work, like any good millennial—left a job in book publishing for the promise of the new digital economy. She moved from New York to San Francisco, where she landed at a big-data startup in the heart of the Silicon Valley bubble: a world of surreal extravagance, dubious success, and fresh-faced entrepreneurs hell-bent on domination, glory, and, of course, progress. Anna arrived amidst a massive cultural shift, as the tech industry rapidly transformed into a locus of wealth and power rivaling Wall Street. But amid the company ski vacations and in-office speakeasies, boyish camaraderie and ride-or-die corporate fealty, a new Silicon Valley began to emerge: one in far over its head, one that enriched itself at the expense of the idyllic future it claimed to be building. Part coming-of-age-story, part portrait of an already-bygone era, Anna Wiener's memoir is a rare first-person glimpse into high-flying, reckless startup culture at a time of unchecked ambition, unregulated surveillance, wild fortune, and accelerating political power. With wit, candor, and

heart, Anna deftly charts the tech industry's shift from self-appointed world savior to democracy-endangering liability, alongside a personal narrative of aspiration, ambivalence, and disillusionment. Unsparing and incisive, *Uncanny Valley* is a cautionary tale, and a revelatory interrogation of a world reckoning with consequences its unwitting designers are only beginning to understand.

The Accidental Tour Guide

Uncanny Valley

Inquisitor Eisenhorn is one on the most senior members of the Imperial Inquisition. With his warband he scourges the galaxy in order to root out heresy. When that heresy is found to infiltrate the hierarchy of the Imperium and the Inquisition itself, he must rely on himself alone to deal with it - even if it means making deals with the enemy. All three books of the Eisenhorn trilogy along with two short stories and Eisenhorn's case book and compendium are included in one big volume

My Past Is a Foreign Country: A Muslim feminist finds herself

This volume aims to provide information on sugar cane and its cultivation. Details about this important crop, its life cycle, physiology, cropping cycle, optimum soil and climate conditions are given. The text also covers practical growing techniques,

including soil preparation, planting, fertilization, irrigation and crop maintenance. In the final sections, harvesting of sugar cane is looked at as well as a comparison of different methods of cultivation - from small plantations to industrial estates. Detailed tables will also provide the reader with information on the growing, assessment and harvesting of this crop.

Wild Sex

Published during the tenth anniversary of the Book of Common Worship (1993), *The Companion to the Book of Common Worship* is a practical guide, answering questions such as how do I use the Book of Common Worship to its fullest advantage? and how can the Book of Common Worship form a congregation into a community that glorifies and enjoys God?

State of Siege

Western Europe, 1998

Challenging popular notions of what it takes for IT organizations to succeed, IT governance evangelist at CA Technologies Steve Romero presents many of the theories and ideas around IT governance, the key

components of successful process management, and behavioral management as key factors in IT's success. The topic of IT governance has never been more popular than it is today. Almost every organization recognizes the need to establish sound IT governance, and almost every enterprise is still very immature when it comes to the discipline. This book challenges and calls into question the traditional approaches and strategies for running IT organizations. The concepts presented in the book are timeless, but reflect the recent changes in the organization's view of the role of the IT department. IT can become a major asset to an organization, often even becoming "the product" in today's Internet-based sales environment. Eliminating "Us and Them" discusses these changes and presents three areas that contribute most to the change from an alienated and oft-despised department to a key tool for organizational success: An in-depth understanding of IT governance, which has never been more popular than it is today. An in-depth understanding of process and process management, a discipline that more and more enterprises are investing in and establishing formal organizational constructs to enable and support. A case-study view of how an enterprise can establish, promote and instill the values that foster positive behaviors in every person in the organization, with the intent of influencing their ability to realize enterprise goals. Romero's insights are based on more than 30 years working in IT and over four years as an IT governance evangelist, traveling around the world, speaking at hundreds of events, and visiting more than 100 companies espousing the approach in this book.

Curious Peach

The book analyses the transition from the ancient to the medieval period in polity, economy, the caste system and culture. It examines the form of peasant protest and the reasons for their failure and infrequency. The author also examines the development of tantrism and the mentality that feudalism created.

Heads You Win

Heads You Win is international #1 bestseller Jeffrey Archer's most ambitious and creative work since Kane and Abel, with a final twist that will shock even his most ardent of fans. Leningrad, Russia, 1968: From an early age it is clear that Alexander Karpenko is destined to lead his countrymen. But when his father is assassinated by the KGB for defying the state, Alexander and his mother will have to escape Russia if they hope to survive. At the docks, they have an irreversible choice: board a container ship bound for America or one bound for Great Britain. Alexander leaves the choice to a toss of a coin. In a single moment, a double twist decides Alexander's future. During an epic tale, spanning two continents and thirty years, we follow Alexander through triumph and defeat as he sets out on parallel lives as Alex in New York and Sasha in London. As this unique story unfolds, both come to realize that to find their destiny they must face the past they left behind as Alexander in Russia.

Super Jumbo

Runaway children who meet up with monsters. A giant talking bug. A secret world of mouse-people. The stories of Franz Kafka are wondrous and nightmarish, miraculous and scary. In *My First Kafka*, storyteller Matthue Roth and artist Rohan Daniel Eason adapt three Kafka stories into startling, creepy, fun stories for all ages. With *My First Kafka*, the master storyteller takes his rightful place alongside Maurice Sendak, Edward Gorey, and Lemony Snicket as a literary giant for all ages.

My First Kafka

Teens Shay, Marco, Lexi, and Ryan, quarantined in a shopping mall after a biological bomb goes off in an air duct, learn that in an emergency people change, and not always for the better, as many become sick and supplies run low.

Eisenhorn

NEW YORK TIMES BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller *Girls & Sex*, turns her focus to the sexual lives of young men. “Eye-opening.... Every few pages, the boy world cracks open a little bit.... Even in the most anxiety-provoking moments of *Boys & Sex*, it’s clear that Orenstein believes in the goodness of boys and the men they can become, and she believes in us, as parents, to raise them” (New York Times Book Review). Peggy Orenstein’s *Girls & Sex* broke ground, shattered taboos, and launched conversations about young women’s right to pleasure and agency in

sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with young men, psychologists, academics, and experts in the field, *Boys & Sex* dissects so-called locker room talk; how the word “hilarious” robs boys of empathy; pornography as the new sex education; boys’ understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men’s experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today’s world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Reflexology in Pregnancy and Childbirth E-Book

The charmingly oblivious elephant Little Jumbo "saves the day" in a superhero story that’s perfect for fans of Ian Falconer’s *Olivia*. Being a superhero isn’t easy. All Little Jumbo wants to do is fight crime and defend the

weak, by doing things like halting traffic for snails to cross the street and stopping Dad from sneaking cookies. It's not his fault grown-ups don't appreciate his heroic deeds! Luckily, Little Jumbo doesn't give up easily. He even powerfully resists cake (his greatest weakness!) to help a new friend in need! Super Jumbo is the hilariously sweet companion to Fred Koehler's standout debut, *How to Cheer Up Dad*, which received three starred reviews.

The Companion to the Book of Common Worship

'Brilliant and brutally honest, this memoir ropes you in with every page. The intimacy that Zeba evokes will remind you of your own sister opening her heart to you.' Meena Kandasamy, author of *When I Hit You*, shortlisted for The Women's Prize 28-year-old Zeba Talkhani charts her experiences growing up in Saudi Arabia amid patriarchal customs reminiscent of *The Handmaid's Tale*, and her journey to find freedom in India, Germany and the UK. Talkhani offers a fresh perspective on living as an outsider and examines her relationship with her mother and the challenges she faced when she experienced hair loss at a young age. Rejecting the traditional path her culture had chosen for her, Talkhani became financially independent and married on her own terms in the UK. Drawing on her personal experiences Talkhani shows how she fought for the right to her individuality as a Muslim feminist and refused to let negative experiences define her.

The Books of Wonder

Director, dancer, goodwill advocate for the United Nations: Aishwaryaa Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her. Aishwaryaa writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers. Intensely personal, but also inspirational, Aishwaryaa's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, *Standing on an Apple Box* is as much a celebration of individual fulfilment as it is of family.

Seattle Stairway Walks

Weaving together the hills, bluffs, and canyons are stairs -- lots and lots of stairs. In fact, there are over 600 publicly accessible Seattle stairways within the city limits! And to explore Seattle by these stairs opens up stunning views and a whole new, intimate side of the Emerald City. Seattle Stairway Walks: An Up-and-Down Guide to City Neighborhoods is the city's first guidebook to 25 of the best neighborhood walks that feature public Seattle stairways. Each route description includes driving and public transit directions to the starting point, full-color photos, a detailed map, QR codes for saving abbreviated directions on your smart phone, tips on sections that are family-friendly, suggestions for cafes and pubs for that perfect espresso and

sandwich en route, fascinating sidebars on Seattle's neighborhood history and community anecdotes, and much, much more.

Doing the Impossible

Equally Wed

Discovering an Oasis of Calm in the City The city is an exciting yet demanding place to live. Although you love the tremendous energy and diversity of the urban environment, the day-to-day grind of going to work and navigating crowds, traffic, and lines can leave you feeling weary and disconnected. Respectful of the challenges and advantages that arise when you live or work in the city, *Urban Mindfulness* provides practical advice for transforming everyday experiences into opportunities for contemplation, stress relief, and fulfillment. Filled with insightful reflections and exercises you can do at work, at home, or even while riding the subway, this guide will help you achieve and maintain the sense of peace and calm that you've been seeking. You'll find yourself returning to this guide again and again for gentle reminders that will help you create stillness within yourself as the outside world rushes crazily by.

Early Medieval Indian Society (pb)

Parenting teens includes many challenges as well as joys. A focus should be on the positive side of parenting teens. This focus will help the parent to feel

more competent and actually be able to enjoy their teen and the ups and downs they face. Sometimes parents tend to over emphasize the negatives and annoyances of parenting their teens. This book will help you get along with your children as you guide them in the godly path for living.

The Artistic Nudes

At work, at play, at home, in the White House. The White House is a museum, the office of the chief executive, a gathering place for leaders and visitors from around the globe, and it is also a home for one special family—the First Family. This book follows a day in the life of the Obama family: President Barack, First Lady Michelle, First Daughters Malia and Sasha, and even First Pup Bo. From moving in on inauguration day to making important decisions, hosting state dinners, planting a garden, exploring the historic house, and leading around the Secret Service, the First Family is very busy. Deborah Hopkinson and AG Ford take young readers through an extraordinary ordinary day in the life of America's much-beloved First Family.

My Summer of Wes

"Bare Men" portrays the male nude as a human and a work of art, not simply a utilitarian device. It celebrates men who are comfortable in their skin, relaxed, powerful, erect, vulnerable. The images share moments of joy, the power of release, physical angst and ease of masculinity. "Bare Men" offers

glimpses into their private moments. The viewer is privy to two relationships: the man and the photographer and the man and himself while in some instances is invited to join in.
